

CHAMPION BOB DIBBLE WILL GO TO THE FIRING LINE

E. B. Butler's Last Chance To Win Back Lost Title—Great Entry List From the War-Decimated Don Rowing Club.

Edward B. Butler of Argonauts, ex-champion, wants another chance to beat Bob Dibble of the Don Rowing Club, the Canadian and American sculling champion, he better get busy right now and make sure of meeting him at the Canadian Henley, for the champion has the firing line fever and has determined to enlist for the front right after the Canadian Henley and National regattas. He is going better now than he ever was, and is confident of beating everything he faces next month.

"I am going to row at the Canadian Henley and National regattas, and then I'll be for the colors," said Dibble today. "I am only doing what a majority of our active club members have already done."

"I've seen a lot of rowers who have now rowing going with him after the Henley Regatta to-day," said Captain Webby of the club. "We have already sent twenty men, and we will have eight left, and of these I think over half have determined to go. Indeed, I think that after Henley we will have to call off our fall regatta and just about close up shop."

For a club which has only eighteen active members, the Dons are certainly doing magnificently in the line of entries for the Canadian Henley. Here is the list of club's list up to date, and there may be more:

Junior singles—Harry Dibble and W. E. Moran. Senior singles—Robt. Dibble (stroke) and J. M. Ingham (bow). Substitutes, W. E. Moran and E. Graham. Intermediate doubles—Harry Dibble (stroke) and J. M. Ingham (bow). Substitutes, W. E. Moran and E. Graham. Junior fours, 100 pounds—C. L. Carleton (stroke), W. G. Archibald (No. 2), H. Thomas (No. 3), J. H. Rogers (bow); substitutes, J. Archibald and D. H. Kyle. Senior eights, 140 pounds—J. Martin (stroke), H. M. Moore (No. 2), J. Murdoch (No. 3), H. Marsh (No. 4), J. H. Archibald (No. 5), J. H. Gray (No. 6), N. D. Lang (cox); substitutes, C. L. Carleton, W. G. Archibald, H. Thomas, and J. H. Rogers. A. C. Smith, a Don boy who has enlisted, was down yesterday from Valcartier, accompanied by Jack Tall. Smith was so strong that he pulled a club boat to pieces.

C. and M. League Crickets Play on "Ploughed-field" Pitch at Centre Island

CITY LEAGUE GAME

Grace Church Score Easy Victory Over Riverdale—Win for St. George's.

By E. S. JACKSON.

The keen rivalry displayed in this year's contests for the leadership of the western division of the Toronto Cricket and Mercantile Cricket League added increased interest to the game played at Centre Island on Saturday afternoon. The Grace Church and Riverdale cricket teams were the contestants. The Grace Church team, coached by J. H. Archibald, was the victor by a score of 147 runs to 27 for the Riverdale team. The match was played on an unprepared pitch, and considering that there were fast bowlers on either side, the wonder is that the Riverdale batsmen were not "tired" or "battered" unmercifully. In fact, the Grace Church batsmen were very much pleased with the pitch. The Grace Church team, which has been playing baseball instead of cricket, would have done little to excite the spectators if it were not for the fact that they were playing on an unprepared pitch. ROWDY BASEBALL IN SENIOR LEAGUE

Players Rush at Umpire O'Brien During Saturday's Game.

SOME ACTION NEEDED

St. Mary's Wild Plays Lost Them Game—Vermont Leaders Beaten.

It is about time that some action and punishment was handed out to some ball players in the Toronto Senior League at Stanley Park for the way they are conducting themselves in the game. Both Saturday and a week ago Umpire O'Brien time and again had a visit from the whole team who had a kick to make on a decision. Gloves were thrown on the ground, a mask hurled at the umpire, and other childish tricks indulged in, much to the disgust of the fans, who look to President Murphy for some action. The players in this league can and have conducted themselves like gentlemen on the field, but this contemptible umpire hitting was a flock of ball players rushing at the umpire every time they take exception to his decision is becoming too regular. It is wonderful that Umpire O'Brien has controlled himself the way he has. It is doubtful if any other arbitrator would stand for such abuse. The players want to take a try out of and a visit to some other senior circuit, the Dovercourt League, for instance, and get a few pointers how to conduct themselves.

Umpire has no license to beat St. Mary's the way they did. If the Saints had given Field Houlihan the support they have in the past the game, in the opinion of many, would have been a St. Mary's victory. The Saints after a bad start this season have been playing great ball and handed out all sorts of surprises but they checked the game away of Houlihan on Saturday. They had 18 errors, most of them wild heaves. Their nifty infield was very erratic. Jimmy Nicholson, at third, had three wild throws, all of which proved costly. When Nicholson plays ball he just says "I'm a pitcher in Toronto has anything on him."

Vermont Park League.—1st Game.—

Monarchs 131 0000-4 0 8
Batters—Monarchs, Lane and Davis; Baracas, Brash and Ward.

—2nd Game.—

Wychwood 200211030-10 R.H.E.
St. Cyprians 00000010-0 6
Batters—Wychwood, Joe Finley and Garner; St. Cyprians, Gamby and Richards.

A surprise package was handed the fans at Vermont Park on Saturday afternoon when Baracas trimmed Monarchs with a run of 3 to 0 in the 2 o'clock game. The contest was close with the score tied twice, until the fifth when Baracas got to Magoon for six hits which netted five runs and won the game for last year's champs. Baracas pitched good ball for the winners, after the first two innings and got saved by the bowlers and fielders. Gibson, Calhoun, and Harrison were the heavy hitters for Baracas while Harry Robinson and Watson did nearly all the work for the losers. The second game was hotly contested all the way with Wychwood finishing ahead of St. Cyprians by 10 to 5. Both pitchers twirled good games but Gamby's support wobbled at times and he was forced to take the losing end. The game was won for the winners by two runs in the seventh and also drove in two runs for his team with a three-base hit to right field.

The Park Nine defeated the Beach team on Saturday at Scarborough Beach by a score of 10 to 4. The game was a nice close, free-hitting, one that until the sixth inning, when the Park Nine knocked Thompson out of the box and scored five runs. Hurrell and Baskwell of the Park Nine and Green and Dodds of the Beaches had three hits each.

The second game was a pitcher's battle between Hawkins and Kelly. Kelly held the game to a tie, but lost his game, a game which was won by Graham and started the sixth inning by a home run, a sacrifice, an infield out, and an error putting the run over for the Iron Duke.

LEAFS HOME FOR A LONG STAY AT ISLAND

Lost Three Straight To Montreal—Herbert Beaten On Sunday.

The Leafs arrived home this morning from Montreal, where they lost their straight games, to begin a long series at the island. The first game will be played to-day with Providence, if the weather clears up. Tomorrow is ladies' day.

The Royals defeated the Leafs on Saturday by the score of 15 to 6 in a game that was featured by hard hitting by both teams, but the Royals got the "breaks" owing to the fact that they were able to pole five home runs over the fence off Manning and Cook. One of these, by Howley, came with the bases full in the seventh. Howley and Irelan had two homers and Flynn one. Rath had four hits for Toronto in four times up.

The Leafs, with Herbert pitching, were again beaten on Sunday by 18 to 7. As usual, the Leafs got all of the worst of the "breaks," the treacherous outfield of the Sunday ball park enabling Smith and Flynn to get credit for home runs, while their hits were at best not good for more than a single. It happened that a runner was on each time this occurred, and if these four runs were deducted the Leafs would have been on the right side. Cadore pitched for the Royals, and although the Leafs got 13 hits, they only scored three runs to the sixth, when they landed four and gave the locals a scare.

AMERICAN JOCKEY WINS IN GERMANY

George Archibald Rides Winner of the Hamburg Grand Prix.

Hamburg, Germany, July 26.—The annual Hamburg Grand Prix, the second most important turf event of the year, was won yesterday by American rider, Jockey Archibald, who rode American rider. Second place was taken by Haniel's Albulia, ridden by Jockey Flusschke, who carried the same owner's colors in the Derby last Saturday. The Grand Prix is valued at 100,000 marks (\$25,000).

TECUMSEHS DEFEAT ROSEDALES HANDILY

Indians Showed Some Excellent Team Play—Querre a Star.

Tecumsehs made Rosedales look cheap in Saturday's polo lacrosse game. They beat them 10-4, and looked a whole lot better than the local leaders. The Indians showed up with some grand team work, and that won for them. Kingman in the nets had his good eye with him Saturday, and what the Indian defence did not attend to he made a pretty good fist of handling. The home, with Charlie at inside, had all sorts of tricks and combination. Denice, who was the Tecumseh star, reared a bunch of counters, and Denice, Querre, Durkin, and Carmichael got to the scoring sheet more than once. They gave Harrison, Yeaman, and Braden a lively after-dinner quiet in particular, had a great day. It was the last win for Tecumsehs in a row, and he played the best game he has put up in years.

The feature mix-up of the afternoon was between Art Warwick and MacKenzie. Mackenzie started the fireworks, and Warwick was still battling when the first 30 minutes had expired, though he had served 30 minutes in penalties. Both the Dennennys, Green, Denice, Querre, and Carmichael played good lacrosse. Rivardale Juniors defeated Brampton 1-0 on the Don flats Saturday afternoon. After a keen game, Brampton led off after a keen game, but Rivardale won going away. The Toronto team was out of the field, and only a top-notch goalkeeper saved them from a more serious walloping.

Ontario defeated Shamrocks 6-4 in an N.L.U. game. There was only one fight.

Maitland won a Junior O.A.L.A. game 2-6. St. Catharines Saturday game 2-6. A second game all the way. Maitland-Gov. Sutherland's field. Stroud; cover, Bodwell; defence field, Maitland; centre, Brown; bowler, Maitland; outside, Dowling; inside, Swan.

REGISMS WRESTLE

Lightly-Weighted Kentucky 3-Year-Old Beat Schemer and Bendel.

The premier attraction was the \$500 Prince Edward stable stakes, which resulted in a victory for J. B. Respass. Lightly-weighted Regis, the winner assumed the lead after a long and wily race, and was held at the end. Schemer, yet a maiden, held the balance safe and was an improved runner by a length. The greatly improved Regis was a big winner, and was a half length ahead of Schemer and Bendel. The latter had a considerable reputation, but was never prominent.

The defeat of Pan Zareta, the 7 to 10 favorite in the Handicap third on Saturday afternoon, was a surprise to many. Sir Edgar, carrying 41 lbs. less, won from the Texas Speed Marvel by half a length. The race was a close one, and Pan Zareta was held at the end. Sir Edgar, a lightly-weighted horse, was a big winner, and was a half length ahead of the Texas Speed Marvel. PARKDALE CLEANED UP WAR CANOE RACES

A double win for Parkdale Canoe Club in the war canoe events, the victory of Reg. Blomfield, of Toronto Canoe Club, a veteran paddler in the "comeback" in the senior singles, and the defeat of Smith and Orr, of Balmly Beach, last year senior champions, in the senior tandem by Ireland brothers of the Island Aquatics featured the championship meet of the western division of the Canadian Canoe Association at the Toronto Canoe Club course.

The international game for the Toronto Star Trophy between Ireland and Scotland at Varsity Stadium was won by the former by a 1 to 0.

In the first half, playing with the wind, the Scottish team had the better of the game, but were lacking when it came to adding the finishing touch to their otherwise good work. During this half the Irish half-back line were given every opportunity to display their merit. It must not be thought however, that the Irish forwards were idle indeed. They gave anxious moments and were very dangerous in front of goal. There was no scoring during this half. Play in the second half had not been in progress long when the whole forward line went down in a line, and the Irish half-back line, which had been in the midst of a fine attack, was broken up.
