SHINDLE QUILTS PROVIDENCE CLUB

Veteran Third Baseman Changes His Mind and Sends Back the Gold.

EASTERN LEAGUE MEETING

Schedule of Championship Games for the Season Will be Given Out Wednesday.

Word reached Toronto to-day that Billy Shindle will not manage the Providence team this season, having failed to arrange for the care of his business interests in Gloucester, N.J., to his satisfaction. Shindle owns the leading hotel there and is not anxious to leave it in the hands of untried persons. He has returned the \$500 advance money received and the contract he was supposed to have signed. This called for \$400 per month. President P. T. Powers of the Eastern League has gone to the rescue of President Cresy of Providence, and promises to direct a capable man to that city within a few weeks.

President Jess Applegate of the Toronto Ball Club was notified by President Pat Powers on Saturday that the Eastern League would meet in New York on Wednesday at 12 o'clock noon, for the purpose of drawing up the schedule for the season. Mr. Applegate, who will represent the local club at the meeting, will leave for New York to-morrow night.

Manager Barrow's Detroit team beat Shreveport in the final game by 9 to 4. Charlie Carr made the only error of the game on a bad bounding ball. Kissinger, Deegan, and Hopkins pitched for the American League. Gessler got two hits, one a three-bagger.

Toledo has a pitcher named Quick. He ought to put fear in the hearts of sleepy base runners.

Joe F. Rickett, the Worcester outfielder, has had an attack of pneumonia, and yesterday was able to be out for the first time. Since returning to Worcester from Montreal Rickett has suffered from a severe cold.

John P. Burke of the Atlantic City Independent Baseball Club, will be a member of the Newark Eastern League team's pitching corps this season. Burke is reputed a good twirler of long experience. He pitched several games for New York National Leaguers last season. He stipulates, however, that he cannot report to the Newark club until June 10, as he has signed a contract to coach the Allegheny College team until that time.

The Newark team will report for practice on Wednesday at the Cove Hotel grounds, near the Livingston Station, Staten Island. The players will work out there until the Newark grounds are in shape.

A bitter in need is a bitter indeed. The man who can only rap 'em out when the bases are empty is no good, even if he does hit at a .500 clip.

Buffalo's team is playing fast ball in practice. Trouble is, it gets out of practice.

First Baseman Clancy of Worcester has reported to the Philadelphia Nationals. He will have to beat Bill Douglas, the veteran catcher, for the position.

The 65th Regiment team of Buffalo defeated the Buffalo baseball team in indoor baseball by 17 to 3. Manager Stalings took to the woods after the game.

Baltimore's Eastern League baseball team has an interesting schedule of exhibition games to be played prior to the opening of the championship season. The dates follow:

April 11—With Brooklyn at Baltimore.
April 13—With the Philadelphia Nationals at Baltimore.
April 14—With the Philadelphia Nationals at Baltimore.
April 15—With the professional team managed by Richard E. Chew at Baltimore.
April 16—With the Washington American League team at Washington.
April 17—With the Washington American League team at Baltimore.
April 22—With the Maryland Athletic Club at Baltimore.
April 25—With the Albany team of the New York State League at Baltimore.
April 27—With the Albany team of the New York State League at Baltimore.
April 29—With the Maryland Athletic Club at Baltimore.

THE LOTTERY OF THE TURF.

"Talker about the lottery of the turf," said Trainer Eddie Whyte of the Hon. the Salvator—Quebec's 2-year-old, to some visitors at the Valley Farm last week: "here is an example of how close you may come to making a bullock and yet miss the target altogether. At the Haggan sale of yearlings it was a question whether to buy this one or the other. The latter was a better looking one, was declared on, and when he was brought into the ring Mr. Will got him for \$750. The other one brought \$500. He was named Savable, and he won last year's Futurity."

McCLELLAND HERE THURSDAY.

Pittsburg, March 30.—Jack McClelland and his manager will leave here Wednesday night for Toronto, Ont., where Jack has been matched to fight 29 inches with "Billy" Ryan of Syracuse, N.Y. McClelland is using every possible means to get into the very best condition, as Ryan twice gave him battles which he won for some time. The Pittsburg boy received the long end of the money on one occasion, while the last contest was a draw after some fierce fighting for a few rounds.

TORONTO TO BE REPRESENTED.

Brockville, March 30.—Commodore Bowie, of the C. L. A., has received a letter from Herb Begg, Toronto, ex-commodore, saying that Toronto would be well represented at the big C. L. A. meet here on the 1st of July.

COMMENT ON CURRENT SPORTING TOPICS

It was expected, by the officers of that body that the senior series of the Ontario Rugby Union would this year be composed of about eight or ten clubs at least. Peterboro was counted as one of the number. At a meeting of that club, however, it was decided to remain in the intermediate ranks. The Peterboro club is setting a good example by commencing practice at the new snap-back rules thus early in the year. The rules are very simple and can be easily picked up with a week's practice, but any number of plays can be devised which will keep the tacticians on edge all the time, so that an early start will give the players a better opportunity of learning the fine points of the game.

Having tried both kinds, the St. Catharines Athletics have come to the conclusion that "home-brewed" lacrosse players are much superior to the imported article—and far cheaper. London, Woodstock, and other well-known towns can give similar testimony.

President P. T. Powers will have his joke. He called the Eastern League meeting for Wednesday with malice aforethought. He'll spring his schedule and then every magnate will realize that it is All Fools' Day.

Giant oak from tiny acorns spring, so that there may be some hope for the Trent Valley Lacrosse League, which organized on Saturday with three clubs as members, two of them from Peterboro. What the new organization lacks in teams it makes up in officers, having eight altogether on the list, which is nearly three times the number of clubs.

Of course the Anheuser-Busch stake race at Little Rock Saturday was won by the horse nearest to the bar—rather the judges.

There's nothing like getting in good and early. Winnipeg Rowing Club cyclists have sent a challenge for the Stanley Cup, the games to take place in January of 1904. The trustees will not likely entertain the challenge, but will tell the Winnipeggers, as they did the Wellingtons, to stay at home until the end of the season and win another championship.

The popularity of Commodore Loudon of the Queen City Yacht Club among the boys is illustrated by his re-election to the premier office in the club. This is Commodore Loudon's third term. His chief deputy will again be "Bobby" Groves, who was elected to the position when Vice-Commodore William Whitrow left for Ottawa last December. Vice-Commodore Groves is just as popular as the commodore.

THE ENGLISH TEAM WINS AT CHESS

Referee H. N. Pillsbury Decides in Their Favor in the International Match.

London, March 30.—The annual international cable chess match between the University students of Great Britain and the United States came to an end Saturday night, but no definite announcement of the result was made. Two unfinished games on board four and board six were submitted to the adjudication of Referee H. N. Pillsbury by the English players, who had to return to their homes.

Mr. Pillsbury eventually decided, after playing the game on board four, that the American had won. This made the score equal. The referee then explicated with the game on board six (between Bridgman, of Harvard, and Brown, of Cambridge) and has decided as stated above. The match, therefore, results in England's favor by one point.

OFFICERS' INDOOR LEAGUE.

The 48th Highlanders and Body Guards are tie for the championship of the Officers' Indoor Baseball League as a result of Saturday's games, when the 36th beat the Highlanders by 21 to 16 by scoring 14 runs in the 9th innings, and the Body Guards winning from the O.G.R. with the record score of 91 to 24. The standing:

ATHLETICS ARE IN FIELD AGAIN

St. Catharines to Have a Senior C. L. A. Team of "Home Brewed" Players.

DON'T WANT IMPORTED MEN

First-Class Twelve Expected to Represent St. Kitts in the Game This Season.

St. Catharines, March 30.—A meeting of the Athletic Lacrosse Club was held Saturday night. The auditors' report showed that the season's receipts amounted to \$2,762.11; the gate receipts for the season totalled \$1,833.80; the largest gate being \$392.10, the lowest \$71.65. The expenditure came very close to the amount of the receipts, and the small balance remaining is on deposit in the Bank of Toronto.

It was decided to remain in the senior series of the C. L. A., and oppose "B" proposals to have the affairs of the seniors run by the intermediates and juniors.

President Dawson, in a brief review of the work of last season, said that the executive had taken up their work with a spirit of determination to do their best, and to accomplish the very best results they could. They were practically "green" hands, and he, personally, was free to admit that mistakes had been made during the season, which, while they were not apparent at the time, were evident to him now. It was by turning mistakes to account and profiting by them that the greatest success is attainable. He hoped that none but "home brews" would ever be in the ranks of the Athletic Lacrosse team. St. Catharines has more than enough good players to form a first-class team, without importing outside stick-handlers. Last year's team, he considered, did well, though it might have done better. He hoped to see a first-class team in the field this year, and he promised that he would do all in his power to assist.

Mr. A. M. Ecclestone spoke in appreciation of the assistance the local press had given to the club, and moved that the editors and reporters of the city newspapers be elected honorary members of the club. The motion carried unanimously.

Mr. F. Dixon moved, seconded by Mr. Charles Southcott, that "this club endorse the nomination of Mr. Jos. F. Timmons as its representative on the council of the C.L.A." Carried.

Messrs. Jos. F. Timmons, A. M. Ecclestone, and John M. Cameron were elected delegates to the meeting of the C. L. A. in Toronto on Good Friday.

Cornwall, March 30.—Cornwall's chances for the coming season under a strong committee would be excellent. IMPLEMENT HALL FOR BALL PLAYING

Torontos Will Practice at the Exhibition Grounds in Wet Weather.

Manager Gardner of the Toronto Ball Club will attend the Eastern League schedule meeting in New York on Wednesday, and will then come on to Toronto to take charge of the team. Most of the players are expected by Wednesday.

The team will practice every fine day at Diamond Park, and when wet weather occurs they will play in the Implement Hall at the Exhibition Grounds. Arrangements having been granted by Park Commissioner John Chambers and Dr. J. O. Orr, manager of the Exhibition.

Bill Massey would be appointed captain of the Toronto club, but this can hardly be correct, in view of Manager Gardner's recent announcement that Jack White would be the checker in chief. Bill Massey was not selected. Massey would make a first-class captain, and the report probably arose through the belief that it was better to have the captaincy in the field instead of the outfield.
