

QCYC Cruising Presents...

Niagara on the Lake Sailing Club

June 30 - July 2 (CanadaDay)

NOTLSC has always been one of our favourite destinations. Not only is it an opportunity to sail across the lake but this destination offers activities for every taste. Tour wineries, rent bikes, play golf, or there's the casino in Niagara Falls.

You can look forward to a cruisers social that takes place when we arrive in Niagara on Saturday.

For those interested, the Shaw has a show @ 8PM that evening. This

will be followed up with a gathering at a local pub.

On Sunday our co-ordinators will organize a brunch in town, followed by a winery tour. Fireworks from Fort George will help round out Canada Day.

Our cruise co-ordinators will be Paul Lehal and Kim Wade. Sign up online from the Cruising page of the QCYC website <http://qcyc.ca/cruising>.
