TORONTOS BEATEN IN A GREAT GAME

Capitals Won a Most Scientific Match by 3 Goals to 1.

TECUMSEHS BLANKED

Orangeville Dufferins Capture the C. L. A. Senio. Championship.

(Special to The Toronto Star.)

Ottawa, Aug. 27.—The Capitals, prospective champions of Canada, defeated the Queen City representatives on Saturday by 3 goals to 1. The game was unquestionably the best exhibition of Canada's national game seen here in the last two years. Many of the Capital supporters expected an easy walk-over for the Senators, but were forced to admit that it was fortunate for them that neither Her nor Murray was on the Toronto home.

The defence work of the Torontos was certainly the best seen here since the days of Quinn, Patterson, Devine, Carson and others of that famous Capital defence.

Best Defense In the League.

The most enthusiastic supporters of the Capitals admitted that the Queen City's defence demonstrated on Saturday that they were unquestionably the peers of any defence in the big league.

The feature of the game was undoubtedly Hanley's work in goal; it was almost superhuman. His work was the best ever seen here. Yorke also demonstrated that he could hold Johnny Powers. He played an almost perfect game at point, while Wheeler, Wales and Stewart ably maintained their reputations as defence players. Hugh Lamb was the star of the field, and outplayed Harry Westwick from start to finish.

Torontos' Weak Spot.

The Toronto home was their weak spot. They evinced considerable nervousness and showed lack of condition. They did remarkably well to score one goal, especially as they had never played together before. Little Frank Dixon showed up splendidly for his first appearance in senior company.

For the Capitals, Doherty, Ralph, and Grimes on the defence played the best game, while the two Murphys were conspicuous on the home.

The teams were as follows:

Capital (3).	Toronto (1).
Hutton	Goal	Hanley
Doherty	Point	Yorke
Ralph	Cover	Wheeler
Grimes	1st defence	Wales
Robertson	2nd defence	Stewart
Banks	3rd defence	Lambe
Starrs	Center	Moran
Butterworth	3rd home	Dixon
Westwick	2nd home	Querrie
E Murphy	1st home	Pringle
P Murphy	Outside	McLean
J Powers	Inside	Greatrix
Egan	Captain	Knowles

Referee—Wm. Leacey, of Cornwall. Timekeepers—Alf Blight and Carruthers. Umpires—Stewart and Rubenstein.

A Scientific Exhibition.

The Torontos had decidedly the best of the first game, and Capital supporters were considerably relieved when Pat Murphy scored.

The second game was the best exhibition of scientific lacrosse seen here this year, the passing and catching on both sides being highly spectacular. After 17 minutes' play Querrie got the ball, passed to Moran, who passed to McLean, who neatly dodged Ralph and scored.

The third game started with a rush on the Toronto goal, but was repulsed after some fine work by Yorke and Wheeler. The Capital goal had some very close calls. Fred Moran gave out at this juncture, and after a few minutes' rest was moved back to first home. This rather demoralized the Toronto home, who were never dangerous afterwards. Referee Leacey put Grimes, Starrs and Yorke to the fence for three minutes each in this game. Ed. Murphy scored for the Capitals after 20 minutes' play.

In the fourth game the play lagged considerably, both teams showing signs of distress from the intense heat and both had enough when Powers scored by a quick shot from the side. The match throughout was entirely free from any deliberate roughness, and the players evinced the best of good will towards each other.

Capitals Nice Treatment.

After supper the Capitals entertained the Torontos at the Grand Opera House, and after the performance both teams went down to the station in cabs provided by the Executive of the locals. At the station hearty cheers were given by the teams for each other. The Capital executive, as a further evidence of their good feeling, put a large hamper of good things on the train for the refreshment of the Torontos' inner man. Such treatment as this to visiting teams will no doubt raise the standard of the game, and will make the players forget any grievances that may have arisen during the match.

Shamrocks In Extra Time.

Montreal, Aug 27.—The Senior Lacrosse League match, played here Saturday, between the Cornwalls and Shamrocks, was uncommonly close, each team having won three games up to the call of time. Extra time was played, when the Shamrocks captured the seventh and the match.

The Teams.

Shamrocks (4)—Goal, Quinn; point, Leddy, cover, Hayes; defence, Finlayson, McBreatry, Smith, centre, Nolan; home field, Scanlan, Howard, Hoobin; outside home, Ward; inside home, Hoerner; captain, F. O'Connell.

Cornwall (3)—Goal, Hess; point, White; cover, Cameron, defence, Kervin, McMillan, Toulin, centre, Burns; home field, Black W. Broderick, J. Broderick, outside home, Madden; inside home, Allan; captain, Frank Lally.

Referee—Mr. Y. J. McKenna, Montreal.

AN EVEN BREAK AT ROCHESTER

Toronto Won on Saturday and Lost on Sunday by One Run.

MONTREAL LOST TWICE

Tail-Enders Took Two Games From the Canadians Rather Fasily.

Rochester, N.Y., Aug. 25.—Errors by Campau and Smith gave this afternoon's game to Toronto. McPartlin pitched well enough to win with good support. Duggleby, too, was very effective. Stupid plays by Rochester that do not show in the score were more expensive than Toronto's five errors. Score:

Rochester, Aug 26.—Rochester won another close game from Toronto at Ontario Beach to-day. The grounds were heavy, but the playing was unusually sharp, a throw to third by Lush which cut off the runner, being the feature. The score:

MARTIMAS WON THE FEATURE RACE

Mr. Seagram Also Turned Out a Winner on Saratoga's Last Day.

FUTURITY FOR WHITNEY

Ballyhoo Bey, With Tod Sloan Up, Won With Keene Entries Second.

Mr. Wm. Hendrie and his party from Hamilton were much disappointed on Wednesday last when Martimas was beaten in the big handicap at Saratoga, but on Saturday they had a chance to rejoice, as the Cantilemas colt won the feature race on the program on get-away day at Saratoga. He showed his mettle by beating Charentus, his conqueror of four days before. The race was run in exactly the same manner, but the Canadian colt was in better form and stayed when the question was asked in the run home to the wire, winning solely on his courage. This was his first victory this year on the metropolitan tracks, and singularly enough a hundred miles away, at Sheepshead Bay, about the same hour, the Futurity, the winning of which event in 1898 made Martimas famous, was being once more contested for.

The event in question was the Spencer Handicap, for 3-year-olds and upward. Charentus' race a few days ago caused the layers to make him an odds-on favorite. When the flag fell Charentus and Martimas went right to the front and they raced together to the stretch. In the last furlong Charentus appeared to have the race won, but he lost ground gradually and in a drive to the wire Martimas won by a head. Carruthers & Shields' Advance Guard was third and Bannockburn ran unplaced. The stake was valued at $5,000 and the mile and an eighth was run in 1.53½. The odds on Martimas were 4 to 1.

Mr. Seagram scored a victory in the opening event. This race was for 2-year-olds and was won easily by the favorite, Colchester. Punctual piloted the field to the stretch, where Colchester took the lead and won easily by 5 lengths from Guess Work. In the second race Bold Knight was the choice, with Fleuron next in demand. Godfrey went to the front in the stretch and beat Fleuron out by half a length. Two-year-olds also ran in the fourth race and this went to the favorite, Tammany Chief. He remained in second place while Waterplant made the running to the stretch. Tammany Chief then went to the front and won easily by three lengths from Cherished. Precursor, the choice in the closing race, was beaten by Althea and Specific. Precursor ran in the colors and name of C. Fleischmann's Sons, although it was stated that he had been purchased by Carruthers & Shields. Midget Jack Martin had the mount.

The thirteenth Futurity was run at Sheepshead Bay on Saturday and was won by W. C. Whitney's Ballyhoo Bey, with Olympian second and Tommy Atkins third. Tod Sloan, of international fame, rode the winner. He received $5,000 and all expenses of his recent trip from England. He handled his mount with consummate skill, but he never could have won if Ballyhoo Bey hadn't been much above the average. There were 12 starters, including three from the Keene and two from the Whitney stables. Fully 15,000 people saw the race and expressed great disgust when Sloan afterwards refused to follow precedent and ride in the floral chair. The race was well and truly run. The combined stable entries had the race to themselves all the way. Cap and Bells went out to make the pace, but could not shake Ballyhoo Bey off. Olympian, Tommy Atkins and Elkhorn were always close at hand. At the 5-furlong pole Ballyhoo Bey took command and Spencer eased up Cap and Bells. There was a great race to the wire. Sloan was riding desperately with whip and spur. Henry was also working hard on Olympian and for a few strides it was hard to tell which would stand the drive the better. Gradually, however, Sloan drew away with Ballyhoo Bey and, amidst the wildest enthusiasm, sent the game little colt across the finish line a length and a half before Olympian. Tommy Atkins was third, a length behind his stablemate, while five lengths away Sweet Lavender headed the balance of the tired field. Summary:

The Futurity, worth $32,839 to the winner, distance, 170 feet less than 6 furlongs:

W. C. Whitney's br c Ballyhoo Bey, by Kingston—Ballyhoo, 112 (T. Sloan) . . . 1

Time—1.10.

Betting—11 to 5 against Ballyhoo Bey and Elkhorn, coupled as W. C. Whitney's entry, 7 to 10 Olympian, Tommy Atkins and Cap and Bells, coupled as the Keene's entry; 15 to 1 Blues, 40 to 1 Sweet Lavender, 60 to 1 Belvino, 40 to 1 Golden Age, 40 to 1 All Green, 30 to 1 Lady of the Valley, 60 to 1 Tower of Candles.

Topics of the Turf.

—Jack Daly rode three winners at Detroit Saturday.

—Scott Harlan's recent purchase, Salve, won his third race for Mr. Harlan Saturday at Detroit.

—Zanone, Fly George, Amoroso, Hermencia, Gold Lack and Ennomia won purses at Detroit Saturday.

—Mr. Whitney paid $12,000 for Ballyhoo Bey as a yearling.

—Passe Partout, carrying 163 pounds, ran second to Frond, 125, at Chicago on Saturday in the steeplechase.

—Miss Soak won the mile race at Windsor Saturday. She was second choice. Zufallig won the steeplechase, with Sallust second and Lastfellow third.

—It seemed kind of hard that the Keene stable's best 2-year-old, Commando, could not compete in the Futurity. He and Ballyhoo Bey would have furnished a great race.

—Judge Burke will be the presiding official at the new Kinloch Park, St. Louis, which is just about ready for opening.

—Dr. Smith's yearling filly by Pirate of Penzance—Raybelle, sister to Sea Robber, arrived from Kentucky last week in company with the Longlight—Rathleen filly, a half-sister to Rathlin.

BEAVER AGAIN LEADS MINOTA

Little Doubt But That She Will Race for the Fisher Cup.

SAILING ON SATURDAY

Plenty of Good Races on the Bay With Wind Good Prevailing.

The Royal Canadian Yacht Club had a very busy afternoon Saturday. There were four races. The breeze blew decidedly fresh from the south-east and made every race a hot contest from start to finish.

In the 30-foot class the two old rivals, the Sylvia and the Wona, started. Sylvia was a minute late in starting, but she overhauled Wona on the trip around the Island and won by a good margin. The boats crammed on every stitch of canvas coming down the Island shore to the western gap, and when they rushed across the line they both seemed buried in a smother of foam. The men at the jib sheets on both boats were drenched from head to heels and the rest of the crew were none too dry.

The Beaver and Minota sailed another fisher Cup trial. Both boats went out under reefs, but shook them out half way around the course.

Beaver as usual refused to go under further than the rail, while the water ran across Minota's decks half way to the cockpit. Beaver won easily.

In the 22-foot class Frou-Frou showed herself to be "good money" in the heavy weather, though she is a little shy of canvas for a drifting match.

The start of this race was rendered doubly interesting by the adventure of one of the Merlin's crew, who slipped overboard while the craft was rounding the buoy. The Merlin lost about three minutes in picking him up. The Aleda sailed a good race, but in the blow could not hold Frou-Frou.

The 16-ft class brought out six starters, Whitecap, Hustler, Sigma III., Caprice, Cakewalk and Whitewing. Whitecap, A. J. Phillips' little white beauty, was the only one of the six to carry full canvas and in the puffs Phillips showed himself to be a competent skiff handler, and by his quick work with the stick kept Whitecap right side up. Eddie Webb with Cakewalk was the only one in the hunt with Whitecap after the race started. Whitecap went to the front at once and won as she pleased. Hustler parted a stay and had to quit soon after the start. The time:

—30-Foot Class—

	Start.	Finish.	Elapsed.
Sylvia	3.00	4.54.45	1.54.45
Wona	3.00	4.55.40	1.55.40

Sylvia wins by 3 mins. 55 secs.

—22-Foot Class—

	Start.	Finish.	Elapsed.
Frou Frou	3.05	4.24.30	1.19.30
Aleda	3.05	4.30.05	1.25.05
Merlin	3.05	4.37.35	1.32.35

Frou Frou wins by 5 mins. 35 secs.

—16-Foot Class—

	Start.	Finish.	Elapsed.
Whitecap	3.10	4.22.30	1.12.30
Cakewalk	3.10	4.27.43	1.17.43
Caprice	3.10	4.33.41	1.23.41
Sigma III	3.10	4.33.45	1.23.45
Whistlewing	3.10	4.37.06	1.26.06

The Whitecap wins by 5 mins. 13 secs.

At the Queen City Yacht Club In-It and Falcon made a good race in the 17-foot class. There were four starters, the other two being Nereid and May Fly, both of which broke down. Falcon is an Ackroyd boat and could not hope to hold old In-It in any other weather but a half gale. The time:

	Start.	Finish.	Elapsed.
In-It	2.45	4.28.57	1.43.52
Falcon	2.45	4.31.57	1.46.52
Nereid	2.45	Disabled.	
May Fly	2.45	Disabled.	

Although the judges have not awarded their decision in the Fisher Cup trials, there is no doubt that Beaver will meet Genesee for the trophy. Beaver is the better heavy weather boat and the probabilities are that the weather will be heavy during the cup races.

G. E. Macrae will be the R. C. Y. C. representative on board Genesee during the race and Mr. Gray will be the R. C. Y. C. judge. The Rochester Yacht Club has also appointed a judge, A. H. Pritchard, and the two will select a third.

NEWSPAPER MEN AT CRICKET.

Toronto Press Club Won Easily at Georgetown—Parkdale and Philidelphia.

The Toronto Press Cricket Club played at Georgetown on Saturday afternoon and won by an innings and 44 runs. The town team was weaker than usual, but rather than disappoint the visitors filled the gaps and played the game. The newspaper men scored 69 runs, of which J. T. Clark made 31 not out, and J. E. Hall 16. The Georgetown eleven were all out for the remarkable score of 5 runs, and following on were again retired for 20. This was largely due to the bowling of D. Gregory and H. Boultbee, the former of whom got 7 wickets for 2 runs. The wicket-keeping of S. T. Woods for the pressmen was a great surprise, he standing over the wickets and taking the ball in a way not surpassed by any receiver now playing. It was twenty years ago that he played with the Belleville team. The fielding of the pressmen was very sharp and catches were taken by J. A. Cooper, H. F. Gadsby, A. N. Garrett, H. Jackson, W. A. Hewitt and others. For the losers Rev. E. A. Verey in the second innings scored 11 and Bradley 6.

After the game the newspaper men were entertained at dinner by Mr. and Mrs. W. A. Fraser and enjoyed a pleasant evening. The outing was an A 1 success and the Press C. C. will make other trips.

The fifth century made in Canadian cricket this season was scored by H. S. Collins for Woodbine in the match against Orillia on Friday.

Toronto-Rosedale and St. Alban's played a very interesting game at St. Alban's on Saturday, which resulted in a draw, rather in favor of the home club, for whom Cameron played a dashing, hard-hit innings of 59. The score stood 150 for Toronto-Rosedale and 134 for St. Alban's, with only 7 wickets gone.

One of the most important cricket fixtures of the year will be that between Parkdale and the touring Philadelphia team at Rosedale to-morrow. The Parkdale team has been selected as follows: A. G. Chambers, F. S. Chambers, C. Lightfoot, R. O. McCulloch, C. Gray, C. Leigh, A. P. Reid, J. T. Clark, A. Van-Dyke, H. Lucas, W. E. Dean. Parkdale won from Woodbine on Saturday by 53 to 29.

TORONTO'S ROAD CYCLISTS.

Royal Canadians Again Won the Dunlop Trophy Race at Montreal.

Montreal, Aug. 25.—The bicycle race for the Dunlop trophy took place at Queen's Park to-day. There were four entries, namely, P.A.A.A., of Montreal, Royal Canadian Bicycle Club of Toronto, St. George Bicycle Club of Quebec and Montagnard Bicycle Club of Montreal. The race was started off the Queen's Park track, the teams leaving the park immediately after the start was made. The riders took the lower Lachine road as far as the locks, then returned to the park, where they completed the race of fifteen miles. They finished in the following order:—

Royal Canadians of Toronto first, with 31 points.
The Point A. A. A. second, with 40 points.
St. George B. C. of Quebec third, with 36 points.
The Montagnard B. C. of Montreal fourth, with 25 points.

The time of the first three men was: Tuff, P.A.A.A., 43 minutes 11 seconds. 1; Bert Elliott, Royal Canadians, Toronto, second, 43 minutes 11 2-5 seconds. B. Mitchell, Royal Canadians, Toronto, third, 43 minutes 11 3-5 seconds. The trophy and the three gold medals go to the Royal Canadians. The individual prize for the first man, a bicycle manufactured by the C. M. & C. Co., goes to Walter Tuff, as well as the silver cup to the first man on their make of wheel. The prize for the first man on Dunlop tires goes to Roy of the Quebec team. In addition the P.A.A.A. gave individual prizes to the three first men of their team to finish. These went to Tuff, Hoffman and W. H. Tarte. The race proved to be most exciting, as keen interest was manifested in the result.

The Royal Canadians, though they won the trophy, had several cases of hard luck with individuals, but for which their score would have looked even better than it does. W. Vennels punctured a tire going out of the gate and had to ride this way for a considerable distance before he secured another wheel and eventually broke the sprocket of that one. Geo. Abbott fell coming in the gate when it looked as if he would surely finish in front. The Royal Canadians are now the permanent holders of the trophy, and they have won all the Dunlop trophies, three in number, that have been offered for competition.

Junction Road Race.

In the Carlton road race over a ten-mile course, finishing at the Heydon House, Toronto Junction, on Saturday, the riders came in in the following order: First, O. Holden; 2nd, C. Robinson; 3rd, J. Smith, 4th, W. Morton, 5th, B. Denison, 6th, A. Mould, 7th, R. Vance, 8th, W. Baker, 9th, C. Krause. The time prize was won by J. Smith, with W. Morton second.

Three Dunlop Trophies.

The Royal Canadian Bicycle Club riders again proved that they are the fastest road riders in Canada by winning the Dunlop Trophy at Montreal on Saturday. This trophy, like all other Dunlop trophies, must be won twice in succession or three times in all. By winning this year the trophy now becomes the property of the R.C.B.C., they having finished first in this road race last year, when they beat all comers, including the crack American team. The club now has three beautiful Dunlop trophies adorning their parlors.

CANADA RINK VICTORIOUS.

R.C.Y.C. Defeated In the Decisive Match For the Association Series of the C.B.A.

The Canada Club now have to their credit a victory in the Association series of the Ontario Bowling Association.

It will be remembered that at the tournament of the Association at Niagara-on-the Lake G. B. Woods' rink of the Canada Club and A. F. Jones' rink of the Royal Canadian Yacht Club won their way through to the finals. The decisive match was postponed, however, on account of the inability of Mr. Jones' rink to remain at Niagara. On Saturday the rinks got together and played it off on the Granite lawn—neutral grounds. The game was most exciting, the score being a tie on the 17th end and the Canada's winning on the last shot. The score:

Canada		R. C. Y. C.	
W. W. Woods		H. Munts	
S. Jones		J. Johnson	
Dr. Henwood		T. F. Ellis	
G. B. Woods, sk.	11	A. Jones, sk.	12

Another Win For Granites.

The Granites and Canadas played a friendly game Saturday afternoon on the latter's green. The score is as follows:
