JUNIOR HONORS IN TO-NIGHT'S GAME

Upper Canada and Stratford Will Play Final for the Championship.

The fastest game of the season is assured for the Mutual Street rink to-night, when Upper Canada College and Stratford meet in the final game of the O. H. A. Junior championship. Play will begin at 8:30 o'clock.

The Stratford lads are wonderfully fast forwards, but their shooting is not nearly so effective as their speed. Their defence, too, spends too much time looking after the puck, instead of going for the puck. Their goalkeeper, though, is a dandy. All the Upper Canada boys are fine shots and are quicker at getting the puck away in a pinch. Consequently will be more effective on the counter. However, speedy shooting will not be done in vain. Keys is a remarkably good point player and Lash a very careful goalkeeper.

Goals count on the round. The first game at Stratford Monday night resulted in a tie, 4 goals apiece. The teams: Stratford—Woods, goal; Rankin, point; Forbes, cover point; Fern, Fraser, Edmunds, Schweitzer, forwards. Upper Canada College—Lash, goal; Kelson, point; Conroy, cover point; Coulson, Morrison, Morgan, Sutherland, forwards.

CHAMPIONS OF VARSITY.

The final game in the Jennings Cup series was played yesterday afternoon at the Mutual Street rink between the Meis and the Dentals. It was a stubborn contest, and the Dentals won out by a score of 3 to 2, capturing the championship of Toronto. Tomorrow, and carrying the right to hold the Jennings Cup another season. The half-time score was 4 to 3 in favor of the Meis. The teams: Meis (5): Goal, Weidner; point, G. Hines; cover point, McLellan; forwards, McIntyre, Gilbert, Kaufeld, McCullough. Dentals (8): Goal, Fife; point, Hogan; cover point, Brown; forwards, Gibson, Gilliland, Wood, Pettigrew. Referee—W. H. Evans.

BUSINESS LEAGUE FINAL.

The Dominion Express Company won the championship of the Toronto Business League last night at the Yorkdale Collegiate Institute rink by defeating the Robert Simpson Company's team by 5 goals to 0. The score at half-time was 2 to 0. The teams: Dominion Express (3): Goal, Stone; point, Downing; cover point, Kenny; forwards, Purvis, Burns, Oshler, Hogan. Simpson Company (6): Goal, Moorish; point, Thompson; cover point, Whitman; forwards, Garrett, Dixon, Salewski, Rice.

DISPUTE IN ICEBOAT RACE.

Hector McDonald the Only Man Who Did Not Get Out and Shove His Boat Along.

The iceboat men of the bay are taking full advantage of the excellent state of the ice induced by the last couple of nights' frost, and are settling numerous disputes regarding the relative speed of their craft.

Tuesday the second race of the week, a sweepstake with six boats entered, was sailed in a gusty ten-mile breeze from the north.

The starters were Jack Frost, sailed by P. Phelan, Jessica by J. Heddlie, Denver by T. Walker, Islander by Joseph Gowlin, El King by James Mulvaney (all owned by Eddie Durman), and Hector McDonald's Columbia, handled by F. Ward.

Captain Tyson, who acted as starter, sent the fleet away in a bunch. Denver had a slight lead at the start and she immediately settled down to draw away from the fleet. At the first buoy to the south-east she had a 100-yard lead, and this she soon stretched into a quarter mile. She held her position until the second leg of the third round, when Jessica, which had been standing second, got a lucky puff and a clear stretch of ice and overhauled her, and finished with a lead of almost a quarter of a mile. The finish was as follows:

Jessica 1
Denver 2
El King 3
Islander 4
Columbia 5

Jack Frost found a superabundance of flush holes and soft spots in the wind and quit on the second round.

A dispute arose after the race and McDonald protested the award, on the ground that his boat, the Columbia, was the only boat which had not been disqualified. He claimed, and the skippers of the other boats admitted it, that they had shoved their boats along when they threatened to stick in the slush holes.

"MAC" ROCHON WON TWO GAMES.

New Ontario Curlers at Lindsay Today, But Will Be Here Again Tomorrow.

Pergus beat Elora yesterday by 33 to 31.

The first half of a 14-rink match between the Queen Citys and Torontois will be played to-night.

Wallerston, St. Mary's, Galt, and Guelph Unions were the winners of the third round of the Guelph hospital.

Two rinks of Orillia curlers played a friendly game at Beaverton last night and defeated the home players by a total of 12 shots.

The final of the single rink competition will be played to-night at Mr. J. W. Gale of the McMurtry rink, who at present is out of town, returns this afternoon, as expected.

Mac Rochon's Port William curlers won two games yesterday, defeating Prospect Park in the afternoon by 11 to 8 and Queen City in the evening by 16 to 7. They went to Lindsay this morning to play two games. They will meet the Renale rink to-morrow afternoon, and a team of newspaper men at night.

TO-NIGHT'S TENPIN GAME.

The following games are scheduled to be played in the Tenpin League to-night: Insurance at Merchants, Q. O. R. at Liederkranz, Liederkranz 13 B. at Highlanders, Merchants at Indiana, Highlanders, Q. O. R. B. C. at Grenadiers.

ALD. J. F. LOUDON AGAIN COMMODORE IN KING'S PLATE

Queen City Yacht Club Elects Him for a Third Term Without a Vote.

Controller John F. Loudon is again Commodore of the Queen City Yacht Club. He is one of the most popular officers the club ever had. At the nomination meeting, held at the club house at the foot of York street on Tuesday night the popular Commodore was elected for a third term by acclamation.

For vice-commodore there were three nominations, William Withrow, Richard Sles, the present incumbent, and Rear-Commodore William Ward. Sles withdrew.

For rear-commodore Ward was re-nominated, and the names of George Underwood and Robert Hales were put up, but it is likely that the latter two will retire, in spite of the wishes of their friends, and leave the office to Ward, who last season proved himself to be a most enterprising officer. Secretary William Newton, T. A. E. World, and James Greig were nominated for the secretaryship. Greig withdrew, but World's friends insisted upon his remaining in the field. Frank S. Knowland, for three years treasurer of the club, was re-elected by acclamation, and so were J. Thomas and Fred Cornish, the auditors. For measure there were three nominations, John Browne, Henry Sweetlove, and A. J. Phillips. Phillips withdrew.

The elections will be held on Tuesday, April 1.

To-morrow night the club will hold one of its popular At Homes in the club house. The tickets to these affairs are limited in number, and are eagerly sought after, for the entertainments of this popular club are always of merit. The evening will wind up with a dance.

On the 21st inst. the annual dinner of the club will be held in the club-house.

"There will be no change in the circuit this year. The matter will be considered at the meeting, so far as I know, other than informally."

A fast amateur ballplayer from Detroit wishes to join a good Toronto team. Address, C. E. Lennie, 102 Jarvis street. Lennie is a pitcher. He won 14 out of 27 games in the Knights of the Maccabees League at Detroit last year, besides catching in three games and playing shortstop in four. He batted .404, leading the league. He is a tall right-hander, and weighs at 150 lbs. He is said to be very fast on his feet.

We would like to meet Yale, Harvard, Pennsylvania, Cornell, or any of the big rowing colleges or any of the clubs in the States, and if any crew were to try us there will be a \$250 trophy for a race a mile and a half straightaway on Toronto Bay any time between the middle of May and the first of June. We intend to leave on the 11th of June, but we won't go if there is a crew in America that can beat us."
