Believe it or not - the Fall is quickly approaching, and it will soon be haul out time. Bob Norton reminds us to repair our cradles, butterboards, as soon as possible. Don't wait for the day you haul out.

The first Haul-out will be October 18th week-end, and if you plan to be away for an extended period around that time, special arrangements can be made with Bob to haul out earlier.

PLEASE NO SHIPPING CRADLES!
