SCORED 35 GOALS IN AN HOUR'S PLAY

Marlboros Defeated Niagara Falls by 30 to 5 on Local Ice.

The Marlboros played Niagara Falls the first of home-and-home games for the championship of District No. 3 of the O.H.A. Intermediate series, at the Mutual street rink, Saturday night, and won by the enormous score of 30 goals to 5. The half-time score was 19 to 3. This practically gives the local team the round, as the Falls team cannot hope to overcome such a handicap on their own ice.

The Marlboros played a dashing game, displaying excellent combination and skillful stick handling. The local forwards made the opposing defence look cheap, and scored almost at will. Jack Earls and Herb Birmingham, two players of senior caliber, got twelve goals apiece. Reid scored 3, Ferguson 2, and C. Earls the odd one.

Niagara Falls forwards were too closely checked to do anything, although Bishop played a rattling good game all the way through. They were minus their star player, Logan, owing to a bereavement in his family. The Marlboros out-skated the visitors and showed up their opponents' lamentably weak defence. The goal keeper was bombarded with shots, and Mitchell was lucky in keeping all but 3 out. Point Neil and Covey point Cole might just as well have been in the stand, as they were of absolutely no use to their team. Cole was off twice with a broken skate. Reid and Ferguson going off to even up.

There was some roughness at times, and Referee Hugh Rose penalized the following players: Bishop, Stephens (2), Ferguson, Belrose, Birmingham, Healey. Marlboros scored the 20th and 21st goals playing five men against six. For the Falls Bishop scored the 4th and 20th goals, Mumford the 16th and 27th, and Stephens the 22nd. The point player was the only weak member of the Marlboros. The score:

Marlboros (30)—Garvie, goal; Belrose, point; C. Earls, cover-point; J. Earls, center; Birmingham, rover; Reid, left wing; Ferguson, right wing. Referee, Hugh Rose. Goals scored: By Birmingham 12, J. Earls 12, Reid 3, Ferguson 2, C. Earls, Bishop 2, Mumford 2, Stephens.

TO-NIGHT'S SENIOR MATCH.

Varsity will attempt to wrest the city senior hockey championship from the Wellingtons at the Mutual street rink to-night. The teams:

TO-DAY'S HOCKEY PROGRAM.

Stanley Cup—Winnipeg Victorias at Montreal. O. H. A. Intermediate—Present at Morrisburg, Port Hope at Belleville, Collingwood at Barrie. O. H. A. Junior—Second round—St. Andrew's v. Varsity, at Mutual street rink, 3:30 p.m. Trent Valley League—Fenelon Falls at Peterboro.

DOMINION WILL NOW PLAY TORONTO

The Imperial Defeated in a Bank League Hockey Match by 14 to 6.

Dominion qualified for the final game to-morrow night with Toronto for the championship of Series No. 2 of the Bank League by defeating Imperial at the Victoria rink Saturday afternoon by a score of 14 to 6. The half-time score was 9 to 6.

Notwithstanding the fact that Imperial led at one stage by 6 goals to 2, it was evident to every spectator that Dominion would eventually win. They were having hard luck in their shooting, while during the first fifteen minutes goal-keeper Watt of Dominion could not stop the easiest kind of a shot. After that he became invulnerable to attack, and Imperial couldn't score a goal.

Dominion forwards played well together, and shot very accurately. Ogden in goal for Imperial had a very busy afternoon. Neeve and Bloomfield participated in a number of brilliant rushes, and scored most of the goals for the winners. Dawson was always in his place. When Hamber got down to business he kept the Imperial forwards out of the danger zone, and what he missed Reiffenstein and Watt attended to. Smith, Cochrane, and Keefe played the best game for the losers.

Owing to a mistake of the timers, the first half lasted 35 minutes. The summary: Dominion (14)—Watt, goal; Reiffenstein, point; Hamber, cover; Bloomfield, right wing; Neeve, center; Dawson, left wing. Imperial (6)—Ogden, goal; Lowman, point; Smith, cover; Cochrane, left wing; Bloomfield, center; Keefe, right wing. Referee, H. B. Brown.

ST. GEORGES BEAT PETERBORO.

Peterboro, Feb. 2.—An exhibition game of hockey was played here Saturday between the St. Georges of Toronto and the Peterboro seven, last year's champions of the intermediate division of the O. H. A. series. The score at half-time was 6 to 3 in favor of the visitors, and at the final 8 to 2.

Goals scored: By Neeve 6, Bloomfield 3, Dawson 4, Hamler, Smith, Ridout, Lowman, Cochrane (2), Keefe. Time of halves, 35 and 25 minutes.

"WHITNEY" WHITROFF, PETERBORO.

The attendance was rather small. The teams were as follows: St. Georges (7)—Pardoe, goal; Hammer, point; Gumble, cover-point; Clemens, Hynes, Webster, and Carmichael; forwards. Peterboro (6)—Crough, goal; Leo, point; H. Armstrong, cover-point; Whitecroft, Cavanagh, Roy Armstrong, and Graham, forwards. Referee—James T. McCabe of Peterboro.

"SOO" TEAM HERE ON FRIDAY.

St. Georges II Play Newmarket at Barrie To-morrow Night.

At a meeting of the O. H. A. playing sub-committee on Saturday it was decided that the Wellingtons should play the first game with Sault Ste. Marie at the Mutual street rink on Friday night instead of Thursday, as formerly arranged. The intercollegiate match between Queen's and Varsity, scheduled for Friday, will be played at the Mutual street rink on Saturday night. It was decided that Newmarket and St. Georges II shall play off their tie in Barrie to-morrow night. The Beechgrove-Frontenas will meet Cobourg Juniors in Kingston on Tuesday night, and play at Cobourg on Friday night. Stratford Juniors will play in Lisfowel on Tuesday night, and the return game will be played in Stratford-Filday.

LOCAL HOCKEY THIS WEEK.

ANOTHER STANLEY CUP GAME TO-NIGHT

The Winnipeg Vics and Montreal Were a Tie at 12 p.m. Saturday.

IRON DUKES' GOOD CHANCE

O.H.A. Representatives Think Their Senior Champions Can Win From Either Team.

President J. Ross Robertson and Vice-President Francis Nelson of the O.H.A. were spectators at the Stanley Cup tie match in Montreal on Saturday night between Montreal and the Winnipeg Victorias.

What they saw convinced them that their own champion Wellingtons made no mistake in challenging for the trophy. Mr. Nelson summed it up in these words:

"The visitors from Ontario who saw the match were decidedly of opinion that, no matter whether Winnipeg or Montreal wins the cup, the O. H. A. champions, whether they be the Wellingtons or their conquerors, would probably be able to take it away from them next month."

Saturday's game lasted until midnight, when the referee ordered play to stop, with the score a tie, two goals apiece. Both teams were pretty well exhausted, although the Winnipeggers were prosing off the time. After a conference with the referees it has been decided that the two teams should meet again to-night. If the Montrealers win the match the cup will remain in their possession, but if the Vics win immediately after the conclusion of the match the unfinished game of Saturday night will be played on.

About 6,000 people saw Saturday's game at the Arena. The half-time score was 2 to 0 in favor of Montreal. While they played hockey, the match was a sensational spectacle, brilliant hockey at many stages, always fast and hard, with Winnipeg making a tie when only 1-2 minutes remained in which to save the day. There were many luscious plays. Whenever a player had his wrist knocked out both teams would make a dash for the dressing rooms—McGill fashion—and get a rub down. The first half concluded after 10 o'clock, it taking nearly two hours for 30 minutes' actual play.

There was some hard feeling between the teams owing to the unfortunate attitude of the Montreal club men, who ignored the presence of the Westerners until the very last minute, instead of giving them a decent welcome, which was a decided contrast to the hospitality shown in Winnipeg and by the Shamrocks. The match was rough in consequence. Gardner, the star forward of the Montreal team, had his collarbone broken in the first half, and was replaced by Blatchford of Montreal. He had played a hard game in the afternoon against Westmount. Hodges played point in place of Hellingham. Referee Quinn penalized players 23 times during the game. Keen of Winnipeg was off six times; then he hurt his knees in the extra time and went off for good; Hodges was off five times and Phillips four times.

Tony Gingras, "Chummy" Hill's check, was the star of the game. He went through the Montreal defence time and again, but there was nobody there to help. Cadham and Keen were away below the mark, while Scanlan, on the other wing, always played well. Ole Olson's goalkeeping was nothing remarkable, the Fletts in front of him doing all the defensive work in fine style. Keen, Marshall and Phillips played excellently for Montreal. The shooting on both sides was mediocre. The teams: Montreal (2)—Goal, Nicholson; point, Hodges; cover-point, Boon; forwards, Hooper, Marshall, Phillips, Gardner, Blatchford replaced Gardner. Referee—Mr. Percy Quinn, Shamrocks. Umpires—Messrs. H. Trilley and E. Quinn. Timekeepers—Messrs. H. McLaughlin and T. Y. Foster.

The score: First half—1, Montreal, Hooper, 22 minutes; 2, Montreal, Phillips, 1:30. Second half—3, Victoria, Gingras, 25 minutes; 4, Victoria, Cadham, 2 minutes. Overtime—5, not finished, 23 minutes.

The following players were ruled off: Phillips 4, Gardner 1, M. Flett 2, Hodges 5, Keen 6, Gingras 2, Blatchford 1, Marshall 1, Rod Flett 1.

COLLINGWOOD CLUB'S REPLY.

Sporting Editor Star: I notice in Saturday's Star an article taken from the Barrie Examiner regarding Messrs. Tom Collins and Galloway, and, as manager of the Collingwood Hockey Club, I must take exception to same. It is surely not in the interests of our national winter game that such a biased item should be copied in a paper with the Star's reputation; at least, you might have continued with their report saying that the referee was impartial in his decisions, and allow a fair-minded public to see that there are two sides to every story. The Collingwood Hockey Club has not as yet stooped to maligning players through the press, but had they a desire to do so, Barrie could furnish its quota. I am, yours truly, Norman Smith, Manager Collingwood Hockey Club.

AGREED ON A REFEREE.

London, Jan. 31.—The 7th Regiment and Paris clubs have agreed upon Chas. Rankin of Stratford as referee of the O. H. A. game here Tuesday night.

COMMENT ON CURRENT SPORTING TOPICS

That was a unique ending to the Stanley Cup game at Montreal on Saturday night—a tie at midnight, and, therefore, no decisive result.

Montreal, with their accustomed liberality of spirit, claimed the cup, upon the expiration of the one hour's play, their contention being that the Winnipeg Victorias could not possibly win two out of three matches, as the conditions called for. The referee repudiated this unfair and unsportsmanlike contention, and ordered the teams to go out upon the ice and play the match to a finish, which meant, under the Quebec rules, until one side scored a goal.

The coming of the Sabbath saved the Montrealers. The Winnipeggers had them on the run, and if it had been any other day but a Saturday a sure defeat would have been registered against the cup-holders.

To-night the disposition of the trophy will be decided. If Montreal wins the cup will be theirs, but if the Winnipeggers win the unfinished game of Saturday will be played immediately upon the conclusion of the match, and the team that scores the first goal will secure the trophy.

This state of affairs will be sufficient to arouse tremendous excitement in Montreal and Winnipeg, while hereabouts there is great interest taken in the result owing to the challenge of the Wellingtons.

The O.R.F.U. executive has secured most of the football brains of the Province to apply on the new snap-back rules. And the committee has power to add to its number. Any authority that has been overlooked please hold up his hand.

Wellingtons intended playing their Stanley Cup team to-night, but at the invitation of their friends will play the regular O.H.A. team, leaving George McKay to coach the Iron Dukes from the boards. This Varsity team will have some new faces, and it is expected the change will do them good.

Toronto baseball patrons won't complain at having to pay 30 cents more for admission to the grand stand if they are provided with the fast article of ball to which they are accustomed. It seems that Toronto was the only city on the Eastern League circuit where the 40-cent grand stand ticket prevailed, and managers of visiting clubs, when play on a percentage, objected most strenuously to the reduced charge here. Their efforts bore fruit at the annual meeting, and a uniform price of 70 cents will now prevail all around the circuit.

Queen's look to be sure champions of the newly-formed Intercollegiate Hockey League. They have presented a handsome trophy for annual competition, to be known as "Queen's Cup." It will be "Queen's Cup" this year all right.

Miley Grogan, being unable to make money either as a bookmaker or as a better, has decided to run a Turf Information Bureau. He will now sell to the public information which in his other capacities kept him poor.

The Wellingtons have their eyes upon the Earls brothers, and one or two others of the speedy Marlboro hockey team. The Iron Dukes think they are the most promising players in Toronto.

For two pins the Munson bowlers would have beaten their Buffalo brethren on the round. However, they lost by one.

The most remarkable score made in the O.H.A. during this or any other season was compiled by the Marlboros in their game with Niagara Falls at the Mutual street rink on Saturday, when they beat the visitors by a score of 30 goals to 5. As the game lasted 60 minutes, the local team scored a goal on an average of every 2 minutes of play. They outclassed their opponents in every particular, and surprised the hockey enthusiasts present by the excellence of their work, especially on the forward line.

Ed Barrow is in town again. He brought a bad cold back from Detroit. He says Detroit intends to hold Charlie Carr, despite Pat Powers' protest, and claims Carr was free to sign where he chose. He is quite willing, however, to pay a reasonable sum for Carr's release if Jersey City can show a legitimate claim upon him.

Jess Applegath says that Baltimore will surely succeed Montreal. Ed Hulton has the grounds, and will buy the franchise on Thursday. Montreal's interests have been well protected by the Eastern League.

It hardly required Manager Stallings' assertion that Buffalo intended to stick with the Eastern League. Interviewed at Chicago, President Dan Johnson said: "There is no chance of the American League going into Buffalo. We left Buffalo once, and why should we go back? The Eastern League can have Buffalo so far as we are concerned, and we will go right along with our business in New York."

A meeting of the directors of the Toronto Ball Club will be held to-morrow night to consider the appointment of a manager to succeed Ed. G. Barrow, who has gone to Detroit. The mantle is expected to fall on Pitcher "Jimmy" Gardner but those in authority decline to commit themselves.

RAISED THE FEE FOR GRAND STAND

Eastern League Adopts a 50 Cent Tariff for All the Clubs.

SECRETARY SOOLE'S VIEWS

Toronto Club's Financial Man Speaks of the Probable Effect of the Change.

Last night President Jess Applegath of the Toronto Ball Club returned home from the Eastern League meeting in New York. The only thing new Mr. Applegath had to report was the adoption of a rule making it compulsory to charge a grand stand admission fee of 25 cents in every city.

Here in Toronto it has been 15 cents. Toronto Club, he said, makes it 50 cents in all. Hereafter it will be 50 cents. In regard to this change The Star interviewed Secretary-Treasurer Thos. C. Soole of the local club to-day. He said:

"I have often wondered that some action in this direction was not taken before. This is the only city in the league where the grand stand admission is less than 25 cents, and it has always been a matter of complaint from managers visiting here that we should be allowed to charge only 15 cents for our grand stand, while they have always charged 25 cents. They will say, 'You have one of the best, if not the best, stands in the circuit, easy of access, and always patronized by a better class of people than any on the circuit; you have always put up the best article of ball, and have always been near the top, if not on top, and yet you are granted the privilege over other cities in the league.'"

"I do not think it will make much difference to our patrons or in six cases out of ten people in purchasing tickets would lay down 50 cents, and it kept our ticket sellers busy calling them back to get their 10 cents change. It may also have the effect of our selling more season books. These are made up for half-season, and contain 20 tickets, good for admission and grand stand, and sell for \$10, or 33 1/3 cents per ticket. They are handy also in avoiding the crush in purchasing tickets at the box office."

"We will still retain our two days for ladies, in which all the privileges will be free—likely Tuesday and Friday, and on all other days except Saturdays and holidays they will be given the privilege of the grounds free, but will have to secure a grand stand ticket."

"Our club also enjoys another privilege that no other club in the circuit has, and that is in regard to boys. We are given the privilege of admitting boys under 12 years for 15 cents, while in all other cities there is nothing less than 25 cents. The good effect of this can be seen from the number of boys enjoying this health-giving exercise on our vacant lots in the city, trying to emulate some of the many fine plays they have seen at some of the games they have attended."

"No, I do not think the baseball-loving public will mind the increase of 10 cents in the price of grand stand tickets."

Ed Barrow is in town again. He brought a bad cold back from Detroit. He says Detroit intends to hold Charlie Carr, despite Pat Powers' protest, and claims Carr was free to sign where he chose. He is quite willing, however, to pay a reasonable sum for Carr's release if Jersey City can show a legitimate claim upon him.

Manager Barrow has signed A. D. Hopkins, a left-hand pitcher from the Chattanooga club of the Southern League. He is a big fellow, and played 60 games last season.

President Jess Applegath had a large baseball ball to open to-day. It included the application of Bill Hargrove and Joe Black of London for the management; the signed contract of Lewis G. Post, the new outfielder from the Michigan State League; an application from J. Siegrist, a Cleveland amateur to play third base; and a letter from "Jimmy" Gardner, stating that if appointed to the position he intended to manage the Toronto club from the bench.

Mr. Applegath states that President Powers hopes to get Ed. Swartwood, Tim Hurs, Lynch, and another star umpire for his staff this year.

Another Toronto Skater to Compete in the Championships. Lot Roe, of the Wellesley Athletic Club, the two and five-mile Ontario skating champion, leaves for Montreal to skate in the American championship races to-morrow night. Roe is in good shape. He has been doing steady work at the Grand Central rink all winter, and in the distance events should make a showing.

Roe lacks experience. Rubbing up against the veterans of the knife blades at Montreal will do him a world of good, even if he does not lug home a championship or two. Roe is a good strong skater, and if he is not lusted or interfered with on the corners, will make the best of them more along a lively clip to beat him out. He can stand a gruelling race, and always stays until the finish.

SCOTCH CURLER IN HOSPITAL. Major Bertram Left Here Suffering From Blood-Poisoning. The Scotch curlers left one of their number, Major Bertram, in Toronto when they entrained to-day for Winnipeg. The major is in the hospital, suffering from blood poisoning, which developed early last week in Hamilton, and which prevented him from going on the Western Ontario trip.

The enforced absence of the major was much regretted by his colleagues, especially as his illness is of a somewhat serious nature. This makes two of the party in hospitals in Canada. Mr. Smith being still down with a broken kneecap at Halifax.

The rest of the party are in fine health and spirits. They report having had a glorious time in Western Ontario, the hospitality of their entertainers making them neglect Col. Edwards' 11 o'clock retiring rule almost entirely.

O. R. F. U. AND THE NEW RULES. At a meeting of the O. R. F. U. Executive, held at the Rossin House on Saturday afternoon, with President W. N. Ferguson in the chair, the following committee was appointed to assist in drafting the new snap-back rules: E. Bayly, A. H. E. Kent, Rev. A. F. Barr, H. McGivern, C. A. Hayden, Ottawa; Jack Hobbs, London; Dr. Jack Hartly, W. A. Spriggs, Kingston; J. L. Council, Tom Morrison, Hamilton; H. C. Griffith, St. Catharines; and the Executive, consisting of President W. N. Ferguson, Vice-President A. W. McPherson, Secretary Frank D. Woodworth, P. H. Thompson, S. S. DuMont, B. Baskerville, W. C. Little, and Max Yates. A draft copy of the proposed new rules will be submitted to each member of the above committee, and a meeting of the committee will be held about the middle of March to discuss any changes thought necessary.

OFFICERS INDOOR BASEBALL. In the Officers' Indoor Baseball League at the Armories on Saturday, the 4th Highlanders defeated the 36th by 23 to 3, and the Stanley Barracks team beat the Q.O.R. by 37 to 31. Barracks made 11 and Q.O.R. 8 runs in the last innings. The league standing:

Table with 3 columns: Team, Won, Lost. 4th Highlanders 4-1, 36th Barracks 3-3, Queen's Own Rifles 2-3, Stanley Barracks 1-2, Royal Grenadiers 1-4.

Games next Saturday: 3 p.m.—Stanley Barracks v. Royal Grenadiers; 8 p.m.—4th Highlanders v. Governor-General's Body Guards.

TORONTO BOWLERS AT BUFFALO. At Buffalo on Saturday the Munsons played the return match in the series with the Palaco team, and were beaten on the round by the narrow margin of one pin. In the first game bowled here the Munsons won by 344 pins, but on Saturday on the home alleys the Palaco band defeated the Toronto team by 345 pins, the score being 2,858 to 2,518.

The Assurance team played a tie game in the afternoon with a Buffalo team, and won in the evening by 3,220 to 2,340.

QUEEN CITY YACHT CLUB. Chairman Ed Leadley of the Queen City Yacht Club Entertainment Committee is to be congratulated upon the excellent manner in which he attended to the details of the first of the club's weekly card parties. The affair, which was held at the clubhouse on Saturday night, was a success, and the boys had a jolly time. Mr. Arkroyd steered a clean course from the first table and won first prize with "Whitcap." Phillips hard after him. Mr. Kent won his way "inside the money" while the hooby prize was won after a nip and tuck fight by Mr. Daly. A musical program and a lively boxing bout between two club members, who can sidestep and duck as well as they can "boke out" or tie in a reef, relieved the monotony of an entire evening with the pasteballs.

SCOTS OFF FOR WEST TO-DAY. The Scotch curlers arrived in the city last night from Windsor, and left at 1:45 p.m. on the North Bay train for Winnipeg. J. D. Flavell's Lindsay rink accompanied them. Saturday the Scotchmen won at Detroit by 24 to 8, and were beaten at Windsor. At Winnipeg the Bonspiel Committee has decided to bar colored players.

SAILED A MILE A MINUTE. Jockey Championship May Be Decided This Afternoon. If it breezes up at all this afternoon the first of the jockey races for the championship of the Bay and the Free Press will be sailed. The starting flag will be placed at the foot of York street.

It is not likely that Hector McEwen's boat Columbia, which won the hunting in the last race last season, will be a starter. McEwen claimed the right to fly the flag this season until it was won from him, but he was denied this privilege, and says he will not sail again for it. Among the boats which will sail for the flag will be William Fisher's Invader, Fred Phelan's Kamin, Wesley Dorman's Cyclone, Edie Dorman's Earl King, Jessica, Jack Frost, and Beaver, and the Islander and a couple of other craft. In a heavy breeze the race is anybody's. In a light breeze Beaver and Islander should fight it out, while in a moderate wind Dorman's Jessica, with Joe Tynan at the stick, and Invader with Fisher steering, should be somewhere in the van.

The first contest of the season, a matched race, was scheduled for Friday, but Fisher's Invader was the only boat that left the slip. It blew a sixty-mile gale from the north-west. Coming up the bay the wind tore a cloth out of the leech of Invader's sail, but Fisher shipped another sail and tried to break the record to the Island and back. As there was no measured course accurate time could not be taken, but it was acknowledged that at times the Invader was clipping along at a mile a minute clip. Fisher is kept busy denying a tale to the effect that he put Invader through the ice on Friday. While coming up Long Pond Fisher went through about four feet, over the top of his rubber boots, but the Invader was not there to share in the swim.

The ice on the Bay is perfectly safe and in excellent shape for boating.

IROQUOIS BEAT THE STARS. The Iroquois defeated the Stars on Harris' rink on St. George street Saturday by a goal to 2. The teams: Iroquois (4)—Goal, A. Hodgins; point, J. Taylor; cover-point, H.
