A CHALLENGE TO AMERICAN CREWS

Argonauts' Henley Eight Wants a Race on Toronto Bay in May.

Captain Barker of the Argonauts is anxious for the Henley crew to have a race with some American eight before leaving for England.

"We have the funds provided for the trip to Henley," said Captain Barker, "but we don't intend to go if we haven't a good crew—the best in America. We would like to meet Yale, Harvard, Pennsylvania, Cornell, or any of the big rowing colleges or any of the clubs in the States, and if any crew were to try us there will be a \$250 trophy for a race a mile and a half straightaway on Toronto Bay any time between the middle of May and the first of June. We intend to leave on the 11th of June, but we won't go if there is a crew in America that can beat us."

TORONTO ROWING CLUB.
The annual general meeting of the Toronto Rowing Club, limited, will be held in the club room, 62 Colborne street, next Wednesday evening at 8 o'clock.

WINNERS' INTENTIONS.

CANADA'S NATIONAL GAME.

An effort is being made to induce Mr. J. H. Hanwick of Port Hope to become a candidate for the C. L. A. Council.

Various suggestions have been made as to the best way of extending the game to the west. It is the latest idea to organize the game into a league and have them play Hamilton and Galt reformers.

The Executive Committee of the Young St. Lawrence Lacrosse Club met Monday at Wright's Pharmacy, when it was decided to hold a reorganization meeting on Monday night, when matters concerning the grounds will also be discussed.

JUNIOR HONORS IN TO-NIGHT'S GAME

Upper Canada and Stratford Will Play Final for the Championship.

The fastest game of the season is assured for the Mutual Street rink to-night, when Upper Canada College and Stratford meet in the final game of the O. H. A. Junior championship. Play will begin at 8:30 o'clock.

The Stratford lads are wonderfully fast forwards, but their shooting is not nearly so effective as their speed. Their defence, too, spends too much time looking after the puck, instead of going for the puck. Their goalkeeper, though, is a dandy. All the Upper Canada boys are fine shots and are quicker at getting the puck away in a pinch.

CHAMPIONS OF VARSITY.
The final game in the Jennings Cup series was played yesterday afternoon at the Mutual Street Rink between the Reds and the Denials. It was a stonewall contest, and the Denials won out by a score of 3 to 2.

DISPUTE IN ICEBOAT RACE.
Hector McDonald the Only Man Who Did Not Get Out and Shove His Boat Along.

The iceboat men of the bay are taking full advantage of the excellent state of the ice induced by the last couple of nights' frost, and are settling numerous disputes regarding the relative speed of their craft.

Tuesday the second race of the week, a sweepstake with six boats entered, was sailed in a gusty ten-mile breeze from the north.

The starters were Jack Frost, sailed by P. Phelan, Jessica by J. Heddliff, Denver by T. Walker, Islander by Joseph Gowling, Roi King by James Mulvaney (all owned by Eddie Durman), and Hector McDonald's Columbia, handled by E. Ward.

Captain Tyson, who acted as starter, sent the fleet away in a bunch. Denver had a slight lead at the start and she immediately settled down to draw away from the fleet. At the first buoy to the south-east she had a 100-yard lead, and this she soon stretched into a quarter mile.

She held her position until the second leg of the third round, when Jessica, which had been standing second, got a lucky puff and a clear stretch of ice and overhauled her, and finished with a lead of almost a quarter of a mile. The finish was as follows:

- | | |
|----------|---|
| Jessica | 1 |
| Denver | 2 |
| Roi King | 3 |
| Islander | 4 |
| Columbia | 5 |

Jack Frost found a superabundance of flush holes and soft spots in the wind and quit on the second round.

A dispute arose after the race and McDonald protested the award, on the ground that his boat, the Columbia, was the only boat which had not been disqualified. He claimed, and the skippers of the other boats admitted it, that they had shoved their boats along when they threatened to stick in the slush holes.

If the rules which govern yacht races apply, McDonald is entitled to the race, for under yacht racing rules any boat which is assisted along in any manner is disqualified.

To-morrow the most interesting race of the season will be sailed. It is the final event for the championship, and Eddie Durman will handle Jessica and Captain Quinn the heavier for this race. The event will be started off the foot of Bay street at four o'clock.

"MAC" ROCHON WON TWO GAMES.

New Ontario Curlers at Lindsay Today, But Will Be Here Again To-morrow.

McGee beat Flora yesterday by 33 to 31.

The first half of a 14-rink match between the Queen Citys and Toronto was played at the rink here last night.

Walterton, St. Mary's, Galt, and Guelph Unions were the winners of the third round of the Guelph hospital.

Two rink of Orillia curlers played a friendly game at Beaverton last night and defeated the home players by a total of 12 shots.

ALD. J. F. LOUDON AGAIN COMMODORE

Queen City Yacht Club Elects Him for a Third Term Without a Vote.

Controller John F. Loudon is again Commodore of the Queen City Yacht Club. He is one of the most popular officers the club ever had. At the nomination meeting, held at the club house at the foot of York street on Tuesday night the popular Commodore was elected for a third term by acclamation.

For vice-commodore there were three nominations. William Withrow, Richard Sles, the present incumbent, and Rear-Commodore William Ward. Sles withdrew.

For rear-commodore Ward was re-nominated, and the names of George Underwood and Robert Hales were put up, but it is likely that the latter two will retire, in spite of the wishes of their friends, and leave the office to Ward, who last season proved himself to be a most enterprising officer.

Goals count on the round. The first game at Stratford Monday night resulted in a tie, 4 goals apiece. The teams: Stratford—Woods, goal; Rankin, point; Forbes, cover point; Fern, Fraser, Edmunds, Schweitzer, forwards.

Upper Canada College—Lash, goal; Keegan, point; Conroy, cover point; Coulson, Morrison, Morgan, Sutherland, forwards.
