Summer Estate

ORIGINALLY owned by a wealthy American, this beautiful, wooded, park-like 36-acre island in Georgian bay is offered for sale for only the third time since 1884. There are 7 bays, safe sandy beaches, tennis court, many excellent buildings and furnishings, snowmobile, motor launch, outboard motors, canoes and punts. For a private individual it is a paradise; for a membership club it is ideal; also suitable for subdividing, and perfect for a corporation employee family resort, as it is equipped for a camp. Located in one of the finest fishing areas in Ontario, and wild ducks are abundant in the fall; yet Toronto is but 90 miles by paved highway; taxes are under $50; priced at $35,000.

OPENING up on Sutton and Pefferlaw rivers, approximately 100 lots in each subdivision.

BEAUTIFUL park will be donated to the community. Rivers clean and fast-running. Excellent bathing in spring-fed waters. Much finer water than we often have on the lakeshore, and greater privacy.

EXTREMELY low prices, as this is converted farmland and river resorts have not yet been developed here. Accordingly we have been able to purchase our land at much lower prices than prevailing for lakefront and can, therefore, offer it at lower prices per lot.
