

# **2015 Racing Program Notice to Competitors 2 2015-08-15**

*The Queen City Yacht Club Club Racing Events Notice of Race and Sailing Instructions 2015 states, in 26,*

Each participating boat shall be insured with valid third-party liability insurance with a minimum coverage of \$2,000,000 per event or equivalent and prior to entering the event shall furnish proof of such coverage to the event organizers.

As there appears to be a number of racing sailboats, which have not filed valid proof of coverage with the Club Office, the following action will be taken with respect to these sailboats.

- Their entry to race will be rescinded or denied under RRS 76
- They will be protested under NOR & SI 26 for races that they participated in without valid insurance coverage

Graham Dougall  
Race Officer
