# REAR COMMODORE

Ian Douglas

My apologies to anybody who was inconvenienced during my absence in June. Thanks to Kay Walker for getting the Lady Skipper's Race off and running and also Karl Kay for his help at the A.B.Y.C. volleyball game. I was extremely happy to see both Doug Tait and Jeff Douglas back to help Kay on the race committee. You have no idea what a burden this is every year.

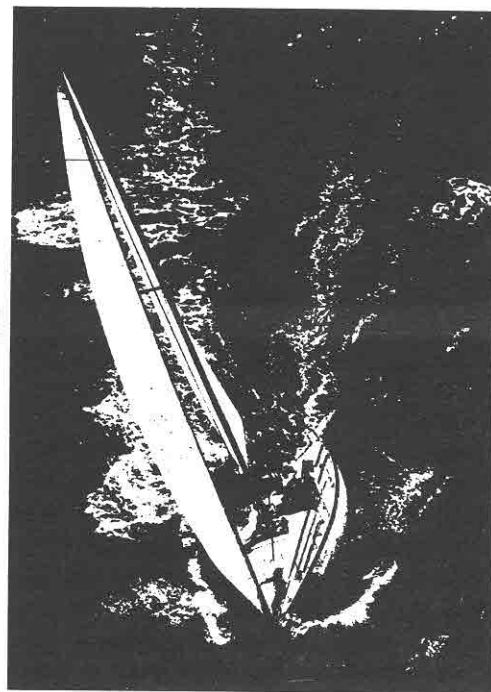

Once again we were blessed with good weather for our Regatta. It was particularly nice to see the Osprey out as a course laying boat on the one design course. Every time she does this it nets the club \$200.00. Attendance back at the club appeared down but George sold 250 dinner tickets, 12 more than last year. Fortunately no vandalism took place and yet another regatta party lasted until 3:00 A.M.

Unfortunately the following Sunday Mother Nature didn't supply us with much wind off Bluffers Park and the race had to be abandoned. I was very pleased at the turnout of Q.C.Y.C. boats.

There have been some comments that it was the least publicized event around. Although there wasn't a poster in "Queen" nor was there anything in the Clipper simply because I wasn't here to put in a submission, it was in our sailing program that was available since late May and it was also listed in the L.O.R.C. program. Now maybe not everybody is interested in the L.O.R.C. booklet but we spend \$500 - \$700 annually for our sailing programmes. There is a lot of information contained in them, not just for racers! Enough said.

Anyway the cruise race scheduled for August 12-13 will be made into our Centennial Cruise Race. The trophies that were purchased for the event will be awarded for this race. We will sail to a yet unselected port, stay the night and B.B.Q. and then sail back the next day. Port Dalhousie, Bronte and Fifty Point are some suggestions.

As has been the case in previous years, Q.C.Y.C. has a small but successful contingent that go out for the L.O.R.C. events. Here are their results so far.
