FORT ERIE RACES OPENED TO-DAY

Conditions Favorable for the Opening—Kentucky Season Is Closed.

The first summer meeting of the Niagara Racing Association will commence at Fort Erie this afternoon with a $1,500 handicap at one mile and 70 yards as the feature. An even dozen were named in the race, with Nightstick the top weight, 119 pounds. Three of the number, Tactics, Ray o' Light, and Good Day, were coupled as the Coleman McBride entry. Quite a large number of Torontonians went over this morning.

The Canadian Derby, the oldest fixture run annually at Fort Erie, since 1888, will be decided on Wednesday next. All the best 3-year-olds in training are entered in this event.

The Whitney string, which Trainer Albert Simons is campaigning on the Canadian tracks, has been increased with the arrival of Borrow, Meeting House, and others, which arrived at Fort Erie yesterday from New York. Borrow is said to be a really high-class horse.

Trainer Louis Blume has severed his connection with the stable of J. W. Hedrick and returned to New York to take up his own horses. E. L. Jones will succeed Blume as trainer of the Hedrick horses.

A newcomer to the turf is Mrs. E. Gray, an English woman who intends launching into the owners' ranks. She filed a claim for Wanda Pitzer which was beaten on the closing day of the Hamilton meeting, but failed to secure the horse.

Racing for the season on the Kentucky circuit concluded with the closing of the meeting at Latonia to-day. The Independence Handicap, which served as the feature, attracted the cream of the horses racing on the middle-west track.

The surprise of the racing at Latonia yesterday was the defeat of Judge Wright by Roadmaster at 11 to 1. He was a creditable second, however, and the six furlongs was covered in 1.11 4-5.

Only one favorite, Tavolara, in the second race, paying 6 to 5, was successful at Latonia, the remaining events going to outsiders. Jockey Taylor piloted two of the winners. Gano at 13 to 2, and Camelia at 20 to 1. The other winners were Catharine G., about 8 to 1, and Transit at 16 to 1.

At Aqueduct Blue Thistle provided the unexpected by taking the measure of Perthshire in the fourth and feature race. Leo Skolny defeated R. F. Carman's Surprising in the second event, a handicap at six furlongs. The other winners were Mabel Montgomery 6 to 1, Headmast 11 to 5, Goldy 2 to 1, and Mary Warren 7 to 1.

LALLY FIRM IN HIS STAND

Won't Allow Kendall to Play To-day Against Brampton.

Special to The Star.

Cornwall, Ont., July 4.—Being a trustee of the amateur lacrosse championship is no cinch, as Joe Lally well knows. Trouble has arisen in the present series between Brampton and Vancouver, the Vancouver team wanting to play Kendall, who, according to his own statement, received his expenses from Kelowna to High River, Alberta, and in addition received expenses while there, a period of one month. No amateur can collect traveling expenses or other expenses to play a game of any kind. Kendall did this, and is therefore an out and out professional. His case came up before the Alberta Amateur Athletic Association at a meeting, held in Calgary, and the following was unanimously passed:

"That this meeting notify the British Columbia Union that according to the sworn evidence submitted by Kendall, we consider him a professional, and that further evidence is unnecessary."

Mr. Lally himself says that he cannot understand how an organization having the welfare of amateur sport at heart could (considering Kendall's own evidence) give him an amateur card.

Mr. Lally has been the recipient of many telegrams from the West, some of a threatening nature, but he says that he has instructed the Vancouver Club that if they play Kendall in their game with Brampton to-day the trustees will call upon the bondsmen to return the Mann Cup. The Mann Cup was presented for the sole purpose of furthering the interest in amateur lacrosse, and any player who received his expenses for playing on any team competing for the cup is deliberately violating the objects of the donor.

The Chinooks of Calgary are protesting their game with Vancouver on the grounds that Kendall played with Vancouver against them when he was a professional. They claim that the cup should be turned over to them, but the trustees do not see it in that light, in view of the decisive defeat given by Vancouver. The Chinooks then wanted the Brampton team to stop off at Calgary and defend the cup, but this the trustees consider would be unfair.

Should Vancouver win, however, they will consider the advisability of ordering the Chinooks and Vancouver to meet on neutral grounds.

WOMAN SWAM HELL GATE.

Special to The Star.

New York, July 4.—The name of Miss Nora Leahy, of Bath Beach, was to-day written among those of remarkable women swimmers developed about New York as a result of her feat in swimming through Hell Gate. This is probably one of the most difficult and dangerous swims in America, and but one woman has ever accomplished it before. She is Miss Adeline Trapp. Miss Leahy was in the swirling waters of Hell Gate two hours. A boat followed her, as so powerful was the current that she was forced back at times.

FUNNY ONE FROM BRAMPTON.

A funny one is being told around Brampton. Bill Stevens, the fast centre player of the Senior Excelsiors, went to Vancouver early in June to try his examinations. It happened that he was seated beside a player on the Vancouver twelve, who was telling him what they were going to do to the easterners when they came after the Mann Cup. Bill assumed a nom de plume during his preliminary stay and was not known as a lacrosse expert. Judge the surprise of his co-student when Stevens trotted out on the field and turned the trick on his Western friend.

BISONS TOOK FIRST GAME FROM LEAFS

Hearne and Palermo Did the Pitching—Prieste Had a Bad Day.

Buffalo, July 4.—The Leafs were beaten by 5 to 1 by the Bisons yesterday in the first game of the series. Hearne pitched for seven innings, and was hit hard. Palermo finished the game. Fullenweider held the Leafs to three hits, but gave six bases on balls. However, he tightened up when hits meant runs.

Priest made a mess of both his chances at third base, two costly wild throws, and struck out three times. In practice he couldn't stop anything.

The only Toronto run was scored in the opening inning, when Wilson reached first on Vaughn's error, a pass to Jordan, and a scratch hit by Sullivan. Score:

INTERNATIONAL STANDS PAT

No change in the Circuit—Emergency Fund to Help the Weak.

Special to The Star.

New York, July 4.—The International League will stand pat. Following a second meeting of the directors with President Barrow here, this was the word that went forth to-day as to reports that the Baltimore team might be transferred to Richmond of the Virginia League.

The league directors have decided to aid Jack Dunn, owner of the Baltimore team, and any other clubs which may be threatened with financial losses due to the invasion of their cities by the Federals.

The various club owners, it is understood, have practically decided to establish an emergency fund to meet any financial deficiencies that may be reported. The season will therefore be finished with the present circuit.
