QCYC Unavailable to Accept Visiting Yachts

As the result of the current high water, QCYC is unavailable to accept visiting yachts. Until further notice, the Club is suspending its reciprocal policy for visiting yachts.

Once there are lower water levels and services can be restored, QCYC will re-instate its reciprocal policy for visiting yachts.

The Club will announce this re-instatement. As well, this announcement will be posted at <http://www.qcyc.ca/about-us/visitors>.

For more information, please contact the Rear Commodore.
