PAST PERFORMANCES OF THE BUFFALO DERBY CANDIDATES

The Buffalo Derby, for 3-year-olds, 1 1-4 miles, penalties and allowances, will be run at Kenilworth Park to-morrow as the feature event of the opening day of the month race meeting of the Buffalo Racing Association. The fact that two Canadian horses, Tongorder and Inferno, will be among the starters with a great chance to win, will insure a large attendance from Toronto and vicinity. Race-goers will go via the C. P. R. regular train, leaving the Union Station at 9.45 a.m., and returning arrives 8.30 p.m. by special train from Buffalo.

The probabilities are that there will be eleven starters in the Derby, and this year's records of the candidates are appended:

YACHT RACES ON BAY TO-MORROW

Big Program for the Corinthians, Including a Peep at One of the Cup Boats.

"This Is Our Busy Day" is the sign the local yacht clubs might well hang out to-morrow afternoon, for, weather permitting, there will be big doings along the water front to-morrow afternoon.

The National Yacht and Skiff Club starts the ball a-rolling at 2.30 with races for three classes—16-footers, dinghies, and specials. The winners can just about be picked from this distance. Count on Acushla to win the 16-foot class unless Spen Ellis digs out his old suit of canvas and stretches it aloft; Bobby Bryan in the dinghy race, and Meko for the specials. Paste this in your hats and see what sort of a dope man I am.

At the Queen City Yacht Club the 16-foot ballasted boats and the Mackinaws make their initial bows in the racing game. The R. C. Y. C. also has a race for the 16-foot ballasted class that will detract from the interest, for some of the ballasted boats are members of both clubs. The Mackinaw class will bring out Bert Hawthorne's Talnul, William Berry's Ethelwyn, Clarke Bros.' Papoose, and the Muggs Landing dark horse Herring Gull with her new spring outfit. In a drifting match it is anybody's race. In a blow or even a good fresh breeze it will be a battle between Papoose and Herring Gull, with Talnul making it interesting for the second boat.

At the R. C. Y. C., in addition to the ballasted class, both dinghy classes will race, and the thirties will get down to business. Zoraya, the Canada's Cup boat, is expected down in time to get into the muss with Invader and Beaver.

The Canoe Club's program includes a race for junior single blades, a tandem handicap for the Shea Trophy, double blade single for novices, and as a wind-up a trip to the Humber for supper. Afterwards—well, the program tersely says, "Big Doings."

TORONTO BOXERS WON BOUTS AT HAMILTON.

Hamilton, June 8.—The boxing bouts held at the Star Theater to-night under the auspices of the West End Pleasure Club were a great success. There was a large attendance, and the bouts were all good. Frank Carroll and Frank McIntosh were slated to go 8 rounds at 135 pounds, but the fight lasted only three rounds. The boys mixed it up freely from the start, Carroll always having the advantage. After two minutes and fifteen seconds' fighting in the third round Carroll landed a hard swing over McIntosh's kidneys that floored him. It was evident that McIntosh's chances of winning were nil, and the referee stopped the bout and gave the Toronto boy the decision.

Kid Abley of Buffalo and Bobby Chantler of Toronto boxed three tame rounds. It was an even go and an extra round was ordered, but Chantler was taken sick and could not continue, and the decision went to Abley.

W. Church, Hamilton, and Norman Lang of Toronto boxed four fast rounds. Church had a good punch, but Lang was the cleverer and was given the decision.

Billy Smith and Dick Matthews were scheduled to go only four rounds, but an extra round was ordered. Smith was declared the victor.

A wrestling bout between Harry McDonald and Tommy Hickey went the limit, 20 minutes, without either getting a fall, and it was declared a draw. Wm. Carroll was referee.

FIRST PLEASANT DAY AT HAMILTON

Large Crowd at the Races—Toronto Horses Captured Three of the Events.

Special to The Star.

Hamilton, June 8.—The first pleasant day of the Hamilton Jockey Club's races attracted a splendid crowd to the track to-day. The special train from Toronto was better patronized than ever, and everybody appreciated the warm weather. Young Henry and Plantagenet were the only winning favorites, the long shot to win being the Toronto mare The Elba, at 12 to 1, with Jockey Songer in the saddle. Second choices won the other three races.

Jas. Carruthers' Young Henry won the first race in a close finish, with Maurice Donovan's Yama Christy. No Trumper failed again to deliver the goods. Allopath will win soon; she was a good fourth.

The Kirkfield Stable's Dileas captured the mile race from Province breds, although Stay Away gave her quite an argument. Mr. Hendrie's Sampan ran a very dull race; was kicked at the post.

The Elba, Varieties, and Miss Morgan were less than a length apart at the finish of the third race. The Elba always had the best of it, but was doing her best at the finish. When Romanelli used his whip in the last furlong Miss Morgan, swerved into The Elba and caused her to interfere slightly with Varieties, but The Elba was able to get home first. Romanelli, who caused the trouble, got his work in first and claimed a foul, but, of course, it was disallowed.

Hyperion ran away from his field in the fourth race and Plantagenet won the last quite handily from Monochord. The summary:

First race, 6 furlongs—Young Henry, 109, J. Austin, even and 2 to 5, won by a length; Yama Christy, 109, J. O'Brien, 5 to 1, 7 to 5, and 1 to 2, 2nd; Little Tom Tucker, 109, Armstrong, 7 to 1, 2 to 1, and even, 3rd. Time, 1.20 1-2. Allopath, Jim Hale, Harry New, No Trumper, and Gemini also ran.

Second race, 1 mile—Dileas, 89, Hogg, 9 to 5, 7 to 10, won by half a length; Stay Away, 85, J. Hennessey, 7 to 1, 2 to 1, and 3 to 5, 2nd; Tony Hart, 102, J. Austin, 25 to 1, 8 to 1, 3 to 1, 3rd. Time, 1.48. Sampan, Nesto, and Chatelaine also ran.

Third race, 5 1-2 furlongs—The Elba, 114, Songer, 12 to 1, 4 to 1, and 8 to 5, won by half a length; Varieties, 96, Klenck, 11 to 5 and 1 to 2, 2nd; Miss Morgan, 99, Romanelli, 9 to 10, 3rd. Time, 1.14. Pride of Galore, Go Lucky, Maxey Moore, Blue Miracle, and George Perry also ran.

Sixth race, 6 1-2 furlongs—Plantagenet, 111, Shea, 1 to 2, won by 2 lengths; Monochord, 101, E. Walsh, 2 to 1 and 2 to 5, 2nd; Trapezist, 109, Welbourne, 4 to 1 and 6 to 5, 3rd. Time, 1.25. Bobby Kean also ran.

The Parliaments will pick their team from the following players for their game with St. Simon's, on east side of Don Flats on Saturday at 3 o'clock: Scott, Trickey, Thompson, H. Carlton, Johnson, Truax, Mayo, Beaton, Farquharson, Deschamps, Hill, J. Carlton, James, McIntyre, Arnold.

Ald. Thomas Church is arranging a game of lacrosse between members of the City Council and representatives of the press, to be played at Hanlan's Point on Tuesday night at 5 o'clock. The alderman is experiencing considerable difficulty in getting his team together. The Mayor excused himself on the ground of inexperience, Ald. Stewart wants more time to train down to playing condition, Controller Spence would sooner run for the Mayoralty than after a lacrosse ball. Controller Shaw fears unsatisfactory alliances of whiskers and lacrosse sticks. Ald. Dunn expresses the fear that the electors might get on to his shape if he was togged out in a lacrosse suit. Ald. Keeler fears the exercise. Ald. Noble accepts the opportunity to get even with the wicked newspaper men, and has evil in his eye. Controller Ward is Johnny on the spot and game for the fray. Ald. Vaughan prefers to settle any differences that might arise, and will save the expense of engaging a policeman. Ald. Coatsworth sees next January approaching, and wants to avoid the tired feeling. Ald. McBride would sooner not leave the City Hall, and fears a general collapse of civic business during his absence. Controller Hubbard has consented to sign the accounts for medical attendance; he fears great slaughter among the innocents. Ald. McGhie will give the funeral at the close of the game. Ald. Sheppard has asked City Treasurer Coady to act as his substitute, in the event of Commissioner Chambers declining. Ald. Fleming prefers pigeon shooting, with Park Commissioner Chambers barred. Ald. Hay will play if Ald. Dunn will take the opposite side. Ald. Jones is good for the game and has commenced training.

Albert Dade will not play on the Brantford lacrosse team this year. That much is definitely announced by the officials of the club. Last night the management, anxious to fill all the vacancies on the team before the game at St. Catharines to-morrow, wired Dade to state his final price. The answer was: "I want $900, and I want it before I leave Montreal." A meeting of the committee was held, and it was unanimously resolved to discontinue all negotiations with the foxy home man. The locals are now after a new home player named Whitehead. He played with the Orillias last year, and is now at Copper Cliff. It is likely he will accept the offer tendered him.

In a junior C. L. A. game at Newmarket, yesterday, the Talagoos of Newmarket beat Richmond Hill by 13 to 0.

The junior C. L. A. match between Wingham and Kincardine, played at the latter place yesterday, resulted in a victory for the home team. The game was slow, though interesting. Many of both teams were ruled off by Referee Ellis of Mount Forest for breach of rules and rough playing. At the end of the first half the score stood 2 to 1 in favor of the home team. At the finish the score was 6 to 3 in favor of Kincardine.

Yesterday, Johnny Powers of the Torontos, and Andy Roach and Cy. Pitcher, of the Chippewas, received letters from President Allen, of the C. L. A., warning them that if they were ruled off once more their certificates would be canceled. This looks rather a stringent rule, but it is certainly none too severe, if the roughness of last Saturday's match was passed over without any measures being taken by the Executive, to stop such playing, it is probable that before the end of the season lacrosse matches would develop into "free fights."
