CORTICELLIS BREAK OUT OF MAIDEN CLASS, BEATING I.A.A. 8-5

A Great Junior Game at Mutual Street Rink Last Night.

It was a pretty mighty good exhibition of junior O. H. A. hockey that the Corticellis and the Islanders put up last night at Mutual Street Rink when the Kittens defeated the I. A. A. boys by 8-5.

Less than 150 people saw the game. The speed and stick-handling of the lads on both teams and their general earnestness made it a game worthy of excellent patronage. The I. A. A.'s had less than a dozen rooters present, but there were forty or fifty wearers of the red and white there, who made noise enough for a couple of hundred when the Kittens broke out of the maiden class. In fact, they were busy with their megaphones and banners all night.

The Islanders notched the first goal right off the reel, but the Kittens, their claws sharpened by a week's hard road work, came right back at them and evened up. Then they crowded the Islanders up again their nets and hammered away incessantly. They were too eager to attack with judgment, and, for a while, the match was a general scramble between midway and the I. A. A. nets. Suddenly the red and white forwards woke up to the fact that their ragged attacks were all too easy to fend off, and they commenced to invest the citadel methodically. A goal soon resulted, and after that they settled down, and both sides played real hockey.

The 1-goal advantage gave the Kittens confidence, and they tore in like whirlwinds. The Islanders were gritty and fought back coolly and determinedly. Occasionally they started things moving down on the Corticelli nets, and while their forwards shot harder and more accurately than the Kittens' men, it took the gimp out of them to see the ease with which Reid, in goal, handled what looked like sure counters. The Kittens held the score 3-1 in their favor at half time.

Hard Playing.

In the second half the "kids" came on prepared to do or die. They bodychecked hard from the "dingle-dingle" of Referee W. P. Irving's patent electric bell to the end of the fray. No one shirked his bumps. They went down like nine pins, but were up like jack rabbits, and at it again. Now and again there was a trip or a slash, but, though Irving had nine men in the "cooler," there was no real duty work, and no one was hurt.

The Islanders showed a great deal of speed in the second half, and were dangerous all the way, but they tired before the Kittens did, and the red and white always held a safe lead.

In the final ten minutes the Islanders came with a superb spurt, but the best they could do was to share the play evenly.

Reid, in goal for Corticelli, played a good game, but the best of "Campbell's Brigade" was undoubtedly Cover-point Hyland. In fact, Hyland was away the best man on the ice.

He was very much Rolly Young in his methods. A dozen times he whirled and circled through the entire I. A. A. team for a shot on goal, and five or six times he passed it across to center after bringing it down. Hyland's rushes were responsible for at least half of Corticelli's goals. Whale, at point, too, made some grand rushes, and Adamson, on the right wing, was very prominent all evening. The rover, Lowry, was not up to his old-time form.

The best man on the I. A. A. team was Pridham, at left wing. McLean, at rover, shot hard and accurately. In fact, all the I. A. A. forwards could shoot. Adamson was the only Corticelli forward who could get the puck off the ice and on the net consistently. Referee Irving handled the game to perfection. The teams:

Corticelli.		I. A. A.
Reid	Goal	Addison
Whale	Point	H. McNichol
Hyland	Cover	F. McNichol
Lowry	Rover	McLean
Mearns	Center	Webster
McCullough	Right	Smith
Adamson	Left	Pridham

OTTAWA VICS EASILY BEATEN

Wanderers Have a Lead of 6 Goals in the First Game For the Stanley Cup.

Montreal, Que., Jan. 10.—The Wanderers, holders of the Stanley Cup, defeated the Ottawa Victorias in the first match for the cup at the Arena last night, the score at full time standing 9 to 3 in Wanderers' favor. Despite the fact that the match did not start until nearly 10 o'clock, and after the regular practices had been finished, over 2,500 spectators assembled to witness the match. The ice, owing to a cold snap that set in in the morning, was in fine condition, allowing some fast playing.

Both teams put up a fairly good game, with the superiority clearly on the side of the Wanderers. The champions showed flashes of their old-time form, though, having the game well in hand after the first ten minutes, they played somewhat carelessly.

The playing of Art. Ross, who promises to become the hockey star of the East this season, was the feature. The Ottawa Valley champions showed flashes of form individually, but as a team did not show high-class playing at any stage of the game, and were no match for the cup-holders.

The playing, though fast, was clean, the only unfortunate incident being an accidental collision between Ross and Roberts, near the end of the first half. As a result of the collision Roberts was carried off the ice with a broken shoulder-blade, and had to be replaced. The line-up:

Wanderers (9).	Ottawa Vics (3).
Hern	Goal	Hague
Art Ross	Point	Chas. Ross
Hooper	Cover	Milne
Russell	Rover	Young
Glass	Center	Roberts
Johnston	Right wing	Fraser
Smaill	Left wing	Harrison

Referee—Joe Power.

The next match of the series will be played at the Arena Monday night.

New Liskeard, Jan. 10.—In the first league match in the senior series of the Temiskaming Hockey League, New Liskeard defeated Haileybury on the latter's ice by a score of 9 to 0. The game was one of the cleanest ever played in this country, only two men being ruled off for minor offences. Ed Holland of Haileybury was referee. The teams lined up as follows:

New Liskeard (10).	Haileybury (0).
E. Blakley	Goal	Quesnell
W. Taylor	Point	Weldy Young

MONTREAL EXPELS ERNIE RUSSELL

Much-Discussed Hockey and Football Player No Longer a Member of M.A.A.A.

Montreal, Jan. 10.—Ernie Russell, football and hockey player, was yesterday expelled from membership in the Montreal Amateur Athletic Association, and his name expunged from the association books. The directors of the M.A.A.A. arrived at the decision to expel Russell after a special meeting as the outcome of Russell's appearance on the Wanderer team Wednesday night in the match against Montreal.

The Montreal Hockey Club Executive claim that up to the time of going on the ice they had received no intimation from Russell that he would not play with Montreal, as he had said he would, and that all they knew about his movements was that he was in the Wanderers' dressing-room, and that from that quarter the story reached them that Russell had decided to play with the Stanley Cup holders.

His action in changing at the last moment without any previous warning to the Executive, say the latter, was a breach of faith, for Russell had had a seat at all the committee meetings at the hockey club, and has assisted in the negotiations for strengthening the team.

There is embodied in the constitution of the M.A.A.A. a rule which forbids a member of the association or its allied clubs to play for any other team or club without the permission of the directors of the M.A.A.A. Russell failed to ask for this permission to play for the Wanderers, and in consequence has incurred the penalty which a breach of the rule implies, viz., expulsion from the M.A.A.A.

JOHN M'EWEN WON ICE FREE FOR ALL

Lady May Stepped Him a Dead-Heat in First Clash—Honest Billy Wins.

Port Perry, Ont., Jan. 10.—Port Perry's ice races, second day, resulted in a dead heat in the free-for-all, in the fast time of 2.14 1-2, between John McEwen and Lady May. The second and concluding day's ice races on the Scugog were, if possible, more interesting than the first day's. In both events yesterday, in 2.22 and free-for-all classes, the finishes were so close that it taxed to the utmost the judgment of the keen-sighted judges to designate the winners. Their decisions, however, met the approval of the multitude of spectators. The meeting of the association for 1908 was a grand success in every respect. The summary:

2.22 class:

Honest Billy, W. Gilkes, Barrie	2	1	1	
Johnny K., S. McBride, Toronto	1	2	2	
Joe Allen, P. McCarthy, Toronto	3	3	3	

Time—2.22 1-4, 2.24, 2.23 3-4, 2.23 3-4.

Free-for-all:

Lady May, Burns and Sheppard, Toronto	0	3	1	1	2
Riley B., Isaac Watson, Toronto	2	4	4	3	3 dr
Captain Sphinx, R. Kittle, Sarnia	3	2	3	4	4 dr

Time—2.14 1-4, 2.15 3-4, 2.18 1-4, 2.15 1-2, 2.18 1-4, 2.17 3-4.

LONGBOAT GOES TO NEW YORK

T. C. Flanagan Takes Indian down to Have A. A. U. Suspension Raised.

Tom Flanagan of the Irish Canadians leaves for New York to-morrow night, leaves for New York, to-morrow night. On the way he will pick up Tom Longboat, who is at Syracuse on a visit to relatives and take him down, too.

Mr. Flanagan's visit to New York is for the purpose of having the A. A. U. suspension of Tom Longboat and Tom Coley raised.

"I want President Sullivan of the A. A. U. to examine the Indian himself," said Mr. Flanagan, to-day. "I think we will have no difficulty in having the bar raised on both Coley and the Onondaga, and to erase his suspecions about the I.C.A.C. I will take with me a C. A.A.U. certificate of the amateur status of both men."

The Parkdale Canoe Club is scheduled to play a senior O.H.A. game in Kingstone, with the 14th Regiment team on Thursday, the 16th, but the soldiers are unable to get the rink until Monday, the 20th, to which date the game has been changed.

St. George's (Senior): Harry R. Ardaugh.

THE LIVE WIRE From the SPORTING WORLD

ACCORDING TO THOSE WHO SAW Jack Johnson work out with Amateur Champion Day in private yesterday, the colored heavyweight won't be such a hard proposition for Tommy Burns as some have been led to believe.

THE WANDERERS SEEM TO BE the only professional hockey players really earning their pay. They play every other night, and sometimes oftener. Stanley Cup games are more jokes to them—just the same as to the public.

A HANLAN MEMORIAL FUND has been started in New York by Jimmy Rice, who led off with a contribution of $100. It is expected that a considerable amount will be raised in Gotham, where Hanlan was well known.

ERNIE RUSSELL HAS BEEN expelled by the Montreal A.A.A., and his name erased from the books. Russell, the hockey player, is not a welcome guest, like Russell, the football player.

BOB ISBISTER, the Tiger football player, is to be moved to Toronto by his employers. Bob will be a great acquisition for one of the Toronto rugby teams.

DESPITE ALL THE CROAKINGS of the race-goers around New York, Mars Cassidy has again been appointed official starter for the Metropolitan tracks. Mars cleans up pretty well in the race season with a stipend of $150 per day.

GORDON SOUTHAM IS ONE OF THE best hockeyists Varsity ever turned out. He will be a great source of strength to the Hamilton team, which will open its season against Toronto A.A.C. here on Monday night.

CHAMPION DAY GIVES JOHNSON WARMING

Amateur Sets Right a Colored Man, and They Call the Round Short.

Jack Johnston, the colored heavyweight, who has challenged Tommy Burns, caught a Tartar last night at the Star Theater, when in an after-show workout he took on Day, the giant Scotchman, who holds the Cana-

[illegible] at the colored man, and mixed it [illegible] so vigorously that Sam Fitzpatrick, [illegible] manager Johnston, pulled the bell [illegible] for 45 seconds of mulling. Day [illegible] mmed Mistah Johnston with both [illegible] nds until the bell called a halt. [illegible] n the second they stood off, and [illegible] hnston jabbed Day a bit, but Day [illegible] is willing, and the black man didn't [illegible] away with more than the law al[illegible] ws. Those who saw yesterday's go [illegible] ll put their change on Burns if he [illegible] er takes Johnston on.

OLD-TIME PUGILISTS.

John L. Sullivan will arrive in Toronto on Sunday from Buffalo, where he is playing at a local theater. Bob Fitzsimmons will also be here next week.

VARSITY SWIMMERS TO MEET CENTRALS

Home and Home Contests Arranged—Strong Men in Both Teams.

The Central Y. M. C. A. Swimming Club to-day wrote to Dr. Barton, physical director of the University of Toronto, suggesting a series of competition between Varsity and Central swimmers and divers.

The idea met with the approval of Dr. Barton, and the first event will be held in about 10 days at Central tank, the second at Varsity a week later.

There will be six events, with two men representing each club in each event—50 yards sprint, 50 yards on back, 100 yards dive style on back and chest, fancy diving, long plunge, and a relay team race of seven men a side.

Varsity boys under George Corsan's able tuition have made great progress, and W. E. V. Shaw, who is the pro. should be able to pick up a lively team. Should he ableto pick up a lively team. Gilmour, Norman Tytler, Morris McPhedran, Archie Macdonald, Gordon Weir, Harvey VanNostrand, and Harvey Douglas as possibilities in the team race; Douglas and McQuarrie in fancy diving; Weir in the sprint; Charlie Johnston in the long plunge; and himself in the three style race, Varsity will be hard to beat, even if the new men who are splashing about do not develop better swimmers.

Central will have such good men as Arthur Hardy, Norman Duffett, A. Field, S. Sale, E. Carrock, A. Johnston, and A. Morphy. There should be a great contest at both tanks.

N. E. A. A. DANCE.

The North End Athletic Club are holding a euchre, party and dance to-night at Simpson's Hall, Yonge street. That the affair is under the auspices of the N. E. A. A. is full assurance to North End young people that there will be a good time.

BOB ISBISTER FOR TORONTO

Tiger Wing Man to be Moved Here, But Says Will Go Home Every Night.

Hamilton, Jan. 10.—Bob Isbister, the crack wing man of the Tigers, is going to be moved to Toronto by the Grand Trunk Railway Company, with which he has been employed for a number of years. He will be in the freight department, as he was here, and expects to remain a citizen of Hamilton, as his present intention is to come home every night, and, if the arrangement is satisfactory, he will turn out with the Tigers again next year. He was notified early last summer that he was going to be moved, but thought that he would be sent to Montreal, in which case he would have turned out with the Montreal team, and along with Tommy Stinson would have given the champions quite a Tiger flint. He starts on his new duties next week, and it is to be hoped that he will be a member of the Tigers next year, as he was one of the steadiest men on the team.

TORONTO AND HAMILTON.

On Monday night the strong intermediate O.H.A. team of the Toronto Athletic Club will try conclusions at the Mutual street rink in the initial home O.H.A. intermediate game of the season, and a clinking contest is assured. Hamilton has Gordon Southam, of last year's Varsity Inter-collegiate champions, and a host of other good men in line, while the T.A.C. outfit is a senior team in everything but name. Hamilton hopes to go a long way in the championship race, and the Athletic Club are, if anything, even more confident than the Mountaineers at landing final honors. Anyway, a rattling good game is a certainty.
