Clipper

The Queen City Yacht Club

SEPTEMBER 1979

Hello There...September's already here, bringing with it those beautiful autumn evenings and still lots of run in the entertainment field at Q.C.Y.C.

...Hope you all had a great time at the Pig Roast, and recovered from the Champagne Brunch, plus the Bloody Mary Brunch. Monday morning seemed to be a bit quiet around the Club...

Congratulations to Ian & Judy Anderson (SIDETRACK), whose August 3rd marriage was followed by a honeymoon in Europe.

Welcome back to Don & Jean Bamford (FOUDROYANT), whose return on Sunday, August 19th from their Caribbean cruise was as inconspicuous as their departure. Looking forward to hearing all about it, Don...

Vacationing on the Lake in August were "Gone With The Wind", "Enif II", "Rough Bounds", "Red Sky"(again), Tomsue II ... Eight boats sailed to Wilson Island Yacht Club on August 18th and reported a fantastic reception, no mooring fees, great food and free draft (but the free draft may only have been for the Commodore).

Mike and Robin Skinner are accompanying Gord Anderson on Maid Marion's return to the Caribbean beginning Sept.5th... weather permitting.

Marion Anderson has decided to fly back.

As many of you know there was a fairly good attendance at the Special General Meeting on Monday, August 27th to discuss the marine railroad and yard.

After a presentation by Tom Tomblin and general discussion, the membership finally approved the funding of $45,000 to be spent on the work required in the yard.

Unfortunately, I do not have available the details of the work but there will be a special letter sent to all Senior members with this information.

Meantime, we do know that the work on the underwater section will commence almost immediately by a professional crew.

Work parties are going to be needed during the next few weeks, and you will be contacted by phone. So make yourself available to your crew leader

<u>It is only by us all working together that we will get this very important part of our Club taken care of</u>.

For those of you who are concerned about the underwater section being ready in time for haul out, the contract does include a penalty clause, so rest assured that we'll be ready.

That appears to be my LITTLE SPICE FROM GRICE for this month.

SENIORITY LIST

We have prepared a seniority list, based on club records.

The most senior member listed first, progressing to the most recent senior member who has joined the club or transferred to that category.

This list will be used to establish the correct mooring and locker priorities.

It is intended that your assigned number will appear on your records and membership card, and will remain with you throughout your membership with the club.

If you have reason to believe that your assigned position is incorrect, please submit your claim for revision in writing to R. Fisher.

Any claims relating to this seniority list must be in R. Fishers hands prior to September 24, 1979, at which time this list will be finalized.

This seniority list covers all members of senior or honorary classification and are debenture holding.

When the list is finalized it will be posted and continually updated.

R. Fisher
Vice Commodore

It is with regret that we say goodbye to Innes MacInnes who leaves our office staff to take up a position with the United Church.

Much happiness and success in your new position, Innes, and thank you for a job well done.

NEW MEMBERS
****

Candidates for Club Membership are:

Senior:	Burton Kramer, proposed by Allan Rae, seconded by Bert Barraclough
Crewing:	Peter Boswell and David Hosie, proposed by Bob Peat
Out of Town:	John Adkin of Rochester, N.Y., proposed by George Annand

At its last meeting, the Board approved the following new members:

Senior:	Doug Gillis
Crewing:	Les Birmingham Maureen Freyne Mike Jackson Kenneth Johnson
Intermediate:	Jennifer Jones
Student:	Alison Bury John Friend Donald Guloien

Bert Barraclough
Membership Chairman

LETTER FROM DON & BEV BESTER
dated August 9th/79.
****

"To our many QCYC friends and guests who gave us the surprise party and wonderful gift of assorted wines, our sincere thanks. The party was fantastic and a "real surprise"

Don & Bev Bester

P.S. Stopped at Cowes, during our honeymoon and saw all the many boats in the Admirals Cup. It was a real treat to see the Canadian flag proudly flying.

QCYC ENTERTAINMENT UPDATE FOR SEPTEMBER/OCTOBER 1979

FLASH #1

THE RESPONSE TO THE CELEBRATION JAZZ BAND (SAILPAST SATURDAY NIGHT) WAS SO GREAT THAT AS WELL AS HAVING THEM LIVEN UP OUR REGATTA ON SEPTEMBER 15 WE'LL HAVE THEM BACK FOR OUR PRESENTATION AWARDS DINNER ON SEPTEMBER 29TH. THAT WAY WE'LL HAVE THEM ALL TO OURSELVES AND MAYBE EVEN HEAR THE MUSIC(REGATTA GETS A BIT THICK WITH NOISE AND BODIES, IF YOU RECALL).

FLASH #2

REMEMBER THE NIGHT WITH THE SINGING COPS? GOD KNOWS I DON'T (BUT NOT FOR THE USUAL REASONS, I WAS OFF ACROSS THE LAKE THAT WEEK). BUT THE FEEDBACK WAS SO STRONG THAT WE'VE ASKED THEM BACK AGAIN AS WELL. WE'RE GOING TO REPLACE OUR FEATURE FILM ON OCTOBER 20 WITH A RETURN ENGAGEMENT, BY POPULAR DEMAND, OF THE BROTHERS-IN-LAW. THAT'S OCTOBER 20TH, POT LUCK DINNER NIGHT. DON'T MISS IT!

SO DON'T FORGET TO MAKE THESE CHANGES TO YOUR SEPTEMBER/OCTOBER SCHEDULE SHEET, AND REMEMBER, FOR ALL THESE EVENTS, BOOK EARLY SO YOU WON'T BE DISAPPOINTED.
SEE YOU THERE!

PAUL SUTHERLAND

ITEMS INCLUDE BEAUTIFULLY DESIGNED RINGS
BRACELETS, CHARMS AND NECKLACES.

5% OF GROSS SALES GO TO THE QUEEN CITY YACHT CLUB.

SAFETY IN THE YARD - CRADLE INSPECTIONS

Part of the current yard safety programe, which is responsible for the marine railway reconstruction now going on, is the inspection of cradles. Mark Loughborough and Peter Grant have been "shangheid" into inspecting every cradle in the yard. They will report to Klaus Noack, yard chairman, any improvements considered necessary to make the cradles reasonably strong. There is no such thing as a safe cradle. There is always some risk involved.

Almost every cradle will have a card stapled to it, stating what should be done. The terminology used will be posted on the notice board in the foyer. All cradles using wood struts to support the uprights will require metal strapping to be added to the struts to provide extra strength. The club will buy a support or suitable strapping. Other common shortcomings are not in older cradles, loose bolts and paired timbers for uprights without through bolting.

Take a look at your cradle as soon as possible.

Odds are it won't require too much work. A "no accident haulout" is what we are aiming for this year.
