WORLD'S RECORD FOR CHARENTUS

Imp Beaten in a Mile and a Quarter Race Run in 2.04 Flat.

OHNET IS OWNED HERE

M. J. Maloney Bought the Colt Saturday and Has Won Two Races Already.

New York, Oct. 22.—A big crowd turned out for the opening day's racing of the inaugural meeting of the Empire City Jockey Club at Yonkers to-day. The track was lightning fast, a new world's record for a mile and a quarter over a circular track of 2.04 being hung up by Charentus in the Empire City Handicap. This race was the feature of the day. Seven horses faced the starter, with Imp the favorite at 8 to 5, and Decanter second choice at 7 to 2. They were off on the first break to a good start, and Imp and Potente made the running head and head for a mile, when Imp drew away and showed the way around the far turn and into the stretch by an open length. Potente dropped back beaten, and Decanter and Charentus challenged. The latter gradually crept up to even terms with the mare at the last furlong pole, and a hard drive to the wire followed, Charentus winning by a short head. Pink Coat raced through in the stretch and took show money, a length behind Imp. The Woodlawn Handicap, the other fixture, went to an outside, Chuctanunda. He led all the way and won by a neck from Gold Heels, with the favorite Glennellie far back in the ruck. The other winners were Kamara in the first, Pride in the second, Intrusive in the fifth and Spark in the last race.

Fourth Race—Empire City Handicap; 1¼ miles—Charentus, 106 (Shaw), 7 to 1 and 5 to 2, 1; Imp, 124 (O'Connor), 8 to 5 and 3 to 5, 2; Pink Coat, 105 (Odom), 10 to 1 and 4 to 1, 3. Time, 2.04. Decanter, Belle of Troy, King Barleycorn and Potente also ran.

It was an all-aged event at a mile and the two-year-olds Robert Waddell and William Ack were tangup with him at the finish, the mile being run in 1.40. McEACHREN GOT THE MONEY.

Toronto Cyclist Defeated a Number of Well-Known Cyclists at Vallsburg, N.J.

New York, Oct. 22.—Two cyclists, more noted as endurance riders than as sprinters, neatly executed a coup in a field of 19 competitors at Vallsburg, N.J., yesterday and carried off more than $200 in prize money. Three of the fastest track men in the country, who had formed a combination to perform a similar feat, were beaten at their own game, and fared but poorly in the prize list.

"Archie" McEachren and Oscar Aaronson were the successful team, while the combination that failed was composed of Frank Kramer, R. Walthour and Charles Hadfield. The race was for professionals at 25 miles. Cash awards of $1 to leaders at each quarter-mile, and $10 to leaders at each 5 miles were productive of a lively struggle, and fast time throughout. Four thousand spectators were kept in a high state of excitement for the hour that the contest lasted.

McEachren, besides taking the first prize of $100, also won $25 in lap prizes. Aaronson's prizes netted him $80. Kramer beat Ross and Collett in a close finish for third, the other two crossing the line in that order. Summary:

REWARD OF MERIT.

A New Catarrh Cure Secures National Popularity in Less Than One Year.

Throughout a great nation of eighty million it is a desperate struggle to secure even a recognition for a new article to say nothing of achieving popular favor, and yet within one year Stuart's Catarrh Tablets, the new catarrh cure, has met with such success that to-day it can be found in every drug store throughout the United States and Canada.

To be sure, a large amount of advertising was necessary in the first instance to bring the remedy to the attention of the public, but every one familiar with the subject knows that advertising alone never made any article permanently successful. It must have in addition absolute, undeniable merit, and this the new catarrh cure certainly possesses in a marked degree.

Physicians, who formerly depended upon inhalers, sprays and local washes or ointments now use Stuart's Catarrh Tablets because, as one of the most prominent stated, these tablets contain in pleasant, convenient form all the really efficient catarrh remedies, such as red gum, Guaiacol, Eucalyptol, and Sanguinaria.

They contain no cocaine nor opiate, and are given to little children with entire safety and benefit.

Dr. J. J. Rettiger, of Covington, Ky., says: I suffered from catarrh in my head and throat every fall, with stoppage of the nose and irritation in the throat affecting my voice and often extending to the stomach, causing catarrh of the stomach. I bought a fifty cent package of Stuart's Catarrh Tablets at my druggist's, carle them in my pocket and used them faithfully, and th way in which they cleared my head and throat was certainly remarkable. I had no catarrh last winter and spring, and consider myself entirely free from any catarrhal trouble.

Mrs. Jerome Ellison, of Wheeling, W.Va., writes: I suffered from catarrh nearly my whole life and last winter my two children also suffered from catarrhal colds and sore throat so much they were out of school a large portion of the winter. My brother who was cured of catarrhal deafness by using Stuart's Catarrh Tablets urged me to try them so much that I did so and am truly thankful for what they have done for myself and my children. I always keep a box of the tablets in the house and at the first appearance of a cold or sore throat we nip it in the bud and catarrh is no longer a household affliction with us.

HAMILTON HAS GONE ON STRIKE

At a Meeting Last Night the Tigers Decided to Leave the O.R.F.U.

VERY FLIMSY EXCUSES

Unsportsmanlike Action of the Ambitious City Rugbyists.

Hamilton, Oct. 22.—At a meeting of the Hamilton Rugby Club, held here tonight, it was unanimously decided to withdraw at once from the Ontario Rugby Football Union, and Ottawa was notified that next Saturday's game here is off.

The club claims that it has been unfairly treated in the appointment of officials, the most of them having been Toronto men. In the two games between the Argonauts and the Tigers, Toronto referees and umpires were appointed in both games.

There was a strong objection also registered against the personnel of the Executive Committee of the Union, some of the members not being representative of the clubs in the Union.

UNSPORTSMANLIKE TO QUIT.

Yesterday's Hamilton Post contained this doleful article:

"Saturday was a lonely day in Hamilton without a match, but nevertheless a number of enthusiasts visited the grounds and watched the seniors and intermediates at play. The boys showed no lack of interest in their work and the practice was a good one. The club justly feel a certain amount of disgust for the Ontario Rugby Football Union and threaten to withdraw from it. The Tigers have always had shabby usage from the Union, despite the fact that they have been its main support. The appointment of Toronto officials for the Thanksgiving game was another slap at the local team, and management, as they had in good time suggested three men, either of whom would have made a competent official, but, of course, non-residents of Toronto. This week a meeting will be held to determine what action the local club will take in the matter, and there is a rumor afloat that the Tigers will support the O.R.F.U. no longer. Whatever course the club feels in duty bound to take, should be deferred until the end of the season, in order to leave no opening for accusations of unsportsmanlike conduct."

KICKS BY THE KICKERS.

—Kuntz, Ottawa II. center scrimmager, weighs 256 pounds.

—Varsity's splendid center half-back, Baldwin, is a product of Bishop Ridley College.

—The Tigers are quitters.

—"We are seven—ahead," gloat Varsity men.

—These constant complaints about the scrimmage would be obviated by the snap-back system.

—The Ottawa Citizen praises the work of D'Arcy McGee at half-back and Hutton at full back.

—Varsity men claim that their scrimmage is perfectly legal. It is if you don't care what you say.

—The St. Mary's players are requested to turn out in force to-night to get in shape for Saturday's game.

—Chadwick will likely play on the Argonaut wing line on Saturday. Langton will also be in his place.

—"Chaucer" Elliott played at Ottawa on Saturday. He had not been officially notified of his suspension.

—Taylor, of last year's Toronto team, who is one of London's half-back trio, is a good player, but he did not shine Saturday.

—The wet weather interfered with the Argonaut and Varsity practices yesterday. And yet it has been known to rain on match days.

—St. Mary's and Torontos will play at Rosedale on Saturday for the "intermediate city championship." What about Argonaut II.?

—The final game for the O.R.F.U. intermediate championship will be played at London on Saturday, Peterboro and London being the pair left.

—Hamilton's default to Ottawa City makes it imperative upon Argonauts to defeat Granites in Kingston, else the championship dream will be exploded.

—Foster, who plays quarter for St. Mary's is one of the most aggressive young players in the Rugby ranks in Toronto. He is a wonder at bucking the line.

—Varsity loses a good half-back in Feather Aylesworth, who is suffering from blood poisoning. Stratton, the mammoth punter, will take his place on the team.

—E. S. Glassco, who refereed the London-Ottawa game on Saturday, told Secretary McMurrich yesterday that he intended sending in a report against Kuntz of the Ottawa team.

—The Limestones have protested their game against Queen's Juniors, claiming the students had three men on the team that had played in the intermediate series of the Intercollegiate Union.

—The most exhilarating feature of Saturday's Varsity-Argonaut game was the dash, quickness and alertness of the victors. Theirs not to reason why, they simply played football all the time, and showed it.

—Captain Ripley is a first-class quarter-back and should play that position, as there are enough men available for the wing line. On Saturday he bucked the line for gains, changing the play from one end of the field to the other.

—A Toronto man who saw Brockville play Britannias and Montreal, says that both Argonauts and Varsity can beat the coming Quebec champions. He says they are very slow-moving and inaccurate behind the line.

—Vice-President Morgan Shaw of the Ontario Union, who is also President of the Kingston Granites, states that Elliott did put in a defence to the charges made against him, although it was given out that such was not the case.

—The Varsity management is making a strong effort to induce Percy Biggs to play the season out. His parents are opposed to him playing, and it was only on condition that he would not play again that he was allowed to jump into the game on Saturday.

—Whenever the Varsity team drew near the Argonaut goal on Saturday and their opponents had the ball the three half-backs went up on the line and left Beale to look after any punts that could be made by the oarsmen's halves. It was a daring play and worked successfully.

—Switzer, who played on Ottawa II. wing line at Rosedale Saturday, is a South African veteran, who was invalided home with muscular rheumatism. He says he is none the worse for his game with the Boers. He says when he left the score was Britain 99, Boers 6.

—A friendly game of Association football was played on Saturday between the teams representing the D. McCall Company, Limited, and G. Goulding & Sons, on old Upper Canada College grounds. Goulding's won by 2 goals to 1.

—An excursion will be run in connection with the Argonaut-Granite game in Kingston Saturday next. The Oarsmen have secured a rate of $2.45, good to return not later than October 29. Tickets may be had at any office of the G.T.R. or from any member of the football committee.

A Terrible Cough.

If people would only treat coughs and colds in time with Dr. Wood's Norway Pine Syrup, there would be fewer homes desolate.

The severest coughs and colds, bronchitis and croup, and the first stages of consumption yield readily to this powerful, lung-healing remedy.

Read what Mrs. Thos. Carter, Northport, Ont., says: "I caught a severe cold, which settled on my throat and lungs, so that I could scarcely speak above a whisper. I also had a terrible cough which my friends thought would send me to my grave. I tried different remedies but all failed to do me any good until I took Dr. Wood's Norway Pine Syrup, and the contents of one bottle completely cured me."

WORCESTER CLUB MUST PAY.

Judgment Given in Favor of London For Breach of Contract—McGinty Has Retired.

London Oct. 22.—The action brought by the London Baseball Club against the Worcester, Mass., club for damages for breach of contract was disposed of by Judge Edward Elliott to-day, judgment being given for plaintiffs for $150 and costs. The case was set for hearing on Oct. 2, but defence was not ready to proceed then, and a three weeks' adjournment was granted on condition that defendants pay the costs of the delay, amounting to $28, within ten days. They failed to do so, and this morning Judge Elliott was called on to assess the damages. The London Club asked $200.

DOWN GOES JOE McGINTY.

Springfield, Ill., Oct. 21.—Joe McGinty, which, he says, is correct spelling of his name, the great pitcher of the Brooklyn Baseball Club, has decided to retire from baseball permanently, and will leave Monday for McAlester, I.T., where he will join his family and engage in the foundry business. McGinty loaned the Pittsburg Cup, presented to him at Pittsburg, to the Brooklyn Club to take with them as an advertisement on the trip to Cuba.

SOUTHERN LEAGUE REVIVED.

Birmingham, Ala., Oct. 22.—The Southern Association of Baseball Clubs was organized here Saturday. Franchises were granted to six cities, with applications from others, from which two will be selected to complete an eight-club league. The following cities were represented: Chattanooga, Nashville, Memphis, Shreveport, New Orleans and Birmingham. The following officers were named: President, secretary and treasurer, R. W. Kent, Chattanooga; vice-president, W. J. Boles, Birmingham. The organization will ask the protection of the National League, under class B. Franchises were granted to all the cities represented, while the applications of Atlanta, Little Rock, Mobile and Montgomery were referred to the officers to report with recommendations at the next meeting.

JIM POP WAS DEFEATED.

Art Simmons, of Akron, Ohio, Secured the Decision Over the Toronto Man in 20 Rounds.

—If the real Terry McGovern ever saw "Buffalo Terry McGovern" work he would quit the ring forever.

—Said a local boxer to-day: "Did you ever know it otherwise? Every well-touted boxer from Buffalo has turned out to be a lobster. That town has certainly got a lot of dead ones."

—At Ottawa Friday night Alf Allen defeated Fred Wyatt in the fourteenth round of what was to have been a fifteen-round bout, after one of the best and fastest mills ever seen in Ottawa. Wyatt had Allen take the count in the sixth. Wyatt took the count in the tenth and in the fourteenth his seconds threw up the sponge. Sam Cassidy was referee.

—Mr. W. C. Kelly abuses Deputy Chief Stewart in the columns of the Buffalo Courier for stopping the McClelland-Leonard bout. Mr. Kelly should turn the vials of his wrath upon his protege, Leonard, who deliberately fouled to have the affair stopped. Leonard's manager is making a bold bluff about another meeting with McClelland, and the latter is willing to accommodate, but it is doubtful if Leonard wants any more of the Pittsburger game.

—Akron, Ohio, Oct. 23.—Art Simms of this city got the decision over Jim Popp of Toronto, the Canadian lightweight, in this city last night. Popp was the taller, and heavier by eight or ten pounds, and was not in as fit condition as was Simms. Simms did most of the leading and landed by far the more blows, but Popp hit the harder. At no time was either man in great distress and no knockdown was scored. Eddie McBride of Buffalo was referee, and the fight went the full limit of 20 rounds. Simms and Popp fought for 50 per cent. of the receipts.

SPORTING MISCELLANY.

—Queen's expects to beat Varsity here on Saturday.

—Copper Cliff won the lacrosse championship of Nipissing and Algoma by defeating Sudbury by 2 goals to 1.

—Luke Burke, the Lowell, Mass., boxer, who was to have appeared at the Bijou Theater Saturday, is supposed to have been killed near Sarnia while beating his way to Toronto. He was hard up.

—"Kid" McCoy is said to have left New York for England as a "welcher." He made a book on the New York racetracks and got in so badly that he couldn't or wouldn't settle. He says he is going to South Africa.

—The officers of the West End Y.M.C.A. Basket Ball League were elected as follows: President and scorer, Mr. W. D. McVey; referee, Mr. Wm. Scott; secretary-treasurer, Mr. Ambrose R. Barton. The schedule was drawn up and the opening game will be played Wednesday evening, Oct. 24.

—On Saturday night the Toronto Whist Club elected these officers: Hon. president, George C. Biggar; president, W. L. Brock; vice-president, Edward Beeton; corresponding secretary, P. E. Ritchie; treasurer, H. R. Tilley; recording secretary, James S. Wallace; committee, A. Morphy, George B. Shaw, S. Townsend, H. J. Wright.

—Secretary C. S. Freeman of the Sarnia club has written to O.R.F.U. Secretary J. D. McMurrich stating that the "stoning of the London club" consisted of mud-throwing by boys a mile from the grounds. Mr. Freeman adds that the Sarnia club knew nothing whatever about it, but that they tender the London club an apology for the occurrence mentioned, although in no way to blame.

—During the year the Woodbine Cricket Club played 28 matches, winning 15, losing 11, 1 draw and 1 tie game. The batting average was easily won by H. S. Collins, with an average of 17.23, winning the bat presented by Vice-President Abbey. Mr. Collins played three fine innings of 100 not out, 60 and 49. In bowling the team was well represented. C. Hopkins bowled in fine form all season. T. Abbey, as a slow bowler, was also very successful.

TORONTO MAN PRESIDENT.

Ninth Annual Meeting of the Lake Sailing Skiff Association at the Rossin House.

The ninth annual meeting of the Lake Sailing Skiff Association was held in the Rossin House on Saturday afternoon. Seven clubs were represented, and satisfactory reports were read by President Frank E. Walker and G. R. Judd, Secretary-Treasurer.

After discussion, it was decided that in future the "dead weight" must be placed amidships when measuring. The Hamilton delegates introduced the question of measurement after each race of the association. It was decided that in all races of the association the first boat to finish shall be measured immediately after the race by two measurers appointed by the president from the Executive Committee. The Walker Cup race was set for July 1st, at Hamilton.

The election of officers resulted as follows:

President—E. K. M. Wedd, Royal Canadian Yacht Club.

Vice-President—T. T. Birely, Royal Hamilton Yacht Club.

TIME OF AMERICA'S CUP RACES.

New York, Oct. 22.—The New York Yacht Club to-night gave out the following cablegrams, which passed between Sir Thomas Lipton and J. V. S. Oddie of the New York Yacht Club to-day:

"London, Oct. 22.—J. V. S. Oddie, Secretary New York Yacht Club: Many thanks for your kind telegram to myself and Kelly. Very willing to meet you on points proposed, but is not 1 o'clock late enough, especially as I consider it would be better to revert to the original six-hour time limit, the shortening of which to 5½ hours at my request was productive of at least one abortive race on last occasion? Regarding private arrangements as to accidents, I agree to this as before. Please wire if you approve. (Signed), Lipton."

"New York, Oct. 22.—Sir Thomas Lipton, London: The committee adhere to 5½ hours for time limit of race, as in conditions of last match, and accepts, at your request, 1 o'clock as time for start. Is this satisfactory? (Signed), Oddie."

The former American record was 47 feet, made by the Canadian, G. R. Gray, at Chicago, Ill., on Sept. 16, 1893, and the world's record is 48 feet 4 inches, made by Horgan.

SEEKING JEWISH VOTES.

General Condemnation of the Tactics Pursued By a Canadidate in Montreal.

Montreal, Oct. 23.—The calling of a special meeting of Jewish voters on Sunday night in the interests of Ald. Ekers, the Conservative candidate in St. Lawrence division, has aroused the indignation of more than a few representative Jewish citizens, Conservative and Liberal alike.

WHERE IS CHISHOLM?

Now Stated in Montreal That No Efforts is Being Made to Arrest Him.

Montreal, Oct. 23.—T. J. Chisholm is still at large, and, contrary to what was stated at first, there appears to have been very little, if any, effort made to capture him and bring him back. The absence of Chisholm is a very serious loss to the interests of justice, as, if he were here, many things would be brought to light that are now covered up, and in his absence are likely to remain hid.

THE PICTURESQUE TRUNK LINE OF AMERICA.

Is well understood by the traveller to mean the Erie Railroad. It has become a trade mark with this Old Reliable Road. The scenery along the Erie is grandly picturesque; for miles it traverses the beautiful Delaware and Susquehanna. Its trains are perfectly equipped, and are everywhere protected by block safety signals, which, with heavy steel rails and perfect road-bed permit the highest rate of speed. The Erie is certainly a most comfortable and desirable route between the East and the West, and is so recognized by the travelling public and all ticket agents. Have You Forgotten?

Have you forgotten that it promptly and thoroughly relieves and cures croup, bronchitis and severe chest colds? Have you forgotten that when the cough is tight and painful Dr. Chase's Syrup of Linseed and Turpentine loosens it, allays the inflammation, aids expectoration and prevents consumption and pneumonia? MUSIC AND DRAMA

Do you want to laugh till the tears roll down your face, till your sides ache and your cheeks are sore, till you get positively ashamed of yourself for being such a silly thing and vow that you will never allow yourself out again without your mother? If you are in such a mood you cannot afford to miss a peep at the production, yclept "Ma'm'selle 'Awkins," which is dignified by the descriptive title of a musical comedy, that held forth at the Grand Opera House last night.

"Ma'm'selle" is no goody-goody production, and if your risable propensities are held in sway by delicacy your feelings will be uncomfortably ruffled. It is rather unfortunate that such is the case, and for Toronto presentation the axe of the expurgator should not have stopped when it chopped out "Wasn't that a silly thing to say."

The plot is not intended to be considered. Ma'm'selle 'Awkins herself is a lady whose washerwoman maternal ancestor, finding herself in need of a good soap, induced her other half to invent Scrubollo, and Scrubollo made them a mint, whereupon Ma'm'selle started out to seek a title. Lord Bobby Belford, bankrupt, takes advantage of her whim and slight complications ensue.

A severe cold from which Miss Graves, who, as Dollie Hawkins, suffered last evening, marred to an extent several of the musical numbers. Nevertheless her pretty face and beautiful eyes, as well as her conscientious and vivacious acting, were very pleasing, and she received many calls. "Don't Believe a Tale Like That," "Ignorance Is Bliss," "Don't Start No Argument With Him," "It's a 'Andy Thing to 'Ave About the 'Ouse," the latter sung by Grace Belmont in the title role, and "My Almond-Eyed Boy," delivered by Laurance Wheat, proved themselves most popular. An original eccentric bit of comedy was presented by Miss Elfie Fay, the female Dan Daly, who, with Harry Kelly in the role of a sanctimonious hypocrite under the guise of a clergyman; William Burress as a Hebrew, whose local hits were relished, and Martin O'Neill as a Scottish Celt, was responsible for much laughter, especially in their mimic minstrel show. Etienne Girardot has been seen here in "Charlie's Aunt" and "Miss Francis of Yale, and is deservedly popular.

Why is a straw hat like a kiss through a telephone? Why is a man pushing a wheelbarrow up the side of a hill like a fried egg? What would the little chicks say if they found an orange in the nest? If a bacillus is a parasite in Paris, a germ in Germany, what would it be in Ireland? When is a goat nearly? Guess, and then consult Ma'm'selle.

Joe Murphy has lost none of his old-time popularity, nor has age dimmed or time withered the lustre of "Shaun Rhue." An appreciative audience greeted the Irish comedian's return to the Toronto Opera House last evening, and enjoyed the excellent presentation of the play by Mr. Murphy and his company. His delineation of the Irish character left nothing to be desired, and, although there was room for improvement in his support, "Shaun Rhue" was most pleasingly put on.

It will be repeated to-night, and on Wednesday and Thursday night, with matinees to-day and on Thursday, and the week will be wound up with "Kerry Gow," another old-time favorite, on Friday and Saturday. The advance sale has been one of the largest in the history of the Toronto Opera House.

The Behman Show, the laughing hit of last season, is the attraction at Shea's this week. The company has been materially strengthened, and most of the material used is of this year's manufacture.

Maude Caswell and Arthur Arnold set things going with a lively acrobatic novelty. Miss Caswell caught the eye of the male species.

The funniest of Irishmen, John Kernell, kept everybody laughing for fifteen minutes with a well-assorted budget of jokes and witty sayings. His sonorous voice made his stories clear to every one.

The black face end of Falke & Semon, musical comedians, supplied plenty of quiet amusement, although it certainly was hard for the act that followed the hilarious Kernell. The instrumental selections were exceedingly well done.

Ethel Levey told in song that "Ragtime is Just Coming In," and other things.

"Money to Burn" was the title of the merry sketch in which the Four Cohans appeared, and it was a first-class medium for this clever quartet to display their unique talents. George M. Cohan's eccentric dancing took the house by storm. Josephine Cohan was very graceful and agile in her specialty. Jerry Cohan perpetrates the only serious joke of the act, when he writes to MacMulty, the policeman: "I understand you were arrested for beating your wife—at pinochle." The humor of the piece rests solely in "the business" of the actors.

A drill and burlesque minstrel show were contributed by the Olympia Quartet, with Mr. M. J. Sullivan as the hardest worker.

Zeno, Carl and Zeno, two men and a boy, performed on horizontal bars located near "the flies," and wind up by using the lad as a ball, tossing him from one to the other in the manner peculiar to trapeze artists.

Yorke and Adams, "just two plain Jews," and Ramza and Arno, acrobats, with the fake donkey, bring to an end a show the only fault of which is its length. Some of the acts, notably the Cohans' sketch, should be abbreviated.

The Valentine Stock Company, in presenting the "Three Musketeers," this week, are insuring themselves still further with Toronto theatergoers. A large house greeted the initial performance of Dumas' great drama last night. Though many present had seen Sothern, O'Neil and Salvini in the role of D'Artagnan, and though there were several unnecessary delays that made the play seem unwarrantably long the audience went home thoroughly appreciative of the company's efforts, and quite satisfied with the result. Mr. Jack Webster, as D'Artagnan, is wise enough to present his own interpretation of the part, and is at all times a merry, lovable soldier of fortune. As Cardinal Richelieu, Mr. Robert Evans did fair work in portraying that most incomprehensible of statesmen. Mr. Osborne Searle as King Louis, Mr. Louis Bresen as George Villiers and Mr. George Fleming as Count de Rochefort, made good seconds to the principals. Miss Meta Maynard, as Richelieu's agent, was always effective. Miss Anna Blancke and Miss Mary Taylor played the other female parts in the cast.

Heart-Sick People.—Dr. Agnew's Cure for the Heart is a heart tonic that never fails to cure—is swift in its effects—goes closer to the "border land" and snatches from death's grip more sufferers than any other remedy for any family of diseases and ailments in the category of human sufferings. Gives relief in 30 minutes.
