

The Q.C.Y.C. Clipper

NEWSLETTER

AUGUST 1966

The Freeman is over and for those of you that didn't go, it was an exciting trip with many eventful things happening. There were 6 boats from Q.C.Y.C. - 4 Tums, 1 Shark and 1 Alberg 30. The weather varied from drifting calms to high wave bucks, ending at Rochester in a flat drizzle.

Of the 92 boats leaving Port Credit, 32 dropped out on the way. Most of the dropouts were the result of sick crews. Al Rae managed to lead in the Tums less than 1 minute ahead of Robe Silver. Tango Skippered by George Wilson won a third but unfortunately Nick Schoenstadt on Circe dropped out at Olcott. Nick redeemed himself during the course racing bringing home a red flag.

There is a special dance on August 20th. Don Sproul's Annual Prize Awards Night. This is the night when Don expresses his feelings towards his friends at the Club. For a bang-up evening make it a Must.

Have you planned dinner at the Chez Queen City, Friday, Saturday or Sunday evening. Table Cloths and candles overlooking Toronto's skyline. Wow - what a setting! It's less expensive than a huge home cooked meal, and less trying on your wife. Why not treat her to dinner at the Club.

While you're at it - haven't you promised yourself that extended lunch with your favourite client at the Club? It's cool and convenient. Remember the dining room and bar opens at 12.00.
