

SECOND GAME WON BY NEWARK CLUB

Torontos Failed to Get Together at the Bat and Lost the Contest

BRILLIANT WORK IN FIELD

Bill Massey, Jack Golden, and Geo. Bannon Contributed Wonderful Catches.

Newark beat Toronto by 5 to 1 in the second game of the series at Diamond Park yesterday afternoon before a large crowd. The locals could have won the game easily several times with an opportune single, but inability to respond to the wishes of the fans cost them a defeat. George Hemming pitched winning ball and made a single and a three-base hit into the bargain. There were a number of fine fielding features, including spectacular catches by George Bannon, Bill Massey, Charlie Kuhns, and a couple by Jack Golden. Moriarity pitched for Newark, and his work was of a high order.

The game was marred by the tiresome quibbling of the Newark players, who objected to everything that happened on the field.

Toronto scored in the second on Golden's hit and steal, and Wagner's fumble of Carr's grounder. Toft popped up a fly to the stands, and Carr was easily doubled at first. Miller drew a base on balls in the third after Hemming had been retired, and Kuhns bunted, reaching first safely, when Moriarity fell down. Miller tried to make third on the play, but O'Hagan threw him out. White was caught trying to steal. In the fifth Carr singled and Toft struck out. Hemming hit safely to left. Miller rolled a bouncer to the pitcher, who threw Carr out at third. Devlin tried to get Miller at first, but threw low, and Hemming got to third. White pulled an infield out. White led off in the sixth with a single and Massey bunted to Moriarity. Wagner dropped the latter's throw and White was safe. Golden sacrificed, Downey struck out and Carr hit to short, ending the innings. Toronto got two men on bases in the eighth, but there was nothing doing, and in the ninth Hemming tripled with one out, but Miller and White could not bring him in.

Newark scored twice in the first innings. O'Hagan singled and O'Brien sacrificed. Golden then pulled in Bannon's long fly. The third-inning slug second and came home. Dillard hit safely to left. Lawlor flew out. A fast double by Massey and Downey saved Toronto in the second. Newark was blanked until the seventh, when, with one out, Wagner made a hit and Shea followed with a triple to right field. Moriarity then flew out, but O'Hagan hit safely, scoring Shea. O'Brien went out, and Toft, Devlin's hit, Kuhns' fumble, an infield out, and Downey's low throw gave Newark a run in the seventh.

NOTES OF THE GAME
 —It's the bat that wins.
 —The opportune hit was missing.
 —Hemming pitched a fairly good game.
 —Toronto has scored two runs in the last eighteen innings.
 —O'Hagan is a spoiled child. O'Brien has been inoculated also.
 —Golden covered an immense territory in center field.
 —Five of the six Newark batters in the first innings made hard drives to the outfield.
 —Kuhns drew a base on balls in the first innings, with one out, but never got any further.
 —Miller tried to make third on Kuhns' infield hit in the third and was caught on a close play.
 —Bannon cut Downey out of a hit in the fourth, getting a low drive from his bat right off the ground.
 —Downey made a nice stop of Wagner's grounder in the second, but ended it with an awful throw to first.
 —Downey was called out on strikes at a critical juncture when the ball was six inches from the plate and as high as his head.
 —Golden's hit in the second was a liner right at Moriarity's shins. The ball

bounced high in the air and Golden easily made first.

—Downey is this "conversation gang" shouted Kuhns as the Newark players gathered in the center of the diamond for their seventh conference.

—O'Hagan got an undeserved life in the first innings. Massey threw him out to Hemming on a close play, but Umpire Shannon declared him safe.

—Golden ran in back of second base in the seventh to get Moriarity's pop fly. The infield was playing in close, and none of them could reach the ball.
 —Umpire Shannon called a strike on White in the first innings. The Toronto captain protested. "That'll cost you five dollars," said Shannon. And White subsided.

—Downey made a fine pick-up of Wagner's hit over second in the fifth, but he couldn't get the runner at first. Wagner scored on Shea's splendid three-base hit to the right field fence.
 —Toronto pulled off a fast double in the second innings. Shea tried to sacrifice to Massey, but the big fellow shot the ball down to Downey and got back to first in time to get Shea, too.

—O'Brien objected to White getting a drink in the fourth innings and had a long argument with the umpire about it. White took a good long drink while he was at it and annoyed O'Brien further.

—Carr ran to second on Toft's pop fly to right field in the second and was easily doubled, as O'Brien made the catch. Toft intercepted the throw to the bag, but Carr couldn't get back to the base.

—With O'Brien on third in the third innings Devlin hit a smashing liner towards right field. Massey reached the ball with outstretched ungloved hand, making a sensational catch. The crowd gave him an ovation.

—Captain O'Brien made a vigorous complaint about Kuhns standing fifteen feet outside the players' bench in the third. The Torontos maintained that as Kuhns was the next batter it was permissible for him to stand where he did. Eventually the umpire ordered Kuhns to the bench.

JERSEY CITY BEATEN IN THE 11TH INNINGS

Great Game at Buffalo Yesterday, in Which the Leaders Were Beaten—Other Games.

Buffalo, N.Y., May 22.—Buffalo and Jersey City battled for eleven innings before a decision was rendered favoring the home team, the score being 2 to 1. It was Milligan's pitching that saved the day for Buffalo, out two singles being made by the visitors. Barnett was hit ten times, but never more than twice in an inning. It was a great game throughout. Score:

| R.H.E. | Runs | Hits | Errors |
|-------------|------|------|--------|
| Buffalo | 2 | 10 | 0 |
| Jersey City | 1 | 10 | 0 |

Batteries—Milligan and Shaw; Barnett and McManus and Dillon. Umpires—Kelly and Brown. Attendance, 8,152.

DICK COGAN IN TROUBLE
 Rochester, N.Y., May 22.—But three Providence players got as far as second base today, Becker being in great form and having superb control. In the eighth inning Manager Cogan ran in from center to dispute a decision that had been made at second base. Umpire Latham ordered him from the field, and as he refused to go, two policemen helped him to change his attitude in the matter. The score:

| R.H.E. | Runs | Hits | Errors |
|------------|------|------|--------|
| Rochester | 0 | 2 | 1 |
| Providence | 0 | 3 | 0 |

Batteries—Becker and Lilly; Gray and Higgins. Umpire—Latham. Attendance, 415.

WRIGLEY CUT THIRD BASE
 Baltimore, Md., May 22.—Baltimore took the second game of the series today from the Worcester team, chiefly by bunching hits in the fourth innings. Both pitchers pitched good games, and little batting was done by either side. Worcester had a good chance in the last to tie the score, but Wringle was called at the plate for cutting third base. The score:

| R.H.E. | Runs | Hits | Errors |
|-----------|------|------|--------|
| Baltimore | 1 | 10 | 0 |
| Worcester | 0 | 10 | 0 |

Batteries—Gettig and Robinson; Winham and Stechman. Umpire—Swartwood. Attendance, 67.

FIRST YACHTING ON MONDAY NEXT

All the Local Clubs Have Races Arranged for the Holiday.

LORD MINTO AS A SAILOR

Season's Programs of the Royal Canadian and Queen City Yacht Clubs.

There will be lots doing in the yachting line in and around Toronto on Monday.

The National Yacht and Skiff Club opens the season with an ambitious program. In the morning the 16-footers and the special class will race. The first class will get away at 10 o'clock. In the afternoon the yachts, mackinaws and dinghies will fight it out. The yachts will be started away at 3 o'clock, the mackinaws at 3:10, and the dinghies at 3:20. There will likely be four boats in the mackinaw race—James W. Commford's Tainui, Orr Winton's Arrow, William Smith's Maybelle, and Fred Phalen's new Bronte boat—and the event should be closely contested from start to finish. In the dinghy race a dozen mosquitoes will start, including Winds Will, the champion of the Q.C.Y.C. last year; Sobret, Brunet, M'Lisa, Roxanne, Lily, and a couple of new ones.

In the afternoon a musical program will entertain the visitors to the club house at the foot of Bathurst street, and in the evening the committee has arranged for a dance. The club house has been prettily decorated for the occasion, and the broad verandahs will be a favorite rendezvous if the weather is too warm for continued dancing.

The Royal Canadian Yacht Club opens the season with a race for the popular 16-foot class and the 12-foot dinghies. The 16-foot class should prove a lively event, for the R.C.Y.C. boats have always been to the fore in this class.

The Queen City Yacht Club, which opened the season this afternoon with a cruising race, will hold a race for dinghies at 3 o'clock Monday. Col. Lee will handle the gun, the watch, and most everything else connected with the official end of the race. The Q.C.Y.C. has the largest fleet of dinghies in the city, and Monday's race will excite more interest than the size of the craft warrants.

The Sunnyside Yacht Club will have a race for 16-footers.

The Earl of Minto, though it may not be generally known, is somewhat of a sailor. Last week he took a trip around the bay in a dinghy built for him by Harry Hodson. She is as dainty a little thing in the dinghy line as has been turned out in Toronto. Her hull is of polished mahogany. All her fittings are of gun metal and the canvas of silk. The little boat was designed by Mr. J. Wilton Morse, the well-known amateur designer and his Excellency was well pleased with the way in which she acted in a good, westerly breeze. She will be shipped to Ottawa.

The following racing program has been drawn up by the Queen City Yacht Club: May 23—Cruising race to Oakville, all classes.
 May 25—Dinghy class for World Cup.
 May 30—16-foot class, Smith Cup.
 June 6—First class, Tupper Cup.
 June 13—17-foot class, Dodd Cup.
 June 20—Dinghy class.
 June 27—Cruising race to Oakville, all classes.

 July 1—L.S.S.A. regatta, 16-foot class and dinghy class.
 July 4—16-foot class.
 July 11—17-foot class.
 July 18—Dinghy class.
 July 18-25—Y.Y.R.A. regatta.
 August 1—Cruising race to Oakville, all classes.
 August 8—Canada Cup race.
 August 15—First class and 16-foot class.
 August 22—Ward cup race for 16-foot class open to all local clubs of L.S.S.A.
 August 29—17-foot class.
 September 5—Cruising race to Oakville, all classes.
 September 12—First class.
 September 19—Handicap for all classes for a cup presented by Sailing Committee.

At last it has been discovered—the name of William McGill's new yawl for the 25-foot water-line class. It is—ah, um-m-l let me see!—oh! yes, the "Matilda."

The 40-foot launch built for Mr. Mc Gillivray Knowles by the Canada Launch Works will fly a Q.C.Y.C. burgee this summer. She is a handsome addition to the club, and the boys are proud of her.

The R.C.Y.C. anchorage looks familiar again with its little forest of masts. Nearly all the larger-boats are in commission. Gloria is the only import craft missing from the anchorage. Commodore Jarvis' Merrythought, under her yawl rig, has been sailing all week.

Aykroyd Brothers will build no 16-footers this spring. Lack of the proper material is the cause.

Following are the racing fixtures of the R.C.Y.C.:
 Monday, May 25—16-foot skiff class and 12-foot dinghy class.
 Saturday, May 30—25-foot class and 14-foot dinghy class.
 Saturday, June 6—First class "Murray Cup" and 20-foot class.
 Saturday, June 13—30-foot class and 12-foot dinghy class.

 Tuesday, June 30—L.S.S.A. regatta and "Cakes Walk Cup" race at Oakville.
 Wednesday, July 1—"Queen's Cup" race at Toronto, over 40-foot class and L.S.S.A. regatta at Oakville.
 Saturday, July 4—30-foot class and 12-foot dinghy class.

 Edinburgh, May 22.—R. Maxwell, a famous young North Berwick player, won the British amateur golf championship at Muirfield to-day, defeating R. G. Hutchinson by 7 up and 5 to play. Hutchinson, who is of the Royal North Devon Club, had previously held the championship twice, and the Scotsman was greatly elated at his defeat of the English crack.

OSHAWA TO PLAY THE TECUMSEHS

The Senior C.L.A. Championship Match at the Island Oval on Monday.

PERSONNEL OF THE TEAMS

Waghorne Will Captain the Indians and Baker Will Look After the Visitors.

Everything is in readiness for the opening of the championship lacrosse season at the Island Monday, when Oshawa and the Tecumsehs close in what promises to be one of the hardest lacrosse battles seen in Toronto in many a day. Both teams are confident of their ability to win, and from their line-up it is hard to say which should pull out on top. The whistle blows at 3:30 o'clock, rain or shine, and the game will start sharp on time. As Oshawa plays Brantford in Oshawa this afternoon, and may get a man or two hurt, it is hard to give the exact line-up, but as near as you can get it at present the teams will face the referee in the following order:

- Oshawa—L'Hereux, Goal; Point, Angus Kervin, Cover-point; Menarey Fagan, First defence; Shore Conron, Second defence; Roach Clement, Third defence; Bond Way or Tovey, Center; Forrester Hall or Hogan, 3rd home; Kyle Degan, 2nd home; Dowling Wilkinson, 3rd home; Swayne Kimpton or Hunter, Outside; McKenzie Blythe, Inside; Greatrix Waghorne, Captain; Baker.

These are the teams, and it will be easier to compare them on Monday afternoon than now. However, Oshawa is certainly strong in close to the flags on defence. L'Hereux was goalkeeper for the Nationals, and was easily the best man of the Habitant line-up last year, while Kerwin and Cameron of Cornwall are a really great pair. But on the defence field Oshawa does not look so hard, and it is doubtful if Fagan, Conron, and Clement can stay with such a fast trio as Kyle, Dowling, and Swayne, while the Tecumseh defence should be able to give a good account of itself against the best home of the Oshawas.

Still, the unexpected often happens in lacrosse, and the more frequently in a game where each team contains so many possibilities as in these two. The fight cannot fail to be a great one, and as both teams are in splendid shape, considering the season, it should be fast, clean lacrosse.
