DELEHANTY'S WIDOW GETS $5,000.

Mr. Justice Britton Gives Judgment For Ball Player's Death.

Mr. Justice Britton gave judgment at Osgoode Hall in an action tried with a jury at Welland.

The action was brought by the widow and daughter of Edward J. Delehanty, late of Philadelphia, the noted professional baseball player, who on the 2nd July, 1903, was a passenger on a Michigan Central train from Detroit to Buffalo, and was expelled from the train at Bridgeburg for alleged disorderly conduct, to recover damages for his death, which was caused by his falling from the railway bridge into the water after he left the train.

The jury found for plaintiffs with $5,000 damages, and Mr. Justice Britton held that the damage was not too remote. Judgment was given for plaintiffs with costs.

W. M. German, K.C., and G. H. Pettit, Welland, appeared for plaintiffs; D. W. Saunders and E. C. Cattanach for defendants.

DETROIT HAS A NEW CAPTAIN.

Charlie Carr Resigns the Position—Ed. Greminger Appointed.

Detroit, June 17.—Charlie Carr yesterday formally tendered his resignation as captain of the team. Manager Barrow had a talk with Second Baseman Lowe, but he refused to take the position without considering it at length. There was nothing to do in the emergency but to look elsewhere, and Ed. Greminger, the big third baseman, was made temporary captain.

Carr has been in poor health, and has also been playing below his standard. His fielding has been generally good here, but he has been a soft mark for most of the pitchers. As a coach he has been a failure, as he has not been able to ginger up the gang at all. The captaincy has been a curse to Carr, who, it is thought, will play much better ball without the responsibility on his shoulders.

LATEST DOINGS OF THE YACHTSMEN

R.C.Y.C. Has Arranged a Special Schedule of Races for New Class of Boats.

The Royal Canadian Yacht Club has arranged a special schedule of races for the new Lake Sailing Skiff Association ballasted class. The races will be held Wednesday afternoons in July and August as follows: June 22, July 6 and 20, Aug. 3, 17, and 31. The R. C. Y. C. now has four in the class. The latest boat to join the fleet is Doris, owned by Geo. Reid, General Manager of the Standard Bank. Doris, better known as National, has been given a thorough overhauling this spring. Her cabin has been cut down, her cockpit enlarged, and she has been given a new suit of silk canvas. Doris, though four years old, looks just as nifty as the new ones of the class. George E. Gooderham's Little Nell, Ross Gooderham's unnamed boat, and Thego of Hamilton, owned by Rev. C. E. Whitcombe, which will likely come down for the races.

Beaver's new suit of canvas will not be ready to bend on for two weeks.

Scows are busy removing the mud heaps from the water front at the foot of York street bridge. It is just about time that these heaps disappeared. They have been an eyesore for several years at the very front doors of the most important sporting aquatic point on the bay. Ladies attending regattas or dances, and races at the Toronto Canoe Club, Argonaut Rowing Club, Queen City Yacht Club, Royal Canadian Yacht Club, have been forced to pass over sidewalks inches deep in dust or mud from these soil heaps, to say nothing of stumbling over rotten sidewalks. A couple of hundred dollars spent in improving the walks at the foot of the bridge would be money well spent.

The oil on the water has been just as prominent all week as it was when attention was first called to it. Have the yachtsmen, oarsmen, and paddlers to arm themselves with clubs to force the prosecution of those responsible?

The steamer yacht Victoria, owned by Fred Gooch, is being fitted up at the Queen City Yacht Club. Her machinery is being thoroughly overhauled.

The Queen City Yacht Club's list of new members has passed the half-century mark, and is still climbing.

The yawl Maisie, of the Queen City Yacht Club, has gone away on a three weeks' trip.

JEFFRIES OUT OF BUSINESS.

Champion's Injured Knee Precludes Any Possibility of Fight.

San Francisco, Cal., June 17.—There seems little chance that Champion Jeffries will be able to get out in time to prepare for his battle with Jack Munroe. After the operation was over the champion seemed relieved. He was put to bed, with instructions to remain there and keep as quiet as possible for at least six days. It is hoped by that time he will be in form to resume training.

Delaney is discouraged. He said: "I do not think the fight between Jeff and Munroe will be pulled off this month. You can say that I do not think the battle will ever take place. The Yosemite Club has requested me to move our camp to Oakland. You know what that means. Jeff's knee is in such condition as to keep us from doing the proper work. We will know more about it when we reach Oakland.

Unless the conditions of Jeffries improves the fight will be declared off. The probable indefinite postponement of the battle is greatly worrying the champion, as he feels that the impression will go abroad that he is permanently out of business. Aside from the knee trouble, Jeffries is in pretty fair form. His forced rest put a great deal of weight on him, but he figures he can carry this additional beef without serious interference to his fighting qualities.

Mrs. Jeffries was not present during the operation. She is greatly distressed over her husband's condition. While the doctor was at work she remained in her room alone. Billy Delaney and big Joe Kennedy, Jeffries' sparring partner, were present during the operation.

Dinghy and Canoe Races.

With a bright day and a fair breeze, the dinghy section of the Toronto Canoe Club will battle to-morrow afternoon in the second race of Series "A" for the "J. D. Bailey" trophy. The preparatory gun will be fired at 2.50; the one-minute gun at 2.59, and the start will take place at 3 o'clock. The race will be twice round the club's three-mile triangular course, and from indications at present the starters will be as thick round the buoy as the sand flies round the Island lights. There are also scheduled for to-morrow the trial races for the "Shea" trophy in the single blade tandem handicap, the single blade junior race, and the double blade fours handicap. The war canoe crews of the club are training hard for the annual regatta, to be held on June 25th, and the large number of men anxious for places makes it necessary for a man to be on hand regularly at the practices to keep his place.

Beals Wright Champion.

Hartford, June 17.—Beals Wright of Harvard won the finals in singles in the New England tennis championship tournament on the courts of the Hartford Club to-day, by defeating Robt. Leroy of Brooklyn, in a five-set match. To-morrow Wright will meet James Terry of this city for the championship cup.

C.L.A. TIE GAMES AT END OF THE SEASON

Brantford Drops the Protest Against St. Kitts—Glen Williams Expelled.

An important meeting of the Judicial Committee of the C. L. A. was held last night at the Iroquois Hotel with President Fred Frank in the chair, and F. E. Ellis, H. C. Gillespie, J. D. Bailey, Fred. Browning, Aurora; J. F. Lennox, and Secretary W. H. Hall also present.

In the protest of Brantford and St. Catharines, the president, Mr. Franks, withdrew from the chair, which, on motion, was taken by Hon. President J. F. Lennox. The judiciary decided that in view of the fact that the rule books were not issued, that the tie games played at St. Catharines on June 4 and the games played at Brantford on June 11, and in Owen Sound on June 10, be considered drawn matches, and if found necessary at the close of the schedule these games be played over under the order of the first vice-president in the case of the two Brantford games, and of the president in the Owen Sound-Scaforth match.

BRANTFORD DROPS PROTEST.

In the case of Cameron, field captain of St. Catharines, of playing without a certificate, in view of this also being a new rule, President Franks thought it too technical and withdrew it.

It was also decided that rule 9, sec. 14, be enforced strictly, and that in all cases of the games the referee shall enforce the full extra 30 minutes, notwithstanding any agreement of the respective clubs.

TO PUNISH ROUGH PLAY.

The judiciary discussed the question of rough play that has been so frequent by certain players in recent matches. They decided to uphold the referees in anything they should see fit to do, and also that it shall be the duty of all members of the Executive who at any time see any such play, to report the same to the president, who will on such report forthwith suspend the player reported.

GLEN WILLIAMS EXPELLED.

In the matter of the protest of Guelph v. Glen Williams, and one W. G. Reid, it was decided that the Glen Williams L. C. and W. G. Reid be expelled from the association, and that with the consent of Guelph and Brampton the Rocks of Elora take the dates of the Glen Williams Club in that district, and that the bond of the Glen Williams L. C. be assigned to Guelph L. C. to cover expenses.

ELORA JUNIOR AGAIN.

Mr. Godfrey of Elora appeared before the committee, asking that the Rocks of Elora be placed in the junior series. This they decided to allow, and the championship of intermediate district No. 2 was given to Mount Forest.

MINOR BUSINESS.

Application was received from the Meaford L. C. for the cancellation of the certificate of Sherman Cumming, with Thornbury-Clarksburg, and issuing of certificate for him to Meaford Club. This the committee decided to allow, provided Thornbury surrendered the original certificate.

Application from St. Thomas L. C. for the cancellation of certificate of W. Fagen, certificate No. 582, granted.

Application from Mount Forest for cancellation of certificate of W. S. Hunter, No. 579, granted.

Fred. Thompson, secretary of the late Queen City L. C., for return of the annual fee paid, granted.

Prospect Park Opening.

The formal opening for the season of the Prospect Park lawns took place yesterday with a match between the President and Vice-President, which was won by the former by 13 shots. The affair was the occasion of an "at home," and a very pleasant evening was held. The score:

STRATFORD WON FROM MITCHELL

Chatham Beat Wallaceburg and St. Thomas Defeated Rodney in C.L.A. Fixtures.

Stratford, June 18.—The first junior championship lacrosse match played in the city this season was won by Stratford from Mitchell last night by 3 goals to 1. Both teams were pretty raw, and a good deal of work is necessary to make either pennant winners. The score about tells the story as to the merits of the teams. Following was the line-up:

Stratford (3)—Goal, Boyd; point, Turnbull; cover-point, Anderson; defence field, Easson, Furquharson, Schweitzer; center, McCallum; home field, Rankin, Clifton, Killer; outside, Bremner; inside, Newton.

Mitchell (1)—Goal, P. Coppin; point, Davis; cover-point, Timms; defence field, Fox, Hicks, Porterfield; center, S. Coppin; home field, McGreary, Colquhoun, May; outside, Dore; inside, Browley.

Referee—Geo. A. Vanstone, St. Mary's; timers, D. Fraser and W. Thompson; field captains, R. Easson of Stratford, N. Schaefer of Mitchell; for umpires, Lemon of Mitchell, McLachlan of Stratford.

There was a large attendance.

Chatham Won Easily.

Chatham, June 18.—Hundreds of Chatham's best people and from surrounding towns followed the Citizens' band to the new agricultural oval yesterday and witnessed an intermediate C. L. A. game of lacrosse between the Chatham Tecumsehs and the Wallaceburg team. Referee Phil. Errett of Brantford lined the teams up at four o'clock as follows:

Chatham (6)—Goal, Robinson; point, Francis; cover, Pickering; defence, Elliott, McKinnon, Grace; center, Quesnel; home, Wilson, Angus, Rowe; outside, Macfarlane; inside, Stewart.

Wallaceburg (1)—McLean, Moonby, Fairfield, Taylor, Bolton, Fairfield, Gordon, West, Huntington, Perkins, O'Leary, Kirkwood.

The visitors started off with a rush, fully determined to wipe out the defeat of last Friday on their own grounds at the hands of the Tecumsehs. They scored their first and only goal in three minutes. Chatham took the lead in ten minutes, this ending the scoring for the first quarter. During the second, third, and last quarters Babcock's men got going, and when the whistle blew the final score was Chatham 6 and Wallaceburg 1. Philip Errett of Brantford gave good satisfaction as referee, and kept the game clean and fast. The Chatham Tecumsehs left last night for Detroit, where they play the fast Detroit team to-day.

One-Sided Win For Saints.

St. Thomas, June 18.—St. Thomas Juniors defeated Rodney Club here yesterday. Score: St. Thomas 13, Rodney 3. Referee, Brebner. The game was a one-sided affair from the start.

Tie Game at Tweed.

Tweed, June 18.—The third match of the Trent Valley League series, No. 1 district, was played here yesterday by the Madoc and Tweed teams. The score was a tie, each team scoring two goals. The game was a beautiful exhibition of lacrosse as it should be played, and although it was a decided fast contest there was an entire absence of roughness, much to the credit of the players, also pleasure and satisfaction of the spectators.

Canada's National Game.

—The Young Torontos and Elms will meet in a junior C. L. A. game at Hanlan's Point this afternoon at 6 p.m. The Young Torontos will pick their team from the following: H. Regan, Moore, Hammill, Carruthers, Crocker, Jas. Murphy, McArthur, A. Mark, Kearns, Jack Murphy, Tod, G. Heal, Matheson, Dowling, and Hargreaves.

The Cornwalls for to-day's game with Montreal will be selected on the field from the following: Jack Hunter, M. Broderick, W. Burns, J. Reynolds, W. Broderick, L. McAteer, B. Percival, J. Broderick, A. McMillan, F. Cummings, B. McDonald, J. Seymour, E. Martelle, R. Degan, A. McCourt, W. Kirk, S. Riviere. P. Murphy of Montreal has been agreed upon as referee.

The "Farming-Out" Question.

Chicago, June 18.—A meeting of the National Baseball Commission has been called for June 22 to discuss the practice of "farming out" players. Nearly every team in both leagues is following the practice. Several of the players have sought releases, but have been unable to obtain them, and it is believed that the complaints have something to do with the present step.

INTERVIEW WITH CHAMPION TRAVIS

Great Strides Made in Golf on This Side of the Ocean—The Value of Putting.

London, June 18.—Before leaving England for the United States on the steamer Oceanic, Walter J. Travis, the American and British amateur golf champion, said:

"I am naturally pleased at the result of my trip. I did not expect to win the championship, especially as I was in very bad form prior to the contest.

"I would like to see some of our leading professionals enter the English open championship. Willie Anderson, Stewart, Gardner, and Lawrence Auchterlonie are every bit as good as Vardon and Taylor and other British cracks. They have a greater number of good professionals than we, but our best are equal to theirs. Our men would need, however, at least two or three months to get accustomed to the climate and changed conditions.

"We scarcely realize in America what strides we have made in the game. When we saw Vardon playing on the other side a few years ago we thought he was a marvel. To-day Vardon and Taylor scarcely seem the same. The fact is that they have not improved, and our men have. It is only a matter of time when the professional, as well as the amateur championship, will be won by Americans.

"The criticism that my win was entirely due to putting is quite natural, though hardly true. The English players have not quite realized that putting has a proportion of 50 per cent. in the game. They blaze away in drives that I confess are splendid, but which are seldom calculated to win.

"The chief difference in their greens and ours is the undulation. Personally, I like it, as a slightly undulating green reduces the distance in which the ball must travel absolutely true."

Dealing with his competitors, Travis said: "Maxwell is a wonder. He was not playing up to his form in the championships. For many reasons I would like to have met him. Reade, the Irish champion, gave me the tightest game.

"There has been some talk about fouls. When I was playing Robb he shouted to my caddie to pick up a flag, instead of which the caddie picked up my ball. Robb could scarcely have claimed a foul under the circumstances. My caddie was provided by the club, and did not know anything about the game. While I have been treated in the most hospitable manner, I must say that a man coming over to play for championships might expect to be furnished with a caddie who knew something about golf. The mistake I mentioned, even if a foul had been claimed, would only have meant the loss of one hole, and I scarcely think it would have altered the result of the match."

MISS F. HARVEY WON THE FINAL.

The Canadian Champion Victorious in Hamilton Tournament.

Hamilton, June 17.—Miss Florence Harvey won the final in the trophy competition of the ladies' golf tournament, which closed to-day. She defeated Miss Myles with 6 up and 4 to play. The trophy will remain in possession of the Hamilton Golf Club, with Miss Harvey's name engraved on it.

President Ramsay presented the golf prizes. Miss Harvey's prize was a handsome gold brooch with the monogram "H.G.C." on it, and Miss Myles' prize was a splendid pair of opera glasses. Miss Phepoe was given a Tiffany gluss for making the best gross score and Miss Florence Harvey, who made the best handicap score, was given a silver mounted umbrella.

In the driving competition, Miss Phepoe won the first prize, a traveler's clock, and Miss Florence Harvey got a silver-mounted purse for making the best single drive.

Miss Phepoe won the approaching and putting contest with a score of 9, and Miss Leggat took second prize. Miss E. Harvey won the consolation prize.
