TORONTOS WON THREE IN FOUR

Excellent Showing Made by Manager Barrow's Baseball Team.

WILLIAMS IN FINE FORM

Pitched Winning Games Against Both Springfield and Rochester.

Since the last previous issue of The Star the Toronto Ball Club has played four championship games, three of which have been won, a very creditable performance indeed. They concluded their eastern tour with two victories, making a total of 8 out of 12 games played. While this average is not as good as was expected, it is in reality fast class as compared with the other western teams, the three combined only equaling the Toronto record. Rochester won three, Montreal three and Syracuse two. That the club retains the loyal support of followers of the sport was evidenced by the two immense holiday crowds at Hanlan's Point, fully 8,000 people passing the turnstiles during the day. And such "rooting"! Captain-elect Carr had only to wave his arms windmill fashion and the fans would break into all sorts of noises, with the supposed intention of cheering the Torontos on to victory. The locals lost the morning game, a heavy hitting contest, and won in the afternoon in a pitchers' battle. The standing of the league is as follows:

	Won.	Lost.	P.C.
Providence	38	21	.644
Rochester	31	26	.544
Worcester	28	25	.528
Springfield	27	25	.509
Hartford	27	25	.509
Montreal	27	28	.490
Toronto	24	33	.421
Syracuse	21	36	.368

Word was received to-day from Toledo that the Toronto club's offer for Second Baseman Beck had been refused. President Strobel says the absence of Beck would break up his club, as he is the mainstay of the nine. He offers to let Toronto have him at the end of the season for $600. Rochester has also turned down an offer of $500 for Frank Bonner. For why? As soon as a good second baseman is found Louis Bruce will be put at shortstop permanently, a position he should fill with credit to himself and the club.

Syracuse has released Pitcher Suttkoff secured from Toronto in trade for Outfielder Henry Lynch. "Heine" is playing great ball for the locals, batting all kinds of ill-fortune pursued Suttkoff. Lynch will hold his position as one of the regular outfielders. Bobby Gay was in uniform yesterday, but did not play. He will be in the game for a week's time, and Jack Robinson, who has not been able to do himself justice on account of illness, will be given an opportunity to get a test.

"Count" Campau, the Vaudeville of the Eastern League, won the gold watch given as first prize in the baserunning competition before the morning game yesterday. Campau has been playing ball 19 years, and is the reputed owner of $12,000 in cash in a real bank. Between ball seasons the Count follows the races, being a short writer for a bookmaker, and what he earns that does he salt. He was one of the famous Detroit team of which Ned Hanlon, now with Brooklyn, was captain. In the base-running contest the competitors ran individually against the watch, the start being made from the batting box and time take from the time the ball was hit. Of course, all batted left hand. Campau says many years ago he ran 100 yards straightaway in 10 seconds flat, but he can't do it now. He also modestly says that 11 seconds is the world's record for running bases, but in this the Count is astray. Yesterday the times were: Messrs. George Carr and J. Duke McGarry, and the base judges Messrs. Thomas G. Soole, Ed Mack and Candee C. Campbell, with Manager Barrow and President Galt as general supervisors. The times taken were as follows.

	Seconds.
Campau	14 1-5
Bannon	14 1-2
Rothfuss	14 1-2
Smith	14 3-4
Lynch	15

The ball-throwing competition was also won by a Rochester player Billy Lush, who once wore a Toronto uniform, being the lucky man. He had a narrow escape, as "Pop" Williams, the Toronto pitcher, was only seven inches behind. The official measurers were Mr. Hall and President Sweeney of the Rochester club, who, with five other directors, witnessed the day's proceedings. The three longest throw were:

	Yards.	Inches.
Lush	122	6
Williams	121	11
Bannon	121	5

Schaub Carr, Smith and Householder also competed.

The familiar figure of "Wally" Taylor at second base was missed by the crowds at the games yesterday. Mike Doherty, who replaced him, did not impress the crowd very favorably, but it is difficult to judge of a player's ability on one day's play. However, it is understood that Doherty is not a fixture on the team, but is merely held until Manager Barrow secures a better man for the position. The new Bill Clymer, "Doc by Day Bill," as the players call him, is as much like the Bill Clymer of old as clay is like rock. Hark back to the olden days of Buffalo and Jack Rowe and see the Clymer that was, the gingery, agile, talkative, strong-armed outfielder, and take a look at the Clymer of the sedate, quiet-mannered but auburn-haired infielder with the farm. Clymer has been a management the change in demeanor has a copyrighted position at the bat, which cannot be described, but despite the absence of the old-time vim and dash Clymer is still a good ballplayer. He went on the coaching lines yesterday, and the difference between the old and the new was accentuated to a noticeable degree, as he has cut out his funny talk and spectacular performances on the lines.

It looks as if President Powers had at last secured another competent umpire for his staff in the person of Frank Dunn, who for the past three years has managed the Lancaster team. Dunn appeared here yesterday and made a most favorable impression. He is built on the Herman Doescher plan, renders decisions in trumpet tones, has a good level head and generally handles the game as if he thoroughly understands his business. Dunn replaces Sandy Griffin, who has been released, but not before he did incalculable injury to the Toronto club. Hunt will also be let go, as Mr. Powers has instructions to secure ex-National League Umpire Connolly.

BASEBALL BREVITIES.

—Pop Williams is pitching great ball these days.

—It is said that Syracuse will release Heidrick.

—The new uniforms of the Torontos are very nice, with maroon trimmings.

—Last Saturday's games beat Merritton in a Niagara league game by a score of 15 to 7.

—With perfect support behind Williams Rochester would not have scored yesterday afternoon.

—Al. McFarland says he hates Canadians worse than ever. What nationality is he? Plenty guesses.

—Lowell has outplayed Oshawa yesterday in a McCaul League game, the score at the close standing 5 to 3 in the visiting team's favor.

—Dunnville beat the St. Patrick A. C. team of Hamilton yesterday in a close game, 6 to 5. Ellis and Smith, Knox and Parry were the batteries.

—At Newmarket the St. Michael's team of the Intermediate League played a tie game with the home club, the score at the close being 9 to 9.

—The White Oaks journeyed to St. Catharines and defeated the Park Nine in a game yesterday by 11 to 6. The feature of the game was McWilliams' home run when three men were on the bases.

—The Clippers won Saturday's game from Park Nine 12 to 8, and are now tie with them for first place in the Toronto Senior League. St. Mary's beat Wellington 20 to 6. Athletics lead Intermediate League and National the Juveniles.

—Syracuse and Montreal broke even yesterday, the former winning in the morning 6 to 5 and the home team in the afternoon, 7 to 5. Hartford beat Providence 3 to 2 and Providence won from Worcester, 6 to 3.

—Hamilton won three games of ball yesterday from Saginaw by 4 to 3, 9 to 5 and 11 to 7. The losers only got 3 hits off Pittsinger in his game. London won two games from Port Huron, 19 to 3 and 7 to 1.

—The Crawfords added another victory to their list of wins by defeating the Bay to Bays in Barrie yesterday by 15 to 8. Batteries—Gilchrist, Burton and Lucky; Walker and Holland. The feature was the pitching of Walker for the winners.

—Dunphy won his own game at Rochester Sunday in the tenth with a home run over the short left field fence, with two men on bases. There were six hits altogether in the game, of which Rochester got four.

—Syracuse held Pittsburg down to 2 runs and 3 hits yesterday, but Boston was able to get a run, being only able to get one hit off Lewis's pitching. This is the record game of the National League season. Other scores were: Brooklyn 8, St. Louis 2; Chicago 6, Philadelphia 0; Cincinnati 9, New York 6.

—One of the Eastern Leagues rules is that no person but a manager and the players are to sit on the players' benches. President Galt of the Toronto Club was having a business talk with Manager Barrow yesterday, but, on complaint of Manager Lackenburger, Umpire Dunn had to request Mr. Galt to leave the field. As a result, "Buck" and his Rochester players had to pay their way back to the city, besides having to go through the crowded "pen" to get on the ferry. This will be their reward until the end of the season.

ERNE AND M'GOVERN TRAINING.

New York, July 3—Frank Erne and Terry McGovern have both started in to train for their fight July 16 before the Twentieth Century Athletic Club, Madison Square Garden. Erne has taken a cottage at East Haven, on the Shrewsbury. He will have to work hard to get to the required weight—118 pounds—at the time set at which he is to meet McGovern.

SPORTING MISCELLANY.

—Toronto-Rosedale cricketers won at Hamilton yesterday by 165 to 142.

—Granite bowlers defeated six Canada rinks yesterday—17 to 111.

—Harriston downed Palmerston at cricket yesterday in a single innings match by 125 to 31 runs.

TORONTOS SECOND IN LACROSSE RACE

Montreal Defeated at Rosedale in a Splendid Match.

CAPITALS LEAD LEAGUE

Tecumsehs Won the City Championship After a Very Rough Game.

There were three matches played in the Amateur Lacrosse Association of Canada yesterday, Toronto defeating Montreal 5 to 2, Capitals beating Nationals 7 to 4, and Shamrocks winning from Cornwall 3 to 1. This gives the Ottawa lacrossists a nice lead in the championship race, with the local club next in the running. Shamrocks and Montreal are tie, and Cornwall is at the foot of the list, the standing being as follows.

	Won.	Lost.	Goals For.	Goals Ag'st
Capitals	3	1	15	11
Toronto	3	1	11	10
Montreal	2	2	11	13
Shamrocks	2	2	16	11
Nationals	1	3	12	16
Cornwall	1	3	8	12

The 6,000 people who were at Rosedale yesterday witnessed a grand game between Toronto and Montreal. The visitors were fleet of foot and expert stickhandlers, but their knowledge of the science of the game was not as complete as that of their opponents. Clewes, who replaced Wheeler on the defence, figured in a stellar capacity. The other Toronto players were stiff and sore from the match with the Tecumseh slaughterers, but won on their merits. The teams and officials were:

Torontos (5): Goal, Hanley, point, Yorke; cover-point, Clewes; defence, McBride, Stewart, Lambe; center, Fred Moran; home, Frank Moran, Querrie, Orr; outside home, Murray, inside home, Greatrix; field captain, P. Knowles.

Montreals (2) Goal, Hamilton, point, Taylor; cover-point, W. Murphy; defence, Hames, Moore, McKerrow, center, W. Christmas, home, Dr. Irvine, Porteous, E. Christmas, outside home, Brown, inside home, Donnelly; field captain, "Mat" Murphy.

Referee—Mr. Charles Clendenning, Ottawa. Goal umpires—Frank McCallum, of Montreal and Fred Dixon, of Toronto. Time-keepers—T. Pettigrew, of Montreal, and R. J. Kearns, of Toronto.

Summary: First game, Montreal, scored by Donnelly, time 12 min; second game, Toronto, scored by Orr, time 5 min; third game, Toronto, scored by Querrie, time 12½ min; fourth game, Montreal, scored by Donnelly, time 10 min; fifth game, Toronto, scored by Frank Moran, time 6 min; sixth game, Toronto, scored by Frank Moran, time 4 min; seventh game, Toronto, scored by Querrie time 7 min.

At Cornwall yesterday the Shamrocks won from the home team for the third time in ten years. The Cornwall players were poorly trained, and the champions had the better of the argument all the way through. The game was rough, and many players were ruled off. The players and positions were:

Shamrocks (3) Goal, Quinn; point, Leslie; cover point, Howe; defence field, Finlayson, Smith and Kearns, center, Currie, home field, Nolan, Feeney, Hoobin; outside home, Brennan, inside home, Galley; captain, O'Connell; umpire, Birkett.

Cornwall (1): Goal, Hess; point, White; cover point, Cameron, defence field, Tobin, W. Broderick and Kervin, center, Degan; home field, Burns, Sands and Madden; outside home, J. Broderick; inside home, Allan, captain, O'Neil; umpire, Pollock.

Referee, Fred Chittick.

The Capitals defeated the Nationals at Ottawa by a score of 7 goals to 4. It was a keenly contested game, both teams playing good ball. The Capitals were greatly strengthened by O'Dougherty, Westwick and J. Powers. Powers scored 5 out of the Capitals' 7 goals. The teams:

Capitals (7) Hutton, goal; O'Dougherty; point, H. Ralph; cover point, F. Grimes, H. Robertson, J. Hinks, defence field; W. Starrs, center; H. Westwick, E. Murphy, P. Murphy, home field; J. Durkin, outside home; J. Powers, inside home, M. Egan, captain.

Nationals (4): L'Hereux, goal; J. Valois, point; C. Valois, cover point; J. Kavanagh, F. S. Aubin, C. Marcellin defence field; D. Brown, center; J. Cousineau, J. McKeown, C. Dade, home field; P. Prenner, outside home, W. Hendry, inside home, P. Brophy, captain.

Referee, C. Chitty, Montreal; umpires, L. Rubenstein, Montreal, P. Brennan, Ottawa.

The Tecumsehs won the city championship at Hanlan's Point on Saturday by 3 goals to 2 before 4,000 people. The match was rough, both sides offending, but the ultimate victors were usually the aggressors. Dr. Roberts of Brampton refereed the game, W. J. Stark, Stouffville, and F. C. Dixon, Toronto, were umpires, and Fred Thompson and Dick Kearns, time-keepers. The goals were scored in the following order: 1, Tecumseh, Kelly, 30 seconds; 2, Tecumseh, Wilkinson, 20 seconds; 3, Tecumseh, Wilkinson, 24 minutes 30 seconds; 4, Toronto, Querrie, 22 minutes 30 seconds; 5, Toronto, Querrie, 6 minutes. The Torontos outplayed their opponents for the greater portion of the time, but could not make up the advantage gained by the Indians in the first minute's play. Dr. Roberts said the better team was beaten. However, these are the players who won the city championship:

Goal, Dobbin;
Point, Dowling;
Cover point—Davis;
Defence Field—Grimes, Hagan, Angus
Center—O'Connor;
Home Field—Kelly, Wilkinson, Soules.
Outside—Lennox,
Inside—McDonald;
Captain—George Taylor.

CANADA'S NATIONAL GAME.

—Tecumsehs are city champions.

—In the return game at Rosedale Torontos will be a good bet.

—Montreal has a fast team and will be a factor in the race.

—The Capitals seemed to be invincible on their own grounds.

—There were 4,500 paid admissions at Rosedale yesterday.

—Outside home Dessie Brown is captain of the Montreal Hockey Club.

—W. Broderick played the entire game for Cornwall yesterday with a broken rib.

—Brantford will probably play the Tecumsehs at the Island next Saturday.

—At Seaforth the Excelsiors of Mitchell were beaten by the home team by a score of 12 to 6.

—At Paris the home team was defeated by Galt by 5 to 2. The winners had the scoring jack.

—The Shamrocks of Toronto Junction were beaten at Newmarket yesterday by 4 to 0. This is a sad blow to the Junction.

—George Wheeler has an eye in mourning from the Tecumseh game and Clewes replaced him at cover-point in the Montreal match. Clewes' work was simply great.

—The Torontos played Cornwall, Tecumsehs and Montreal in eight days, which is pretty nearly a record. They won two out of three and with any kind of luck, would have won the other.

—President F. W. Thompson of the Tecumsehs received the following telegram yesterday from Orangeville. "Tenderers send hearty congratulations on magnificent C. L. A. victory. (Signed) J. N. Fish."

—The Shamrocks usually manage to get a fresh player put on about the middle of every match. They worked it at Cornwall yesterday and gained a great advantage. Last year at Rosedale they did the same thing, one of their men shamming illness.

—At Brampton yesterday the Excelsiors defeated their old rivals, the Aetnas of Georgetown, in the first C. L. A. championship match by 9 to 0 and 20 minutes to spare. The Athletes of Brampton defeated the Credits of Glen Williams by 6 to 3 in a rough game.

ARGO JUNIOR FOUR THE BIG SURPISE

Came Nearly Making a Clean Sweep of Events in Their Class.

DETROIT WON SENIORS

The twenty-first annual regatta of the Canadian Association of Amateur Oarsmen and the seventh annual Dominion Day Regatta was held on the Bay yesterday morning and afternoon. The weather was perfect and favored the oarsmen. As a result there were some exciting races and creditable time. The Argonaut, R.C.Y.C., Toronto Canoe and other club houses and the wharves which gave a view of the events were packed with spectators, who cheered wildly as their favorites won. The greatest interest of the day centered around the successful struggle of the Detroit senior four against the Argonaut juniors, with T. Birchall as stroke. The Argonaut crew entered in the junior fours and won handily. They had a long rest, and then rowed against the Grand Trunk four in the intermediate finals. This race was a good one, but the Argonauts showed their superiority on the last half of the return journey. They pulled away from the Grand Trunk and won the race by two lengths in 3 minutes 22 2-5 seconds. Their prospects for defeating the Detroits seemed quite good, and when at 6 o'clock the Detroits, Argonauts, Dons and Joe Wright's Argonaut team started it looked as though Birchall's crew had the race. Unfortunately, the Detroit crew had a mishap and fouled with a rowboat at the turning buoy. A protest was entered, and the Argonauts and Detroits had a final tussle at 7.30 o'clock. This race was by far the most interesting and closely contested of the whole regatta. Both crews got away well together and kept perfectly even all the way to the turning buoy. The Argonauts had a trifle the best of the turn and pulled away about a foot in the lead. Both crews came down the final stretch so close together that the spectators in the club houses could not tell which had the advantage. But the Detroit crew had kept their form a little better than the Argonauts, and on the last furlong gradually obtained a slight lead, until at the finish they were ten feet to the good. Summary:

Junior fours—1, Argonaut No. 1 (R. F. Blair bow, J. R. Bantling 2, P. Hardisty 3, T. P. Birchall stroke), 2, Argonaut No. 2, 3, Detroit Boat Club, 4, Don No. 1, 5, Toronto; 6, Don No. 2. Time, 3 minutes 22 seconds.

Senior double—1, Don No. 1 (J. O'Connor bow, P. Kenny stroke). No other entries. Time, 11 minutes 59 2-5 seconds.

Intermediate singles—1, Argonaut (J. Eastwood), 2, Don (F. Ward). Time, 10 minutes 17 2-5 seconds. Won by a quarter of a length.

War canoe—1, Toronto No. 2; 2, Toronto No. 1. Time, 7 minutes 30 seconds. Won by several lengths.

Senior fours—1, Detroit Boat Club (J. F. Lyon bow, W. Mower 2, D. B. Duffield 3, H. N. Leonard stroke). Time, 9 minutes 55 2-5 seconds. Won by ten feet.

The officials were: Umpire, W. W. Osborne; starter, James Pearson, judge at finish, A. Boyd; judge at turn, J. Wilson; timers and scorers, S. P. Grant, F. E. Starke, Mr. Webster.

At the conclusion of the races the medals, banners and trophies were presented to the successful contestants in the Argonaut clubhouse. In the senior pair-oar race there were only two entries, and Dr. R. Mackenzie and Joe Wright of the Argonauts defeated F. W. Andrews and E. L. Warner of the Detroit Club in 10 minutes and 25 seconds. In the canoe fours the Toronto team, No. 3, made up of E. H. Richards, R. M. Brown, J. R. Gay and E. McNichol, won by a very narrow margin from Toronto team No. 1. Toronto's No. 3 [illegible] third and the Grand Trunks fo[illegible]. The time was 3 minutes 42 4-5 sec[illegible].

TORONTO YACHTS CLOSE TO WINNER

Five Finished in Rear of the Flight in Walker Cup Race.

MERRYTHOUGHT VICTOR

Queen's Cup Race "Probably Won" by Æmilius Jarvis' Cutter.

Five boats out of the first six to cross the finishing line in Burlington Bay in the F. K. Walker Cup race yesterday were Toronto skiffs, and yet the trophy remains with the Victoria Yacht Club of Hamilton.

Flight of the Victoria Club, a skiff which has been a very consistent performer during the past three years, starting in third place, finished 35 seconds ahead of Caprice of the Queen City Yacht Club.

The contest was one of the best ever held for the cup, as well as one of the most exciting skiff events which ever took place in a Lake Ontario port. There were 24 entries and 18 starters. The breeze was moderate and from the southeast, making the course a dead buck to the Smelting Works buoy and a beam run to the mark across the bay. The trip back to the club house also gave opportunity for the use of balloon canvas.

The start was very pretty. Twelve of the eighteen starters got around the flag in 18 seconds and the remaining six were close behind.

Caprice made a beautiful start a length in the lead of White Cap. Typhoon was third and Flight fourth, between the Parkdale boat and the club house. Rex of Hamilton ran White Cap of the Queen City Club down on the buoy and forced the white boat against the flag.

Halt the fleet held inshore on the port tack after they rounded, while another division went on a long stretch out into the bay on the starboard tack. Inside of five minutes the whole fleet had broken tacks, and it was almost impossible to tell which boat led.

Cakewalk, Sigma III and Caprice held to Flight and followed the Hamilton craft in all her tacks. The Flight gained steadily in working to windward, outpointing and outfooting the Toronto boats, who tried to hug her up to the mark, and led them around the buoy by nearly 100 yards. With a started sheet on the next run Caprice cut off some of the advantage the Hamilton boat had gained, and Cakewalk, Typhoon, Sigma and several others closed up with the leader. At the first buoy Flight's advantage was not more than 25 yards. Again the Hamilton skiff gained on the windward work and lost on the quartering run.

The last leg saw a beautiful struggle. Caprice left the rest of the Toronto fleet and on a lucky puff stole up on the Hamilton skiff inch by inch, foot by foot the Queen City boat overhauled Flight. Then she overlapped the Hamilton skiff and the Toronto crowd set up a shout. "Caprice! Caprice!" they shouted, "Come in my Caprice!" and it looked as if the Toronto boat would walk through the leaders' lee and win hands down. Then Flight caught the breeze and Caprice dropped astern. Another puff and the Toronto boat again improved its position, but luck was with the Hamilton boat. Flight secured the next puff and took a lead of 50 yards. When the slant struck the Queen City boat she commenced to chop down the lead, but before she got fully down to work Flight had passed the flag, a winner by 35 seconds. Had the buoy been 100 yards further inshore she would have brought the cup to Toronto.

There were many exciting features and some of the matches between rival Toronto and Hamilton skiffs back in the bunch were more interesting than the struggle for first position. Viva of the Parkdale Sailing Club stayed with the second division until the end of the first round, when, in rounding the buoy, Hustler of the Royal Canadian Yacht Club ran her down and wrecked her bow. Patterson stuck to the work until he found that the jib was lifting his deck and then he dropped out.

Sarah of the Victoria Yacht Club carried away her mast in a puff.

Britannia, owned by Frank Howard of the Parkdale Sailing Club, broke her main sheet and was forced to quit.

Do Do I. found the weather too heavy for her. She held on until the last leg of the second round, when the puffs sent her down to the cockpit, and she abandoned the race.

Solitaire of the Royal Hamilton Club, Ethel of the Victoria Yacht Club and Atlanta of the Royal Hamilton Club also dropped out of the contest. Typhoon of the Parkdale Club got off to a beautiful start and would have had a better look in at the finish but for the jockeying she got from a couple of Hamilton boats. One boat shoved here down below the second buoy and another forced her to go about to get rid of her. These manoeuvres lost her valuable time. Once away from the bunch the Parkdale boat pulled up rapidly and finished in fourth place. The start was at 3 o'clock. The finish was as follows:

Flight, J. Humphrey, V.Y.C	5.09.00
Caprice, R. Slee, Q.C.Y.C	5 09 35
Cakewalk, E. K. M. Wedd, R.C.Y.C.	5.10.55
Typhoon, Griffiths Bros, P.S.C	5 16 15
Sigma III., R. T. Cuff, R.C.Y.C.	5 17.20
Hustler, H. C. Strange, R.C.Y.C.	5 18 50
Sheila, T. H. Brown, R.H.Y.C	5.19.00
Sothis, F. E. Walker, V.Y.C.	5.19.00
White Cap, A. J. Phillips, Q.C.Y.C.	5 21.10
Kink, G. H. Burge, V.Y.C.	5.25.32
Rex, Wm. Buckingham, V.Y.C.	5.37.40

Flight, the winning, skiff, was designed and built by Wier of Hamilton in 1897. She won the cup in 1899. Sultana of Hamilton won last year, finishing only 1.35 seconds ahead of Caprice, which held second place yesterday. "I'm getting nearer every season," said Mr. Slee, the owner of Caprice, in the club house after the race. "Next season I'll have the cup." The Toronto boats towed back to Toronto last night.

Viva, Do Do I., Cakewalk, White Cap and Sigma III., which left Toronto in the storm Saturday, had a wild time of it, and all ran into Oakville with drenched crews. Some of the boats were half full of water.

MERRYTHOUGHT WON THE CUP.

The Royal Canadian Yacht Club's race for the Queen's Cup took place yesterday over a 15-mile triangle off the Island. The starters were Mr. Æmilius Jarvis' cutter Merrythought, Rear Commodore Peuchen's cutter Vreda and Commodore Gooderham's schooner Clorita. The wind was light from the southwest. Merrythought took the lead on the first leg to the west and was never headed. At the completion of the first round Merrythought was nearly four minutes in the lead. On the first leg of the second round Merrythought ran away from both Clorita and Vreda, and at one time was 10 minutes in the lead, but both Clorita and Vreda picked up a better breeze outside than the leader got and pulled up.

Merrythought finished at 5 16, her elapsed time being 7 hours and 1 minute. Clorita crossed the line at 5 19.35, having made the course in 7 hours 4 minutes and 35 seconds. Vreda's elapsed time was 7 hours 5 minutes and 40 seconds.

The race was a handicap, and whether Merrythought gets the cup or not was not decided by the judges, but it is probable that the trophy will go to her credit.

—Three rinks of Caer-Howell bowlers won from Thistles Saturday by 62 to 41.
