SHAMROCKS TIE WESTON A 16-Year-Old Girl Burned by Coal Oil Flames—Foresters Attend Church.

By Our Own Reporter. Toronto Junction, June 22.—The Senior Shamrocks of Toronto Junction are champions of the Senior City League for another year. The handsome oak and silver shield donated by N. Garland some years ago to the champions of the City League will, therefore, remain in Toronto Junction.

This is the result of Saturday's game on the Island oval, when the Young Tecumsehs were vanquished by the Junction team by a score of 6 goals to 2. Properly speaking, the game, which was played as an exhibition game, for previous to its start about 6 o'clock the Tecumsehs conceded the game to the Shamrocks, thus giving the latter team the championship. Then the Tecumsehs put three senior men on their team and lined up against the green jerseys. The Shamrocks had much the better of the play, which was well indicated by the score of 6 to 2.

Use of Coal Oil on Fire. A 16-year-old girl named Denis, living at 118 Dundas street east, while trying to light a wood fire by the aid of coal oil, was severely burned by the flames leaping suddenly up and enveloping her.

LAMBTON BEAT HIGHLANDS. The Lambton Country and Golf Club defeated the Toronto Highlands in a match on Saturday by 51 to 28 on the former's links. Score: Lambton, 51; Highlands, 28.

Won From Weston. The Intermediate Shamrocks also did brilliantly at Weston on Saturday, holding the Weston team down to a tie score of two goals each. Last year Weston defeated the green-shirted lads on the latter's own grounds by 5 to 0, and the reversal comes as a pleasant surprise.

Foresters Attend Church. The local court of the Canadian Order of Foresters, to the number of about 70, paraded to Annette Street Methodist Church yesterday afternoon and listened to an eloquent sermon from Rev. T. E. Shore on the text—'We have found the Christ.' His humility and the various fraternal and benevolent societies, if they were to be judged by their constitutions, were an exemplification of the Christian doctrine of the brotherhood of man.
