WHO'LL BE SENIOR C.L.A. CHAMPIONS? RUNNING RACES AT EXHIBITION

Toronto People Inclined to Favor the St. Catharines Athletics. Pat Gallagher Had Two Winners in Abingdon and Snowstorm.

Judging by the enthusiasm displayed, the most popular attraction of the afternoon in front of the grand stand at the Exhibition yesterday afternoon were the running races. Pat Gallagher rode two winners, Abingdon at 3 to 5 and Snowstorm at 3 to 1. Gallagher was much the superior jockey, and his skill on the saddle gave him both victories. One of the Queen's Plate race-players, Kaslo, led the open race very prominently in two straight heats. He was handled by young Thompson of Barrie, a brother of Lorne, the Dymen jockey. Kaslo always held the race well in hand. Dot had her pony race practically won when she bolted out of the eastern gate, which had been opened by some careless official. The summary:

Table with columns: Open race, mile and 200 yards, 2 heats in 3, purse \$200. Winner: Kaslo, 107 (Thompson), A. D. Simon, 1.1. Second: Starling, 100 (Morton), Ed. McParlin, 2.2.

Open hurdle race, 1/4 mile. Snowstorm, 152 (Gallagher), T. Phelan, 1.1. The Tar, 149 (Lawrence), Cross, Toronto, 2.2.

REVIVAL OF AN OLD RUMOR. Rumor says that the Ontario Jockey Club may try to arrange for the transfer of the Exhibition grounds to Exhibition Park, but there are several obstacles. One is that more land would be needed to increase the track to one mile, and the difficulty of closing a public park, as would be necessary for a race meeting, while still another is that an Exhibition is held in the park, and it is not possible to have a race meeting there.

Table with columns: Topics of the Turf. The boy on Par Sight was thrown at the Exhibition grounds yesterday at the first turn of the course, but was not badly hurt.

Toronto has still a fighting chance for the pennant, although at the present time Rochester has a long lead in the championship race. After to-day Manager Barrow's men have all the remaining games on their own grounds and that should be an advantage.

WHITEWASH IN THE MORNING. Rochester, Sept. 2.—Rochester made the fourteenth consecutive win this morning at Culverfield more emphatically by completely shutting out the Toronto club.
