

TORONTO BOY BROKE UP GAME WITH A DOUBLE

And Niagara Falls Trounced Buffalo Internationals in Ninth Inning.

SURPRISES IN TORONTO BALL

Two Tail-End Clubs Beat League Leaders—Several Good Pitchers Trounced.

"Connie" Murphy, the Toronto boy playing in the outfield for Niagara Falls against the Buffalo Internationals on Sunday, broke up the game in the last inning by hitting Tyson for a double.

There were surprises galore in the amateur game of Saturday. The rejuvenated St. Patricks, who lost three in a row, pulled themselves together and handed St. Andrews their first defeat of the season.

So far the ball-tossers have yet to draw a blank from the weather man. In the past five Saturdays the Bloor street pro, man has given the boys lots of sunshine.

St. Patricks are a happy family now. Their victory over St. Andrews gave them heart, and with everybody pulling together, they should soon get into the top. The way which hit Rutledge made the fans think of last summer. Rutledge was knocked out of the box in the fifth. Manager Barker finished the game.

The Irish have practically all last year's team intact. With the exception of Wright and Freeman, the infield on Saturday was Hamilton, Pringle, Pockock, and O'Hearn; outfield, Kenneth Walker, and Dillon, Pockock, like Marty Russell, came back to town when they heard their team mates were wavering. Russell came from the Falls and Pockock from Syracuse.

It was "Hap" Tetzley's fine pitching that paved the way to victory for the Irish. It was his first game of the season, and he held St. Andrews to three hits, besides fanning ten. He didn't walk a man, Kelly, who has been ill all winter and spring, is slowly getting back his strength. It looks now as if he can take his regular turn on the mound.

Royal Edwards had the score 9-6 in their favor when Baracas went to bat in the ninth. Before they woke up Baracas scored four runs and captured the lead. The game was over. He had only won one game, and to be behind three runs, shows that Manager Patterson has a game little live in his mind.

Several complaints regarding misconduct in city parks have reached the executive of the T.A.B.A. Any repetition of this will cause suspension.

Just to show that there was no ill-feeling existing between St. Patricks and himself, Fred Hamilton had a home run, single, sacrifice, stole two bases, drove in a run, and scored two runs, besides pulling off some smart plays at third base Saturday.

St. Paul have secured a good boy in pitcher Dumas, Saturday was his third straight victory.

Shortstop Bird of 'St. Joe's' robbed Lynn of a single, when he made a catch of his fly in deep short, with his back to the ball.

LEAF'S NOSED OUT BY MASTERS IN OPENING GAME

Huenke Replaced Hoff in the Eighth and Saved the Situation.

TROUT'S RUNNING CATCH A FEATURE

Rochester won the first game of the series from Toronto at the Island yesterday by 5 to 4. It was a heart-breaking game to lose, as the Leafs came so near and yet so far from victory as to rouse the hopes of the fans to the highest point and then dash them to the ground.

Herbert and Hoff were the pitchers, and the game was an even struggle until the seventh, when the visitors got to the Toronto pitcher and scored three runs. The Leafs got one back in the eighth, and then Hoff pitched a scoreless ninth.

Leaf scored in the first, when Louie singled. He was forced by Roach, and Graham duplicated, making two. In the second, Hoff pitched a scoreless inning.

Kores and Holke led off with singles in the eighth, but Priest fanned and Roach made a sacrifice. Hoff pitched a scoreless ninth.

Why does it rain every Tuesday? Ladies' Day at the ball game? The wonder is not so much that they beat the Leafs, but how they got past the immigration authorities at the border with that bunch of German names.

Special to The Star.—Montreal, Que., June 15.—The outstanding feature of the racing at Bois Bonnets yesterday was the defeat of J. S. Tyree's Carbine, the favorite, by the long-shot Cattyhunk.

Sir Blaise, making his first start in considerable time, easily disposed of the sprinters engaged in the sixth. He ran over Viley and Depost, the leaders, when straight away in two furlongs he clearly demonstrated that he is purely a sprinter.

The steeplechase proved to be only a good exercise gallop for Bryndown after. He was leading in Brantford at the seventh fence, and all but his tail. Garter could not keep up, but due to the mishap to Idie Michael, gained enough ground to win.

Hon. J. S. Hendrie's Good Shot repeated his story of Wednesday. He was never in trouble at any stage in the initial event for Canadian-bred youngsters.

Wm. Walker suddenly came to life and easily disposed of a fair field of sprinters in the third. He ran over Ada Anne, the pacemaker, in the run home, while Gold Cup also outgamed the other sprinters.
