

## Things To Remember:

- there's more fun at the Q.C.Y.C.
- the club is better looking every year.
- It's YOUR club.
- Your friends are welcome GUESTS.
- Every Saturday is fun and dance night.
- There is activity "all winter".
- We need YOU on any committee you can lend a helping hand with.
- There's a St. Valentine's Dance at the Club Top Hat February 11th. Informal. Everybody welcome. Make up a party and come on. This event was a huge success last winter, if you remember. If not, come out on the 11th and get together with the old Q.C.Y.C. gang at this first official club entertainment.

## House Committee Needs Extra Help:

The House Committee, long the taboo of too little help, needs some fellows who can really pitch in and throw some weight around. The Chairman is D. Ketchen, see him at the dance on the eleventh.

## What Do You Think?

This is the first of a new issue of monthly notices. What do you think about them? Any suggestions? All the criticism we can get—good or adverse—is welcome. Drop a line to D. M. Taylor, Acting Chairman, Q.C.Y.C. Publicity Department, 2 Nottawa, Algonquin Island, Toronto.

## News

Ed. Stanger and his new iceboat "Frigid Air" won the Consolation Race at Hamilton Regatta.

## FALL ANNUAL MEETING ELECTIONS SEE MINOR CHANGES IN BOARD MEMBERSHIP.

At the Annual General Meeting of The Queen City Yacht Club, held at Muirheads' Cafeteria in November, the following members were elected to the Board of Directors:

Commodore .....	Jas. J. Mitchell*
Rear Commodore .....	A. E. Wilson*
Vice Commodore .....	W. K. Purchase*
Secretary .....	Jas. Pickard*
Treasurer .....	D. Kimpson*
House Committee .....	D. Ketchen
Membership .....	D. Murdoch
Marine Railway .....	E. Stanger*
Moorings .....	D. Sammis
Entertainment .....	A. Cox

It is to be noted that the post of Publicity Chairman has been deleted from the standing annually elected officers. This post is now one of some perpetuity because of the follow through necessary in this department.

A PURCHASING AGENT was appointed to handle ALL the buying for the club. Mr. R. Torrance will head up this new club service. The underlying reasons for this move were to keep a close control on ALL expenditures and to ensure the best possible wholesale discounts being obtained in the future. R. Torrance will now purchase on requisition only for EVERY department in the club.

THE PLANNING COMMITTEE, under the guiding hands of A. J. Rae, is to move forward into the second portion of its overall improvement plan in 1948.

Note: \* denotes member serving in some capacity on the 1947 Board of Directors.

## Your Energetic Board of 1947 Handled:

- |                          |                          |
|--------------------------|--------------------------|
| 1. The Spring Regatta.   | 3. The L.Y.R.A. Regatta. |
| 2. The L.S.S.A. Regatta. | 4. The Closing Regatta.  |
- ... besides a regular racing and sailing schedule.

## In Their (Spare?) Time They Saw To It That the Following Was Done:

- |   |  |
|---|--|
| 1. Entertainment EVERY week.                      | 6. Installed a Shower Room.  |
| 2. Acquired a Beverage License.                   | 7. Had extra fill put on the club property.                        |
| 3. Set up the Beverage Bar.                       | 8. Had the Downstairs Lounge Plaster Repaired (on new metal lath). |
| 4. Built the new "Barrel Tables.                  | 9. Repaired the "Lillian".   |
| 5. Installed the new North Lounge—with furniture. |  |

... and willingly gave of time and money to put "over the top" the BIGGEST sailing year in the history of the Queen City Yacht Club.

IT WAS A TOUGH JOB — THANKS FELLOWS!

### COLORED MOVIES

On Sunday night, FEBRUARY 8th, at the National Yacht Club (foot of Bathurst Street) there will be a special showing of the 1946 International Lightning Championships.

EVERYBODY WELCOME — NO CHARGE
