

# The Clipper

August 5, 1965

The post-office strike caused a temporary absence of news from the "Clipper". However now things are back to normal, it is hoped we can fill in the gaps.

The new lockers are now ready for occupancy, and Ian Campbell will be passing out keys this week-end. For the benefit of new locker owners, the Board of Directors would appreciate you accepting your locker with full knowledge of your responsibilities. (See House Rules concerning combustible materials). During the month of July the Fire Marshall inspected lockers and many of the locker owners ignored previous warnings concerning paint and gasoline, hence a further inspection in September will take place. MAKE SURE YOU TAKE ALL PRECAUTIONS AT ALL TIMES, NOT JUST FOR LOCKER INSPECTION. Your property and club property costs money to replace.

## ATTENTION ALL SKIPPERS

It is apparent that many skippers are breaking club rules by having semi-permanent crew members, that are not club members. Your membership entitles you to have the same guest once per month. If you are one of the offenders ask your guest crew to join the Club or select one of the many club members looking for a berth.

## ENTERTAINMENT

Last week's dance was a Howling Success, and Don Sproul wishes to express his personal thanks for your support. Keep it up and watch us grow. For the benefit of members and guests who missed the dance last Saturday, Doug Rutherford, Coutourie Supreme decked out in Parish Fashions gave a fine performance as master of ceremonies. Contrary to popular opinion the fashion group were not women, but to mention a few - Charlie Milne, Johnny Hustler, Bill Stevens, Johnny Fowlie (we did have one questionable guy? by the name of Rae), and many more. There is something about boys dressed as girls that rocks the house and any embarrassment the boys had to endure paid off in applause.

Don has plans for the future, next Saturday August 7th will be an evening of good dancing (live music) and good drinking. Bring your guests and have fun, YOU may win a prize.

On Saturday August 14th, the Junior Club will be supported by another evening of dancing, entertainment and prizes. Terry Philips will be selling tickets in advance and your support is needed.

## MEMBERSHIP

Peter Jones has had passed a list of new members whom we all wish a long and happy association as members of Queen City --- welcome ----

- Jeremy Ruskin, a past Queen City Junior club instructor, has joined as a student member and will be crewing with Alan Rae, in his International 14.
- Kenneth Simmons has joined as an Intermediate member and will be crewing with his father on the Dragon.
- John G. vanDorsser has joined as a student member and will be crewing with Van.

- Thomas Vickers has joined us and bought Eric Camplin's Boat.
- Bernard Saunders has rejoined the club and brought in a new Beaver to the dry haul area.
- Ronald and Robert Mazza have both joined as intermediate members and now that their father has sold the six metre they will likely be looking for crewing spots until dad replaces it.
- Miss Elenora Standish has joined and brought in a 16' Muskoka centre-board sloop.
- Oliver Marriott is a new senior member and will likely be helping Elenora with her boat.
- John Cole is a new senior member who will be sailing with Ron Thomas.
- Robert Carter has joined with a new Leader.
- John Thimidis is a new senior member crewing with Jim Truill on the Shark.
- Guenther Latendorf has joined with his new Albatros.
