

SECOND GAME WON BY NEWARK CLUB

Torontos Failed to Get Together at the Bat and Lost the Contest

BRILLIANT WORK IN FIELD

Bill Massey, Jack Golden, and Geo. Bannon Contributed Wonderful Catches.

Newark beat Toronto by 5 to 1 in the second game of the series at Diamond Park yesterday afternoon before a large crowd.

The game was marred by the tiresome quibbling of the Newark players, who objected to everything that happened on the field.

Toronto scored in the second on Golden's hit and steal, and Wagner's fumble of Carr's grounder.

bounded high in the air and Golden easily made first.

O'Hagan got an undeserved life in the first innings.

Golden ran in back of second base in the seventh to get Morarity's pop fly.

Downey made a fine pick-up of Wagner's hit over second in the fifth, but he couldn't get the runner at first.

O'Brien objected to White getting a drink in the fourth innings.

Carr ran to second on Toft's pop fly to right field in the second and was easily doubled, as O'Brien made the catch.

With O'Brien on third in the third innings Devlin hit a smashing liner towards right field.

Captain O'Brien made a vigorous complaint about Kuhns standing fifteen feet outside the players' bench in the third.

OSHAWA TO PLAY THE TECUMSEHS

The Senior C.L.A. Championship Match at the Island Oval on Monday.

PERSONNEL OF THE TEAMS

Waghorne Will Captain the Indians and Baker Will Look After the Visitors.

Everything is in readiness for the opening of the championship lacrosse season at the Island Monday, when Oshawa and the Tecumsehs close in what promises to be one of the hardest lacrosse battles seen in Toronto in many a day.

Both teams are confident of their ability to win, and from their line-up it is hard to say which should pull out on top.

The whistle blows at 3.30 o'clock, rain or shine, and the game will start sharp on time.

As Oshawa plays Brantford in Oshawa this afternoon, and may get a man or two hurt, it is hard to give the exact line-up, but as near as you can get it at present the teams will face the referee in the following order:

Oshawa—L'Hereux, Kervin, Cameron, Conron, Clement, Degan, Wilkison, Blythe, Waghorne. Tecumsehs—Angus, Davis, Menarey, Shore, Roach, Bond, Forrester, Kyle, Dowling, Swayne, McKenzie, Greatrix, Baker.

These are the teams, and it will be easier to compare them on Monday afternoon than now.

However, Oshawa is certainly strong in close to the flags on defence.

L'Hereux was goalkeeper for the Nationals, and was easily the best man of the Habitant line-up last year, while Kerwin and Cameron of Cornwall are a really great pair.

But on the defence field Oshawa does not look so hard, and it is doubtful if Fagan, Conron, and Clement can stay with such a fast trio as Kyle, Dowling, and Swayne, while the Tecumseh defence should be able to give a good account of itself against the best home of the Oshawas.

Still, the unexpected often happens in lacrosse, and each team contains so many possibilities as to a great one, and as both teams are in splendid shape, considering the season, it should be fast, clean lacrosse.

CHAS. GAUDAUR IN TRAINING.

Expects to Row Hackett, Rumohr, Wise, and Johnson This Summer.

From the Orillia Times.

Mr. Chas. Gaudaur, who has recently taken up his residence again at the narrows, will devote himself to aquatics, and is rapidly getting himself into boating form.

During the summer he expects to meet Hackett of Port Arthur, Wise of Leslieville, and Johnson of Vancouver. He is getting a new boat from Reddick of Boston, and expects to make a good showing.

Mr. Gaudaur appears to be in fine condition, and says he feels as well as he looks. A race on the bay here would prove a splendid attraction, and no doubt such can be arranged if Orillia citizens are willing to take hold.
