BOLAND AND MITCHELL THE BEST OF THE LOT

Between Them They Have Captured First Place in 90 Races.

TO PLAY THEIR MOUNTS

Betting on Them to Show Would Have Proven a Splendid System.

DIVISION OF PURSES

Twenty-nine Owners Won Upwards of $1,000 While 65 Have Taken $200 or More

New Orleans, Feb 8.—Boland and Mitchell are far ahead of the other jockeys in the number of winners ridden at the local track. The former leads with a margin of six mounts separating him from Mitchell. This pair, between them, rode nineteen of the thirty-six horses that won last week, besides being in the money a number of times. Both are riding in good form and their followers are getting the money. About as good a system as any to beat the races is to play both these boys to show in all the races they ride in. Ending Saturday there have been 304 races run, and Mitchell and Boland have ridden probably in 2.5 of them. Between them they have finished in the money 215 times and on the face of it it looks as though one would quit winner had he played both to show in every race. If the system-players look the dope up they can readily tell whether it would be profitable to follows these lads. The following list shows the standing of the jockeys riding at the Fair grounds:

ADVANCE GUARD SECOND IN MATCH

J. W. Brode, the Winner, Covered the Mile in 1.39½ at Oakland—Yellow Tail Was Last.

The match race at Oakland yesterday between Carruthers & Shield's Advance Guard, 8 to 5 (Bullman), J. W. Schorr's Y. W. Brode, 2 to 1 (Burns), and Fred Foster's Yellow Tail, 7 to 5 (Spencer), was won by Y. W. Brode. The winner carried 111 pounds and the other two 117 pounds each. Y. W. Brode ran the mile in 1.39 1-2 The purse was a sweepstakes of $250 a side, with $1,000 added.

At San Francisco on Wednesday Jockey Conley was suspended for a suspicious ride on Red Pirate.

Mr. T H Love of Montreal has bought the fast horse Maurice, aged, from William Barrick, and will make a steeplechaser of him. Maurice won the Toronto Cup in 1896, running the mile and a quarter in 2.14 1-2, with 129 pounds up. The same year he sent Toronto bettors home broke from Hamilton when Basso beat him in the mile and a half race.

The last shipment of Australian race horses to England included a curiosity in the shape of a thoroughbred colt 18 months old that is already 17 1-2 hands high.

Jockey Tommy Burns was reinstated by the California Jockey Club, but was given a heavy penalty. He can only ride for Schorr and Burns and Waterhouse until May 1st, and after that date for Schorr only until 1901. Burns considers it equivalent to a $10,000 fine, and horsemen here regard the sentence as excessive. Burns was set down for insubordination and a course of living that prevented him from doing justice to the owners who employed him.

The decision in the fourth race at New Orleans yesterday was roundly hissed, most of the spectators being confident that Trust Me had won, with Teeton second and Pat Garrett third. The judges, however, placed Garrett first. Azua, Judge Wardell and Sidney Lucas were the winning favorites. The track was heavy.

During the present month there will be an influx of li.. bettors, and naturally their presence will help the game at the Fair grounds. Rumor has it that Dave Gideon and Geo. E. Smith are due to arrive some day next week. Rod McMahon, the well-known owner and bookmaker, writes that he will be here next week McMahon comes here to book—New Orleans Times-Democrat.

William Lovell, a well-known turfman, is dead, at his residence in New York. Some twenty years ago he lost a wager of $75 000 to Pierre Lorillard, which is said to have been the biggest single bet ever made in racing circles Mr Lovell was at one time vice-president of the Coney Island Jockey Club, and was connected with several trotting associations.

Charles Kidd, the steeplechase jockey who was injured at New Orleans while schooling, At antus over the jumps, regained consciousness last Saturday night. The doctors at the hospital, after a thorough examination, found Kid suffering from an injury to his spine.

NOTES OF THE PLAYERS.

Draper of Providence is said to have made a direct promise to enter a team in the new association (opposition league) but when President Powers gave him a call, Draper said it was all off. McGraw is in Providence now, trying to induce Draper to make good his promise.

Wm. Stroud, the Hamilton baseball magnate, went to London yesterday, and won a shooting match at 100 live birds, for $100 a side, from W. W. Bates of Ridgetown, by a score of 85 to 81.

The Brooklyn Club has an offer to spend the practice season in Cuba. Hanlon is considering it.

Osgoode Hall will have a ball club this season. The law students should be able to put an exceptionally strong team on the field, Most of the crack Varsity players of the past three years are attending the Law school.

Pitcher Jack Taylor, who was with Cincinnati last year, died at New Brighton, Staten Island, on Wednesday, of Bright's disease.

Ted Lewis, who did such good work on the rubber for Boston the last year, may not play with the team this coming season. He has notified the baseball magnates that he intends to devote the remainder of his time to study.

Manager Billy Sharsig, of the Allentown, Pa., Atlantic League Club, recently signed Frank Delehanty to play with his team This makes the fifth member of the Delehanty brothers to become a professional ball player. First on the list, of course, is Ed. Delehanty, "the only Del," the mighty slugger of the Philadelphia National League Club. Then follows Joe, Jim and Tom, who have all made good records in the Atlantic League as batters and fielders. Frank, the latest to enter the field, completes the list to date. Tom played for Toronto in the Buckenburger days.

Frank Snyder, the Toronto ball player, who caught for Toronto parts of the season of 1897-8, and who was with the Reading (Pa.) Club last year, is in the city hospital at the last named place, as a result of injuries received while performing deeds of heroism at a factory fire. Snyder stood under the fire escape until the last of the girls had dropped. He broke the 15-foot fall of no less than eight of them, saving them from severe injuries. He was taken to the hospital suffering from severe shock. Snyder is well known throughout Ontario, as he played on a great number of teams, including such clubs as London, Guelph and Cobourg.

Very few persons realize how much McGraw is risking in joining the association. He was to have been sold by Hanlon and Company for $14,00. and, for a wonder, he was to get $7,000 of the purchase money. This, with a guaranteed salary of $5,000, would have given him $12,000 for this year; yet he threw that over his shoulder in order to become connected with the new organization

The St. Louis players will report on March 9.a month from to-day, and leave for Hot Springs March 10.

Col. Rogers of Philadelphia says the National league circuit committee will hold another meeting in the east next week. Will they again be equipped with false beards, dark lanterns and gum shoes?

All the National League magnates profess to believe that the American Association bubble has already burst.

Billy Barnie of the Hartford Eastern League team, confirms the story of McGraw, that the National League owners had made arrangements to turn over the Baltimore and Washington franchises to the Eastern League. McGraw's association scheme, however, knocked it on the head, so far as Baltimore was concerned. Barnie, the old association manager for so many years, was to have managed the Baltimore team in the Eastern league

There is a women's baseball team called The Bloomer Girls, touring in Louisiana.

Lush, Lynch and Leahy, the Eastern League ball players, have been refereeing polo games in the Connecticut League, but every town in the league is sore on the whole three of them At Meriden the other night Lush had to be escorted to the railway station by the police.

NILSSON WILL RETIRE.

Johnny Nilsson the champion short distance speed skater of the world will soon be on the retired list. On Saturday, just after he had won the second of the three races with Norval Baptie and was taking a rest in the dressing-rooms, Nilsson said:

"Well, I think I'll give up the game next year. I have been a champion now for five years. That's a pretty good record. Next year I'll give up speed competitions and go in for fancy skating exhibitions entirely." — Montreal Gazette.

COLLEGE HOCKEY FOR CHAMPIONSHIP.

Hitch Between Queen's and McGill for Intercollegiate Honors—Hockey News.

There is some squabbling at present about the title to the intercollegiate hockey championship of America. That title is at present held by the Queen's University team, of Kingston, the O.H.A. senior champions, which acquired it by defeating Yale, the champion of the United States. But McGill University, of Montreal, aspires to the honor, and accordingly a challenge from that team was recently sent to the Queen's players asking for two games and a guarantee of $100 to cover expenses.

But for some reason not made public this does not suit Queen's, and the offer has been declined. It was announced that if McGill wanted to come to Kingston to contest the championship it was privileged to do so, but that Queen's would name the terms. It seems that the $100 guarantee is the stumbling block. If the matches are played they will probably take place after the Stanley Cup matches.

EASTERN LEAGUE STANDING.

The standing of the senior clubs in the Canadian Amateur Hockey League is as follows:

	Won.	Lost.	Goals. Scored.	Scored Against.
Shamrock	4	0	31	13
Ottawa	3	1	17	17
Montreal	2	2	19	25

PROTEST "HOOKEY" DIXON.

Niagara Falls, Ont., Feb. 8—The Executive of the S O H A. held a meeting here this evening. St. Catharines, Niagara Falls, and Niagara-on-the-Lake were represented. The meeting was called to hear the charges preferred against the Welland club for playing ringers in their late match. The committee decided, on account of not being sufficient notice given Welland, the match to-morrow evening at Welland between Niagara Falls and Welland be postponed, and the Welland club be given an opportunity to clear its skirts of the charges preferred against them next Tuesday at St. Catharines, when the Executive meets. Despard, now of Buffalo, late of Toronto, "Hookey" Dixon, and Snell, two well-known Western Ontario players, are named in the charges.

PICKINGS FROM PUCK.

Capitals have been ordered to play Cornwall, at that place, on Monday night.

Simcoe and Stratford will play their game either to-morrow or Monday.

St. George's and London play their game in the intermediate series at London to-night.

The Wellingtons and Stratfords will meet early next week. The date has not been definitely decided.

The following team will represent the Parkdale Hockey Club in their game against Port Perry on Friday night: Goal, F. Mingay, point, W. Babe; cover-point, F. Patish; forwards, Jack Clemes (captain), H. Fraser, W. Winchester and H. Menzies.

Milton defeated Brampton by 11 goals to 8. The game was very exciting.

The Victoria team, of Winnipeg, is composed of Merritt, goal; Flett, cover-point; Johnstone, point, Campbell, Bain, Roxborough and Gingras, forwards, with R. Fortune, S. MacDonald and M. Flett as spare men.

Despard, of the Buffalo Iroquois team, who played goal with the T.R.C. seven last year, had his nose broken by attempting to stop a hot shot with his face while practising on Wednesday night.

Both Shamrocks, the holders, and Winnipeg Victorias, the challengers, will have a rest until the series of three games for the Stanley Cup, at Montreal, next week. The Winnipeggers are on their way to Montreal now. These games are to be played Monday, Wednesday and Friday, the winner of the two matches to be the holder of the cup for a year. The cup is emblematic of the championship of Canada. The Winnipeggers are a strong lot, and there is no little apprehension in Montreal that the cup will go West with the visitors when they leave for home after the matches.

Under the rules the club winning the Amateur League championship (beyond much doubt Crescents this year) is open to a challenge from the winners of any recognized amateur league in this country, the winning team in such challenge match to be the champions of the United States. In the event of no such challenge the winners of the A H L. series are the champions. No challenge is considered likely unless the Duquesne Athletic Club, of Pittsburg, aspires to the title —Brooklyn Eagle.

PUGILISTIC NOTES.

The United States amateur boxing championships will be held at the Broadway Athletic Club, New York, next Wednesday, Thursday and Saturday. Two Canadians, Jack Scholes, of Toronto, and Chris. Graham, of Peterborough, will compete.

Corbett and Jeffries will meet in San Francisco April 10th.

Prof. Joe Popp, the well-known boxing instructor, had a rib fractured while sparring with one of his pupils the other day, and his sons, Jim and Willie, are looking after his class of thirty odd pupils.

February 20th has been selected as the date for the benefit to George Dixon, in New York. Billy Roche, manager of George McFadden, has agreed that his man should meet Spike Sullivan at the benefit Spike has already signed articles

Emil Sanchez, the Cuban wonder, who has fought here, the night before last put out another ambitious unit artist in the person of Perry Queeman, of Chicago. The contest took place in Grand Rapids, and Sanchez won in twenty rounds

Corbett has signed a purse for a fight, solely padded, at place to the next May [illegible] The [illegible] delivered much [illegible] tion in the padding. Corbett practices at the post daily, and in this way is accustoming himself to the jar or a heavy blow at such a man as Jeffries.

Jack Scales, the British heavyweight, who boxed an exhibition bout with Jim Jeffries during the champion's trip through England, will meet Dick Burge to-night in a 20-round bout in London. Scales is looked upon as the best of the big fellows in England to-day, but this isn't saying much If he defeats Burge, Scales will visit this country in search of a match.

Casper Leon, who meets Jimmy Smith next week, arrived yesterday from New York, and spent the day resting after the tiresome night ride. He is staying with his friend, Mr. Frank Alt, at the St. Charles, and will do his indoor work at the Scholes gymnasium, boxing with Champion Jack, who leaves next Monday for the A.A.U. contests in New York. Jimmy Alcott has accepted Jack Roach's defi for the first bout of five rounds at 135 pounds, completing the Crescent A.C.'s big boxing program for February 17th, in the Bijou theatre.

George Siler, the celebrated Chicago referee, has notified Secretary Morrison, of the Ottawa Amateur Athletic Club, that he is willing to officiate at their tournament early in March. The C.A.A.U. states most positively Mr. Siler will not be allowed to act.

GENERAL SPORTING NOTES.

The Queen City Yacht Club will hold a progressive pedro party at their club house to-morrow, at 8 p. m. sharp Refreshments will be served during the evening. A cordial invitation is extended to the members' friends

In the Toronto League bowling last night Insurance lost to the Q. O. R., and are thereby tied for first place with the latter club. Liederkranz defeated the Highlanders, and T. R. C. lost to the Athenaeums

Tom Jenkins and Karra Osman, the Turk, were to have wrestled catch-as-catch-can style at Cleveland last night, best three out of five falls. Instead of a match, the Turk worked around the mat for an hour and a quarter and, after innumerable attempts to foul Jenkins, threw up his hands and gave the match to his opponent. There were 2,000 people in the gymnasium of the Cleveland Wheel Club to see the event, which was to have been for the championship of the world.

ON TICKET OF LEAVE.

Only Four Minor Offenders Have Been Paroled From Kingston Penitentiary.

(Special to The Toronto Star.)

Kingston, Feb. 9.—Warden Platt says that so far only four persons in the penitentiary have been permitted to leave under the Conditional Liberation Act, and they were only guilty of minor offences. The demand on the license of leave calling for frequent reporting to the county sheriffs will not be enforced, as the men have been restored to their former positions among friends. The ticket of leave system will be slowly introduced, but promises to do good.

TO GUARD AGAINST SMALLPOX.

Get Dr. Arnold's English Toxin Pills at N. C. Love & Co.'s.

Undoubtedly the great attraction in Yonge street at present is the uncommonly fine display in the windows of N. C. Love & Co's drug store, 169 Yonge street, a short distance below Queen. This artistic and unique display has won notice from most of the city newspapers, several of which gave extended descriptions of it yesterday. Certainly the display deserves favorable notice, and so, also, do the goods used in making the display, viz, Dr. Arnold's English Toxin Pills.

These world-famed pills are peculiar as being the only medicine made which cures disease by killing the germs that cause it. No other medicine made has worked so many complete and thorough cures. No other medicine has cured in such hopeless cases—cases that the doctors decided could only end in death. It is no wonder, therefore, that Dr. Arnold's English Toxin Pills are the favorite medicine in English-speaking countries to-day. They have been proved time after time to be the best—to be without an equal.

At the present time, when that dreadful disease smallpox is at our very doors, no man, woman nor child is safe unless Dr. Arnold's English Toxin Pills be used. This is so because these pills, and they only, can be absolutely relied upon to kill every disease germ in the human system. Smallpox, as we all know, is caused by germs. These germs must be killed and the poisons —or toxins—they create destroyed, or they kill their victim. Dr. Arnold's English Toxin Pills positively kill the germs of smallpox, as well as the germs of all other diseases.

This is the reason for the rush for Dr. Arnold's English Toxin Pills to N. C. Love & Co.'s drug store, and this rush has been without a precedent in the history of medicine. And everyone who got them got perfect satisfaction, too Try a box If you want to guard against smallpox, do not fail to use Dr. Arnold's English Toxin Pills, sold at N. C. Love & Co.'s drug store, 169 Yonge street, at 75c a box, sample size 25c a box, or sent postpaid on receipt of price by the Arnold Chemical Company, Limited, Canada Life Building, 42 King street west, Toronto.

MR. FOSTER TALKS TO JOURNALISTS

Tells Them They Have a Freedom Which it is Possible to Abuse—The Relations of Press and Public.

At the annual banquet of the Canadian Press Association, at the National Club, last night, President Dingman, in proposing the toast of "The Empire in Peace and War," said:

We have brushed aside all nostrums suggested by illusionists in connection with our so-called destiny, and for weal or for woe, have ranged ourselves alongside the great mother of nations. The colonies of Britain are sealing with their blood their union with the great champion of freedom, and joining to secure to the British-born in a remote quarter of the globe man's ordinary rights and privileges.

In proposing the toast of "The Canadian Press," Mr. J. S. Willison said:

It is a satisfaction to me to feel that on this occasion we can discuss the question that arise without making the question of loyalty a basis of controversy.

The relations of the press to the public men and the public life of the country, is a question of the first magnitude and of the first significance, and therefore I hope Mr. Foster will speak to us frankly.

Let him lecture, if he will, God knows most of us need it.

We do claim for the Canadian press that, with all its faults, it loves the country it serves.

As a news-gathering agency, it challenges comparison with any press in the world.

While it fights its political battles with vigor, at times perhaps with virulence, it treats the wide range of social and commercial and national questions which lie outside the field of party politics with a sense of responsibility, with a real patriotism.

The Hon. George E. Foster said:

I am an advocate for the fullest liberty of the press.

There may be great dangers in it —there undoubtedly are—but I would prefer to see the press as free as it can possibly be made, and I think it is so now in the Dominion of Canada.

Then I would like to see resting down upon the heart of every man who puts his pen on paper to write for the public, a sense that he has a freedom which it is possible to abuse, and which it is his high privilege to keep from abusing.

The newspaper is now the people's magazine.

It goes into every home, dropping its instilled instruction into the mind of the individual, and thus carving out his future career, and destiny, in the way of thought and action to a greater degree than any of us think.

The newspaper enables a public man to see himself as others see him, and causes him to ask the question whether he is really as bad as he is pointed.

The press might do a public man and the public life of the country much harm, on the principle of the old saying that if they give a dog a bad name they spoiled the dog.

To the Canadian newspapers credit is due for the great influence they have exerted in creating among the people of the Dominion, a love of Canada and of the Empire.

BULLET STOPPED A LONE HIGHWAYMAN.

He Was Well Dressed and Had $165 in His Pockets When He Was Killed.

Chicago, Feb. 9.—A lone robber, well dressed, with $165 in his pockets and with a ribbed silk mask to cover his features, was shot and killed in C. H. Woerner's Park Pavilion, West Madison street, late last night by Frank Barum, a lawyer, and Edward Sommerfeldt, the barkeeper, whom he tried to hold up and at whom he shot.

The dead robber was 38 years old, 5 feet 11 inches tall, weight 170 pounds, dark complexion, gray eyes, brown hair and moustache, streaked with gray. His hair was cut in football fashion. The letters "R. S." were marked on the dead man's linen.

AS RUBINSTEIN PLAYS.

Mark Hambourg the Wonderful Young Pianst to Play Here To-night.

Like all great pianists, Mark Hambourg has astonished the world at an early age. Though only twenty years of age the critics have proclaimed him as the Rubinstein of this new century, and have accorded him, in some respects, higher praise even than Paderewski. There is a well-known recitation entitled "How Rubinstein Played the Piano." At Association Hall this evening the public will hear this second Rubinstein, and will recall the sketch which has been so often heard.

HONG KO PRESIDES.

Toronto Chinese Form a Christian Endeavor Society at Cooke's Presbyterian Church.

A Christian Endeavor Society composed exclusively of Toronto Chinese has been organized at Cooke's Presbyterian Church, Queen st. east, by the pastor's wife, Mrs Patterson It consists of fourteen Oriental Christians, who have elected a staff of officers, of whom Hong-Ko is president. This unique branch of the Christian Endeavor movement is officially stated to be the first in Canada. It meets every Sunday evening before the regular service. Seven of the members of it are members of the church.

PARCELS TO THE SOLDIERS IN SOUTH AFRICA.

Mr. S. J. Sharp, western manager Elder, Dempster & Co., advises all parties who intend sending parcels to the soldiers in South Africa by the SS. Milwaukee to get them away not later than Saturday next, the 10th inst. Parcels delayed beyond that date will be sent forward by the SS. Monterey, the sailing date of which will be announced later.

A SURE THING IN FURS AT DINEENS'.

The terrific drop in War Eagle and Center Star is not regarded with as much favor by the public as the great drop in Dineens prices for choice furs. The specials in men's fur-lined overcoats, men's gauntlets and caps, and in sleigh robes at Dineens', are from 15 to 25 per cent. below their real worth, and a good buy to hold for the sure dividends in comfort they will afford next winter.

RAILWAYS NOT HAMPERED.
