TORONTO MEN FOR WORCESTER MEET

Preparations For the Big N.A.A.O. Regatta on Lake Quinsigamond.

The thirty-first annual regatta of the National Association of American Oarsmen, open to all amateur clubs in the world, is scheduled to take place over courses on Lake Quinsigamond, Worcester, Mass., on Friday and Saturday, August 14 and 15.

Toronto will be represented by the Argo eights and fours, and Joe Wright and Don Mackenzie in the senior doubles, Lou Scholes and Frank Smith of the Torontos in the senior singles and doubles, and by a couple of Don crews.

At these races Scholes will meet Constance Titus, the American crack; Pope, the California; Len Marsh, and Frank Smith, who are club-mates, who will pull single at both this and the Canadian Henley races.

Worcester is one of the most enthusiastic rowing centers in America, and Quinsigamond has turned out many of the best performers of the East. The meet was held there last year.

There will be twelve events contested. All races except those for senior international four-oared shells and intermediate and senior eights, will be rowed over a course one mile and a half with turn. The others over a mile and a half straightaway journey. The program for the meet follows:

Single scull shells—Intermediate.
Association senior single sculls.
Championship senior single sculls.
Double scull shells—Intermediate.
Double scull shells—Senior.
Pair oared shells—Intermediate.
Pair oared shells—Intermediate.
Four-oared shells—Intermediate.
Four-oared shells—Senior international.
Eight-oared shells—Intermediate.
Eight-oared shells—Senior.

A new trophy has been offered by a well-known sporting man for intermediate eights. It is of exceptionable merit and was manufactured for exhibition at the Chicago World's Fair.

The trophy stands twenty-eight inches high and weighs 350 ounces. The cup is mounted upon a Maltese cross of ebony, and the body is twelve inches in diameter and five inches deep.

From the center of the cup proper, the figure of victory with widespread wings leans forward with the laurel wreath extended. In her left hand she bears a shield. The figure of the oarsmen was posed by Hosmer and was cut from a solid block of silver, as was the fox on the top.

The Argos are already preparing an intermediate eight to carry off this magnificent trophy.

For the Canadian Henley the Torontos have a new junior fours. The crew, which is a little light, but going fast, is as follows: Lou Smith stroke, McBride 3, Sprinks 2, and Finnigan bow. Fery and McGrath will row junior double.

There is a chance that young Walter Obernesser will not row intermediate at this meet or this year. He is only 18 years of age, and his father is afraid that he might hurt himself in the struggle.

WILL NOT GO EAST.

The Britannia Boathouse Club of Ottawa is holding a big canoe regatta at Ottawa on Saturday, and the Canadian Canoe Association has another at Longueuil on Aug. 1. Toronto will be represented at neither. The reason is not far to seek. The Toronto Canoe Club would send delegations to both regattas, but the Eastern clubs, with the possible exception of St. Lambert's and the Grand Trunks of Montreal, will not reciprocate. The Toronto men have been trying for years to get the Eastern men here, but with but little success. They obtained the promise of half a dozen foreign entries at Brockville for the home-comers' meet here on July 4 and for Sturgeon Point, July 11, but all failed to materialize.

The Torontos are now working to keep in shape for the Barrie and Orillia regatta on Aug. 8, where they hope to turn the tables on the Orillia war canoe crew.

GRANITES BEAT R. C. Y. C.

The Granites sent four rinks across to the R. C. Y. C. Island greens yesterday and the yachtsmen gave them a good contest. The Church street bowlers, however, won out by this score:

Lamont	6.25	5.46 00

The water lots in front of the National Yacht and Skiff Club at Queen's Wharf were sold to a big cement company on Tuesday and the club will remove their quarters this fall to a new site on the easterly side of the Queen's Wharf.

The National Yacht and Skiff Club's entire fleet will race for the challenge cup presented to the club by the late Ald. Hallam The handicaps are being arranged by Rear Commodore Downer, Captain Commeford, and Art Whinton. Everything with sails, from Commodore Collett's shooting punt and Scott's "Muskito" to the big Mackinaws Arrow and Kumin, will be handicapped. Shegola, Oliver Spanner's fast 16-footer, will likely be scratch boat.

The first two satisfactory trial races of the series that will decide which yacht is to defend the Senwanhaka Cup were sailed over the 12-mile course on Lake St. Louis yesterday by the new yacht Thorella II., the Trident, and the Osma The Thorella won both races, the first by 2 minutes 10 seconds and the second by 1 minute 25 seconds. A nice breeze which allowed full sail blew from the southwest and was such as to show the superiority of the Thorella in all conditions of boating, reaching, and runnings. The Vampire, one of the possible challengers, which arrived a few days ago from the other side, sailed in the vicinity of the course under Mr. Higginson, one of her owners, and it seemed as if she was picking up information. However, when she got into a position from which comparisons could be made she swung about and avoided anything of that nature.

The Canada's Cup challenger, the Irondequoit, has been overhauled in Charlotte harbor, and she was given her first trial race to-day The race was over a triangular course of 18 miles, with the Cinderella, a 52-foot cutter, as a competitor. One purpose of the trial races, aside from the tuning-up and sail-stretching the new boat will receive, will be the selection of the four amateur members of the Irondequoit's crew Captain James Barr and four professional members of the crew have already taken charge of the challenger.

SPORTING MISCELLANY.

—Worcestershire won from Philadelphia by 215 runs.

—Tim Callahan says that he would enjoy six rounds with Young Corbett at Philadelphia.

—Fitz now says that while he is willing to tackle Gardner, he must insist on a side bet.

—The good colt Golden Maxim hurt himself in a workout and will take an extended rest.

—Milwaukee is trying to induce Root and Gardner to go six rounds before a club up there.

—Joe Gans is reputed to have won $30,000 at the fighting game this year. He tops the money-getters.

—Representatives of the Japanese Government are looking over the stock at the Village Farm with a view of purchasing some of the trotters.

—Terry McGovern says that his stay in the mountains did him much good, and that he will be ready for another licking at the hands of Corbett this fall.

—The Gentlemen of Philadelphia have four more scheduled matches to play. The remaining dates are as follows: July 16, Hampshire; July 27, Sussex; Aug. 3, Leicestershire; Aug. 6, Surrey.

—Barney Aaron, the veteran pugilist, recently celebrated his seventieth birthday. He is hale and hearty and says that he would engage in a set-to right now with anybody of the same age.

—President George M. Hendrie said that while the Highland Park fall meeting, scheduled to follow Fort Erie, had not been officially declared off, it probably would be, yielding the field in Kenilworth. Highland Park will then follow Toronto in October.

—Tommy Sullivan of Brooklyn has signed to fight Young Corbett ten rounds before the West End A. C. of St. Louis at a future date. The bout will be at catch weights, and the impression prevails that Young Corbett will have to be in the best of form to beat the local man. Last week Tommy Sullivan won a decision over Tommy Feltz in twenty rounds.

ROSEDALE CLUB MATCHES.

The prize-winners in the July medal competition at Rosedale are:

AMATEUR BASEBALL.

—The Eatonia B. B. C. defeated the transfer department in a fast and interesting game of baseball by a score of 5 to 1. The feature of the game was the fielding of Walton for the Eatonias.

—The Haberdashers again proved their worth by defeating a picked team at Center Island by 13 to 11. Batteries, Carson and Kinnear; Blaikie and Howell. The features were "Yang" Young's catch of a difficult fly after a hard run and the heavy hitting of the Haberdashers. About 700 witnessed the game and the enthusiasm was intense throughout the contest.

COMMENT ON CURRENT SPORTING TOPICS

Lou Scholes' great fault is slowness in starting. The other top-notchers in the rowing game can nearly all get away from him at the pistol, and then the Toronto boy has to set himself down to make up the loss before he can lay up for the final spring. Eddie Durnan is giving him some useful work in starting, and before the August regattas should have corrected this fault.

The loss of Adamson will be a heavy one for the Torontos on their trip to Cornwall on Saturday. Adamson is a star at inside home. He is fast on his feet and as tricky as they make them. A little more experience and he will be as dangerous a man as any player in the business. Henderson can play lacrosse some, but he will have to do away better than he has ever done before to fill in Adamson's place. It is up to you, Mr. Henderson!

Mike Daly was justly elated over his colt's victory, says the Buffalo Courier. He said after the race that he would ship him to Saratoga and take a shy at some of the much-heladded Eastern crack 3-year-olds.

"My colt has traveled 6,000 miles since I have owned him, and he is not through yet. He has won four Derbies for me—the California Derby, the Tennessee Derby, the St. Louis Derby, and the Canadian Derby—a record which has never been equaled. Besides these victories, he has the Frontier Stakes at Highland Park to his credit. He finished second in the $10,000 Burns Handicap, fourth in the International Derby, and second in the American Derby. In the latter event he met with a lot of interference or he should have won. I am positive that he can defeat The Picket, which beat him in that race. Claude has won over $30,000 for me and he is not for sale. As a matter of fact I never got a decent offer for the colt. It would make no difference anyhow, as I would not dispose of him. I purchased him of my brother, W. C. Daly, at Morris Park last fall for $1,650."

Over in Buffalo the canoeists are inclined to pooh-pooh the stories of Reg Bloomfield's feat of riding the ferry boat swells across the Bay. The Buffalo Courier says, under the caption "This Story Comes from Sporty Toronto":

"The latest canoeing story which is going the rounds, but which may well be taken with a grain of salt, comes from the Toronto Canoe Club of Canada.

"One of the members of this well-known organization, a Mr. E. Bloomfield, who is said to be the club's crack paddler, has a remarkable method of getting across the bay at the expense of the ferry company without giving the ticket-chopper the slightest chance to collect his fare.

"'Mr. Bloomfield's little stunt,' so the story states, 'attracts lots of attention. He paddles into the large swells which follow the big sidewheel ferry boats, balances his light craft upon the farther side of one of the rollers, and the motion takes him across the bay as fast as the ferry. Frequently he travels across the bay at the expense of a couple of dozen strokes of the paddle.'

"Anyone who is skeptical of this performance is referred to the Toronto Canoe Club."

If the Courier's aquatic man wants a little excitement just let him drop around to the Toronto Canoe Club any afternoon and Bloomfield will take him along on one of his crest-riding trips, that is providing he tips the scales under the 200 mark.

Bloomfield frequently takes passengers across, and none enjoy the trip more than one of his young lady friends, who sits comfortably in the little white canoe as it races along with its nose buried to the gunwale in the foot of the swell ahead of the one carrying the tiny craft across the bay.

"The announcement is made that Commodore Jarvis will sail the Strathcona in the races for the Canada's Cup. This will be good news to yachtsmen, who have every confidence in Mr. Jarvis," says the Hamilton Spectator. They still watch Skipper Jarvis up in Hamilton, for he picked up the rudiments of the sailing game on the bay 'neath the shadow of the mountain.

BASEBALL BREVITIES.

—Weaver of Pittsburg is the tallest of backstops.

—Willie Reidy has joined the Philadelphia Nationals.

—Wolfe, the Toronto left-hander, is said to have a clam shell curve that none of them can hit.

—Baltimore is hardly making good in the Eastern League. The team must win or the people won't pay.

—Worcester has secured Pitcher H. A. Souders and Third Baseman Danny Sheehan. Orbin, or "Hurst," the University of Pennsylvania player, will be moved to the outfield.

—When Merle Adkins pitches for Baltimore and Robinson is behind the bat the weight of the battery is above 400 pounds. Adkins, a former Bellol College twirler, goes about the two-century mark in weight.

—R. O. Miller, the Chatham southpaw, who was with Toronto this spring, is doing phenomenal work for Manchester, the second club in the New England League. His last three victories have been shut-outs.

—How many players have survived the war of 1890 up to the present day? In the two big leagues, the following men are playing who were in the speedy tribes: "Lave" Cross, Ryan, Kittredge, Gleason, Donovan, Van Haltren, Burkett, Beekley, Daly, and Dahlen.

—President Harry Pulliam of the National Baseball League announced to-day that he had fined Catcher Bowerman of the New York team for striking Fielder Clarke of the Pittsburg team during the last visit of the latter team to this city. The fine must be paid within five days.

—Averages of the American Leaguers show that Chick Stahl of Boston is slugmaster-general of the company, with .366 to his credit in a small number of games. Parent and Larry the Great are tied at .345, and the next bunch in a tie at .333 are Crawford, Delehanty, and Howell. Detroit still leads in club batting.

—The results of the games at Sunlight Park every Saturday afternoon is the best evidence of the quality of ball that this fast amateur league is putting on. The teams are all exceptionally strong, and are well balanced, as the closeness of the scores every week proves. The games for next Saturday are as follows: 7 o'clock, Royal Canadians v. St. Clements; 4 o'clock, Wellesleys v. Strathconas.

—After several days' negotiations, President Bryce of the Columbus American Association Club, has made a deal with Manager Barrow of Detroit for Pitcher Deering, who Monday night was started from New York to join the Columbus team at Minneapolis. The deal is the result of a message sent to President Bryce asking for terms on Terry Turner, the crack third baseman. Barrow wanted to trade Pitcher Kissinger and two infielders for Turner, but the offer was refused. Bryce then asked for the loan of Pitcher Kissinger for the balance of the season, out of which culminated the deal by which Deering was secured by Columbus outright last night.

PORT HOPE WINS FROM OSHAWA

Close Hard-Checking Contest Between Two Keen Lacrosse Rivals.

HOME TEAM WON OUT, SOME ROUGH WORK

The Torontos Lose Adamson for the Cornwall Game—Henderson to Take His Place.

Port Hope, July 16.—The Port Hope Ontarios defeated the Oshawa team here yesterday by a score of 4—3, and now the town is having a holiday. The lacrosse rivalry between the two towns has always been of the keenest and the game was a hard-checking contest. Oshawa had a speedy aggregation. Way at center was a valuable acquisition, and Dobbin in goal made some good stops. Port Hope missed Frank Grimes from the defence. Cain, Port Hope's new man, won many admirers in the home town by his clever stick-handling on this his first appearance in Port Hope, and Jack White, "the cleanest exponent of lacrosse in Canada," won frequent applause by his brilliant playing, taking everything that came his way. The teams lined up as follows:

Ontarios—Young, goal; Griffiths, point; cover, White, defence field, Tuer, Henderson, Macdonough; center, Burt; home field, Kelly, Cain, Roach; outside home, Pennock; inside, Donaldson; captain, Renwick.

Oshawa: Goal, Dobbin; point, Pitcher; cover, Cameron; defence field, Fagan, Clement, Conron; center, Way; home field, Degan, Hall, Blythe; outside home, Hagan; inside, McKay, captain, Henry.

The game started at three o'clock, and during the first period Kelly scored for Port Hope. Donaldson, Fagan, and Hall were penalized by the referee during this period. The next quarter was very rough, and Fagan hit Donaldson over the head and was ruled off for the balance of the quarter. It was the dirtiest piece of work ever seen on the Port Hope lacrosse field, as when he hit Donaldson the ball was nowhere near. Oshawa scored two goals while the Ontarios failed to locate the nets, leaving the score 2 to 1 in Oshawa's favor at half-time.

In the third quarter Port Hope scored two and Oshawa was shut out, making the score 3 to 2 in Port Hope's favor. Both teams scored during the last period, and the game ended 4 to 3 in the Ontario's favor. Brown Jackson of Seaforth refereed.

LACROSSE NOTES

The Brantford Intermediate Lacrosse Club defaulted to St. Marys yesterday, and is thus put out of the running. The Brantfordites could not get a team together.

In a junior C.L.A. game at Mitchell yesterday the home team defeated Clinton by a score of 6 to 2. The game was very keenly contested and inclined to be a little rough.

The championship lacrosse game between London and St. Thomas resulted in a victory for the latter team by a score of 9 to 3. St. Thomas took the lead in the first quarter, and maintained it throughout.

President Fitzgibbon of the N.A.L.U. said last night, in effect, that if Dade and Hendry, late of Brantford, played with the Montreals Saturday and the Capitals protested them the Executive would uphold the protest.

Cornwall is not too confident of beating Toronto Saturday, though they have some fast juniors on the home. Members are quarrelling about the defence and want Burns and "Big Bill" Broderick dropped and replaced by juniors.

The Torontos will miss Adamson on Saturday from inside home. He is away on his vacation. Henderson will replace Adamson. Next week Bobby Grey departs for a holiday, and Jackman, the big Englishman, will take his place

Barrie intermediates went out to show the touring Oxford-Cambridge lacrosse players how the game is played in Canada yesterday. They scored three goals in rapid succession, and then the Englishmen got very busy, and when the smoke cleared away the score was 11—1.

Collingwood defeated Stayner yesterday in a one-sided game of lacrosse, devoid of brilliant play, by a score of 8 to 2 goals. Smith, Collins, Stewart, Dawe, and Lewis played a sure and steady game, and the outcome was not at any time in doubt. This victory puts Stayner out of the race for the district championship, leaving Collingwood and Thornbury tie for first place.

MORE HEAVY FINES.

A ROAD RACE.

On July 25 the Canada Cycle and Motor Company's employes will hold a bicycle road race from Toronto Junction to Rosebank, a distance of some 21 miles. The affair promises to be of unusual interest because of there being quite a few crack riders on the staff.

TALLY ANOTHER FOR GALT.

Deloraine, July 16.—The Galt football team met the Deloraine team on the Deloraine grounds yesterday afternoon, the game resulting in favor of the visiting team by four goals to none.

PHILADELPHIA VS. HAMPSHIRE.

Southampton, Eng., July 16.—The Philadelphian cricketers began a match here to-day with a Hampshire eleven. At lunch time the Americans had scored 75 runs, in their first innings, for six wickets down.

WALKER CUP RACE.

Meeting to be Held Monday to Discuss Hamilton Proposition.

Mr. H. F. Darrell, Secretary of the Lake Sailing Skiff Association, has called a meeting of the representatives of the Toronto clubs to discuss President Birely's request that the Walker Cup race postponed from the Oakville Regatta be sailed at Hamilton on Aug 17 at the Summer Carnival Regatta over the Victoria Yacht Club's course. As an extra inducement, Mr. Birely offers $100 additional as prize money for a race on Aug. 19 for the 16-foot class over the Royal Hamilton Yacht Club's course. The meeting will be held Monday night. There is but small chance of Hamilton getting the trophy race. The Queen City Yacht Club practically controls the situation, because a Q. C. Y. C. boat won the cup last year, and the race will likely be sailed here on Labor Day.

MONCTON'S APPROVAL.

City Council Adopts Resolution Endorsing Railway to That Point.

Moncton, N.B., July 16.—At a meeting of the City Council last night a resolution was unanimously adopted urging 'strongly upon the Government and Parliament of Canada the construction of a railway from Winnipeg by the shortest practicable air line to Quebec City, and from thence to the city of Moncton, via the most feasible and direct route through the center of this Province, over which routes from Winnipeg to Moncton the Intercolonial should, for its through trains, have running rights in common with the operating railways and be it further resolved that in the opinion of this City Council the selection of the city of Moncton as the eastern terminus of this railroad from Winnipeg to Moncton assures the selection of a neutral diverging point common to all ports in the Maritime Provinces, without discriminating against any."

THOUGHT HIM DRUNK.

Aged Resident of Cornwall Becoming Sick Was Locked Up and Died.

Cornwall, July 16.—Donald Peter McIntosh, 70 years of age, a well-known farmer from the vicinity of St. Andrew's, north of here, came to town Tuesday afternoon, and while making some purchases at Brown's drug store fell off a chair and became unconscious. Mr. Brown, thinking the man was under the influence of liquor, called a policeman and McIntosh was removed to the police station and locked up. About 2 o'clock yesterday morning Chief Smith, who was on duty, heard a groan in his cell, and upon investigation found McIntosh was dead. It appears he had been subject to weak spells.
