

THE CLIPPER NEWSLETTER

Vol. 12
September 21, 1973

Editor: Larry Smart
81 Chudleigh Ave.,
Toronto M4R 1T4

Another Regatta and the luck of Queen City has held. Beautiful weather, good participation in the racing and a good party at night. We have been fortunate over the years with the excellent conditions under which our regatta has been run. This year a lot of credit can be given to our manager and his staff for a well run day with the club looking in well kept shape. Lets look forward to next year and see if we can do anything to improve over present favourable situation.

CLUB TROPHIES

As explained in the Sailing Program several trophies are awarded annually for outstanding achievement in sailing. The Sailing Committee invites members to nominate candidates for these awards. Please use the form below and send it to the Club by October 5th 1973. There is a letter box on the office door.

TROPHY

NOMINEE

REASONS

Parkinson Trophy
(for exceptional
achievement)

SPORTSMANSHIP Trophy

QCYC 16ft Skiff Cup
(Most valuable keel
boat crew)

Mrs. Jimmy Drury Trophy
(Most valuable female
crew to be awarded to
keelboats in 1973)

"ENGLAND EXPECTS SHIELD"
(most valuable centreboard crew)

NYC 16ft Skiff Cup
(most improved sailor)

For the Georgina World Cup, please submit your lists of ports entered outside a radius of 25 miles from the club. A new trophy, The Valhalla Trophy, will be presented this year for the best cruising log. Copies of logs entered must be in the office by October 5th 1973.

Will members who won trophies in 1972 please return them to the office as soon as possible.

Mark Loughborough,
Rear-Commodore.

Of interest to all boat owners. On Wednesday evening October 3, 1973 there will be a lecture on Winterizing inboard and outboard engines & transmissions - the lecture will be conducted by Keith Douglas, will begin at 7.30 p.m. This will be a good chance for everyone to learn the right way to service their motors for the winter.

MARINE YARD

Bob Norton, Marine Yard Chairman would like to remind all members of the following -

1. Cradles and Butterboards must be inspected, those not in shape will not be used for haulout, Diagrams of the proper cradle design are available from the chairman.
2. There are a good many masts and booms on the spar rack, those not properly labelled by October 1, 1973 will be removed permanently.
3. Work parties will be required for rebuilding the yard and moving equipment which we can expect this fall. Notices of these will be posted on the Queen and in the Clubhouse.

Notice on the T.V.

Tickets for the coloured T.V. to be drawn for at Thanksgiving, tickets are available at the bar. Everyone is urged to support the effort to auction this beautiful set.

MOORINGS

Plans are proceeding to complete the installation of Hydro Installations on the Ward's Island side of the lagoon. This work should be completed this Fall for use in the spring.

HOUSE CHAIRMAN

The dining Room will be open on Wednesday Nite, Friday nite, Saturday and Sunday into October providing the weathers holds. The Bar will be open as it now is, for balance of the month providing there is a need. October hours will be posted.

NOTE

The haul out dates have been set. Please have your boat ready on the day assigned to you, and bring your crew.

No spares on deck until the row ahead and astern of you is full, as space this year is a big problem and juggling takes time.

Get your cradles and butter boards built: be ready and let's get the Haul Outs over in three week ends.
