JUDGE FULLER WINS WOODSTOCK PLATE'S 39TH RUNNING

Great Holiday Crowd Attends Running of Woodstock Plate

Thirty-eighth Renewal of Event for 3-Year-Olds Is Won by Judge Fuller — Queen's Hotel Cup, Handicap, to General Thatcher, Top Weight

BARON BYNG AGAIN ATTENDS IN STATE

Spectacular Spill Mars Running of Third Race — Victoria Stakes and Breeders' Stakes Features of Today's Racing

That the King's Plate is the most attractive event on the racing calendar of the Ontario Jockey Club was somewhat forcibly demonstrated at Woodbine Park yesterday, when, despite improved weather, a national holiday and an alluring card of races, the attendance was 22,000, or about 3,000 less than on Saturday, when the Plate was run.

Those who attended the holiday racing were smiled upon spasmodically by Old Sol, whose cheery rays, after several days of raw and uninviting weather, were heartily welcomed by the racegoers. The difference in the attendance was scarcely noticeable, the entire enclosure being again crowded almost to the point of discomfort.

State Coach Arrives.

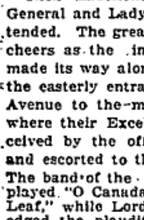
Their Excellencies the Governor-General and Lady Byng again attended. The great crowd broke into cheers as the inspiring cavalcade made its way along the course from the easterly entrance on Woodbine Avenue to the members' enclosure, where their Excellencies were received by the officials of the club and escorted to the Vice-Regal box. The band of the Royal Grenadiers played "O Canada" and "The Maple Leaf," while Lord Byng acknowledged the plaudits of the throng, which stood at attention during the playing of the National Anthem while the Vice-Regal representatives alighted from the State coach.

Shortly before the running of the first race the wind, which searched every nook of the stands and enclosure up to that time, veered from out of the south around to the west and into the north. When the cold breeze was in that quarter the spectators were sheltered by the towering stands, and the conditions were then such as to make the racing more enjoyable.

An Historic Fixture.

Outstanding on the day's program of races was the Woodstock Plate, established in 1885, when the Industrial City was a centre of racing and the breeding industry. In those days the Boyle, Forbes, Burgess and other stables were prominent in United States and Canadian racing. The Woodstock Plate is for 3-year-olds, over a distance of a mile and one-sixteenth. Judge Fuller, the winner, is accounted a formidable horse in muddy footing, but the time of the race and the comparative ease with which he was won indicates that the son of Great Sport can run on fast going, too. The mile and one-sixteenth was run in 1.46 2-5.

Edisto, coupled with Arno, as the Seagram entry, set a fast early pace, but Judge Fuller was close to the Yellow and Black colors-bearer at all stages. He dashed to the front at the eighth pole, and was hand-ridden to the finish to win by two lengths from Edisto. Senaldo, regarded by many as the probable winner, outgamed Arno for third place. The winner earned $3,890.



Jockey Walls.

Second in point of interest was the Queen's Hotel Cup, a race of one mile and seventy yards, for 3-year-olds and upward. The club added $1,500. General Thatcher, the Nevada Stock Farm representative, was kept within striking distance of the leaders to the sixteenth pole, where he closed with a rush, and beat Harry Baker by a length and a half. Tony Beau was indulged with the pace for six furlongs, but tired when the others challenged. Commander Ross's Golden Rule, with Claver in the saddle, finished resolutely to be third.

Horses and Riders Fall.

There was a spectacular spill in the third race, when Mrs. C. I. Wilson's Speyroyal fell while turning out of the back stretch, and Beth Hodder and Cabin Maid fell over her. Speyroyal's neck was broken in the fall. Jockey Pete Walls escaped with a bruised nose and mouth; Jockey Buck, on Beth Hodder, was shaken up, but recovered when removed to the well-appointed new hospital ward of the Jockey Club. The rider of Cabin Maid, Elmer Wood, was rendered unconscious by the fall, and was taken to Wellesley Hospital, where he was still unconscious last night. An X-ray photograph failed to reveal a fractured skull, an injury that was thought probable.

Mrs. L. A. Livingstone scored a popular win with Smooth Ice, which avoided the interference caused by the fall, and outgamed the Seagram representative, Gallant Greek, in the final strides. H. G. Bedwell's Fleet Princess, the pacemaker, was third.

Cavendish looked like winning the Helter Skelter Steeplechase until he stumbled at the fourteenth bank of the two-mile course. Jockey N. Harris, his colored rider, was unseated, and was hit by one of the horses following. Harris was removed to the club hospital, but disappeared after a couple of hours. Perkiomen, the winner, was restrained for the first turn of the field. Bashdon, which promised to be third, was an easy second after the mishap to Cavendish and his rider.

Tamale Dick's Baby Race.

Twelve 2-year-olds reported to the starter for the Doncaster Plate, at 5½ furlongs. Tamale Dick made a double for the Nevada Stock Farm by beating H. G. Bedwell's Fore Lady in the last few yards. Flapper Girl flattered her admirers in the early running, but the best she could get was third. She outran the others into the stretch, but faded badly in the final strides. Buttercup tired when in a contending position when entering the stretch.

Night Shade assumed command of the first race, six furlongs, and never relinquished it, beating Venizelos, who was always second, and Button Bright from the Ross Stable. Hillman, a Seagram candidate, finished strongly. St. Quentin, the aged campaigner, was prominent for the first half mile.

The decision of the judges was questioned in the seventh and final race, when Kanduit was placed first and White Marsh second. The latter's number was put up first, but later replaced by that of Kanduit. Some of the spectators, who naturally were not in anything like as good a position as the judges to give a decision, thought that Teton was third instead of Can't Say No. The entire field finished in a bunch, the placed horses being noses apart.

Breeders' Stakes Today.

Warmer weather is promised for this afternoon, and, with an attractive array of events on the program, the racing should be quite enjoyable. The Victoria Stakes, with an added value of $5,000, is for two-year-olds at five furlongs. Canadian-breds will run in the fourth event, the Breeders' Stakes for three-year-olds. The club also adds $3,000 to this race. Some of the King's Plate candidates will be seen under colors again.

CARDINAL CUB TRADE.

St. Louis, May 25.—The St. Louis Cardinals have traded Catcher Mike Gonzales and Infielder Howard Frigau to the Chicago Cubs for Catcher Bob O'Farrell, says a telegram received here from Clarence Lloyd, Cardinal Secretary at Boston. No cash was involved.

JACOBSON WINS ROAD RACE.

Fort William, May 25.—(Special.)—The outstanding road event of the year locally, The Times Journal road race, from Fort William to Port Arthur and back, a distance of a little over ten miles, was run this morning, the winner being P. Jacobson of Port Arthur, running under Y.M.C.A. colors, time 58.05. A Widnall of Fort William, time 58.06, was second and C. Horne of Port Arthur was third, time 59.13. The record for the course is Joe Keeper's 54 minutes. Thousands of people viewed the finish.

England Is Looking To Derby Tomorrow

London, May 25.—England punctuates its sporting season with periodical big events, and Britishers high and low are looking forward to one of the exclamation points in the classic mile and a half race for the Derby stakes over the historic course at Epsom Downs, to be run on Wednesday.

It is the one racing event of the year when all England turns out and the humble workers rub shoulders with the highest in the land. Derby Day is always the most colorful of the summer racing events, and the prospects of fine weather held out by the meteorological experts promises to make the 1925 running among the most picturesque in the series.

From the point of view of the mere connoisseur of racing flesh, however, the race is not likely to be so interesting, for the year's entries are admittedly below the usual standard.

Lord Astor's Cross Bow and H. E. Morriss's Manna, which took the lead in the betting last week, are still the favorites today at 5 to 1 against.

For the first time in a number of years one of the King's horses, Runnymede, is conceded more than an outside chance at the coveted honor, and has been figured by a number of experts to place at least. Steve Donoghue, England's star rider, will have the leg upon Manna.

EXPECT THIRTY HORSES IN THE EPSOM DERBY

Sixteen Candidates Withdrawn on Monday—Probable Starters and Riders

London, May 25.—(Canadian Press Cable.)—While there was a total of sixteen withdrawals from the Derby announced today, it is expected that quite a large field, numbering about thirty, will face the starter in the English flat-racing classic at Epsom next Wednesday. In addition to the twelve candidates withdrawn this morning, the following four were scratched tonight: Lord Zetland's Aske, H.H. Aga Khan's Azaz, Lord Derby's Grand Prc, and M. Goculdas' Vainqueur.

Smirke, the jockey who was to have ridden Alojah, which was rolled when his owner, Sir Edward Hutton, died on Saturday, will have the mount on H. C. Sutton's My Cruckers, and R. Beasley, who was slated to ride Lord Dewar's Constantine, has transferred to the Virginian, which T. F. Ryan has decided to send to the post. Beasley has dropped his mount on Solario, which, like Constantine, is so far without a rider. According to the latest scratchings and alterations, the following horses and riders will line up on Wednesday afternoon:

Bucellina (Jellis), Conquistador (Weston), Constantine (——), Crossbow (Frank Bullock), Dalmegarry (Winter), Dignity (Dempsey), Ethnarch (J. Leah), Foxlaw (Evans), Flying World (Thwaites), Manna (Donoghue), Marksman (Fox), Mint d'Or (Richards), Motley (——), My Crackers (Smirke), Pons Asinorum (Wadsworth), Priory Park (Archibald), Ptolemy II. Jones), The Virginian (H. Beasley), Vicot (Lane), Warminster (V. Smyth), Zionist (Carslake).

No Races Through Field At Blue Bonnets Course

Montreal, May 25.—That steeplechase racing will be abandoned at Blue Bonnets this spring was the announcement made by Louis Angevine, Secretary of the Montreal Jockey Club, on his return from Toronto, following a conference with the owners of steeplechasers now being raced at Woodbine.

Due to the scarcity of jumpers in Canada it would not be practical to include steeplechase races on the program for the spring meeting of the Montreal Jockey Club, was the opinion voiced.

"BILLY" BRINO WINNER.

Paisley, May 25.—(Special.)—The annual Victoria Day celebration staged here today was the best of its kind Paisley has had for many years. BIKE RACES POSTPONED AGAIN.

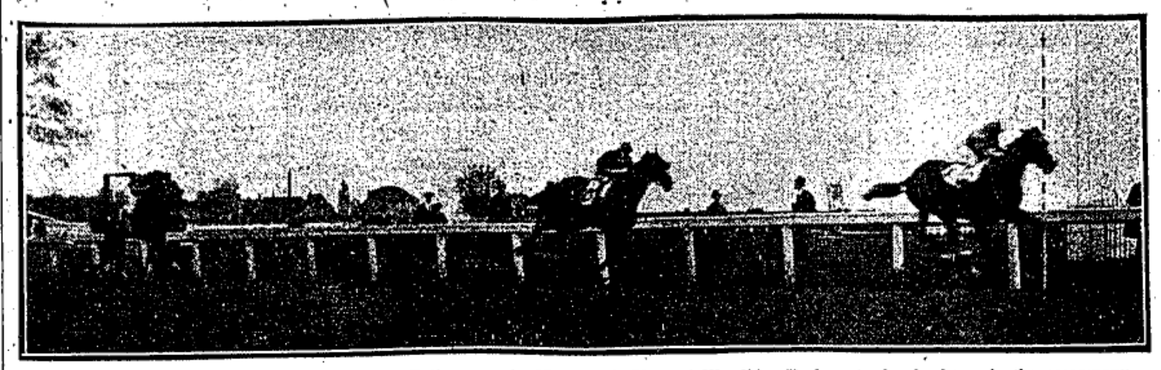
For the second time in succession the inclement weather made it necessary to postpone the opening bicycle meet of the season at the Velodrome last night. The Buffalo riders who were here for the occasion returned home without being given a chance to show their ability. There is a possibility that an attempt will be made to inaugurate the twice postponed opening of the cycling campaign tomorrow night.

FINISH OF WOODSTOCK PLATE, VICTORIA DAY FEATURE AT WOODBINE



The comparative ease with which Judge Fuller won the Woodstock Plate at Woodbine Park yesterday is shown in the accompanying picture. Seven fine three-year-olds went to the post, including Edisto and Arno of the Seagram Stables as the Canadian representatives. Edisto set the early pace, and made it fast, but could not shake off Judge Fuller, who stayed in close attendance at all stages, and won when called upon. Edisto is seen finishing second, with R. T. Wilson's Senaldo and Arno battling for third place, which Senaldo eventually won.

SCANNING THE SPORT FIELD

ANOTHER ANMER KING'S PLATER?

The success of Fairbank, daughter of Anmer, in the King's Plate on Saturday last may soon be duplicated by other descendants of the stallion sent to Canada by King George. On Saturday about the time the Plate was being run, the brood mare Moon Love, the property of J. E. Carey of Prescott, Ont., foaled a fine-looking colt by Anmer. Moon Love is by Bowling Brook-Meadowley. Mr. Carey also has a promising yearling filly by Canadian Racing Association's stallion, Spring Wheat, out of Moon Love.

NURMI'S FAREWELL TONIGHT.

The most devastating track invasion America has ever suffered will be terminated tonight at New York when Paavo Nurmi will engage in the most dangerous duel of his five-month visit—a half-mile race with Allan Helffrich. The fickle cinder path fan will establish Helffrich as the American symbol of retribution should Nurmi be beaten in his last stand. If he is outraced in this match it will be his only defeat in America in a scratch event. The peerless Finn has competed in fifty meets in the United States and Canada, establishing over thirty records, and covering a distance in his races of more than 117 miles. His records include marks for distances ranging, inclusively, from three-quarters of a mile to 5,000 metres.

JOE WRIGHT'S SERVICES IN DEMAND.

Since his resignation as head crew coach at University of Pennsylvania the rowing future of Joe Wright of this city seems to be quite indefinite, but there are at least two yawning openings for him should he care to continue at the work of showing the young college oarsmen how to swing their sweeps. One is at Princeton, and the other is at Cornell. Leuder, the coach of the "Big Red" crew at Cornell, successor to John Hoyle, has failed to satisfy the Rowing Committee at the Ithaca college. It is announced that he will be succeeded by some one else. Dr. J. Duncan Spaeth of Princeton is serving his last year as head coach. One of these universities may get Joe Wright, should he decide to continue. But the brawny Torontonian has intimated to his friends here that he has had enough of the business to suit him, in which event he may come home, and give his services betimes to his old love, the Argonauts.

WHY NOT STEEPLECHASING?

From Montreal came the announcement last night that there will be no steeplechasing at the Blue Bonnets meeting which opens on Tuesday next because of the difficulty of getting sufficient entries. The Racing Secretary of the Montreal club came to Woodbine to solicit entries for his meeting but reports that he did not meet with satisfactory response. Steeplechasing is highly popular with racegoers of Toronto and the Ontario Jockey Club has made it so by offering liberal financial inducement to the owners of cross-country horses. The best steeplechasers in America have appeared at Woodbine, but few, if any, of the other clubs of the Canadian Racing Associations offer the opportunities that Woodbine provides. If other clubs followed the example of the O. J. C. there would be enough high-class cross-country horses racing over the circuit to warrant the inclusion of steeplechasing events in the programs of all clubs of the C. R. A. It would appear almost as if the future of the sport through the field depends largely upon the willingness of the O. J. C. to continue its present policy. Without steeplechasing, racing would lose much of its charm for many people who now attend the meeting.

GALT RUNNER WINS OSHAWA ROAD RACE

Johnny Cuthbert of Guelph Second in Ten-Mile Event

(Special Despatch to The Globe.)

Oshawa, May 25.—Clifford Bricker, wearing the colors of the Galt Y.M.C.A., crossed the tape 45 seconds ahead of Johnny Cuthbert of Guelph in the first annual ten-mile road race held here this morning over an all-paved course. Bricker took 55 minutes and 45 seconds for the distance. The event was staged by The Oshawa Telegram, and was held under the sanction of the A.A.U. of C.

Forty-four men started, and a gruelling pace was set by the leaders, forcing many to drop out before the finish. Bricker and Cuthbert raced neck and neck until within a mile of the finish, when the former staged a sprint which earned him first prize. Art Scholes of Toronto finished 25 seconds behind Cuthbert, winning third place, while Reynolds of Galt was three-quarters of a minute later.

The award for the oldest runner to finish was won by R. Armitage, an Oshawa veteran, while L. Kohen of the Oshawa Y.M.C.A. was the youngest to complete the journey.

Gordon Creamer of the Oshawa "Y" was the first local runner to finish.

The following were the prize winners and times: 1, Clifford Bricker, Galt, 55.45; 2, Jack Cuthbert, Guelph, 56.00; 3, Art Scholes, Toronto, 56.25; 4, Art Reynolds, Galt, 56.30. R Armitage, Oshawa, oldest runner to finish; Louis Kohen, Oshawa, youngest runner to finish, and Gordon Creamer, first Oshawa boy to finish.

Runners from the Gladstone A.C. carried off the honors in the three-mile race for boys under 16. Samuel Porter and Norman Keay finished first and second, respectively. Dick Adams of Whitby won the award for the first Ontario or Durham County boy to cross the line.

Twenty-one lads faced the starter in this event, which was run over the same course as the longer race. The winners' times for this event were: Samuel Porter, Gladstone, Toronto, 16.21; Norman Keay, Gladstone, Toronto, 16.35, and Dick Adams, Whitby, first Durham or Ontario County lad to finish.

Sheriff Paxton officiated as starter, and presented the prizes after the races.

Wickens Finishes First In Road Race at Kitchener

Kitchener, May 25.—A new record was established here today in the third annual running of The Daily Record road race, when Alex Wickens, running unattached, won the 6 1-3 mile run in 37.54. Leo Schmalz and William Schmalz, brothers, running under the colors of the Meinzinger A.C., set the pace for most of the distance, with Wickens overhauling them about two miles from the finish line. He was unable to pass them, however, until within 30 yards of the finish line.

Leo Schmalz finished second five feet behind Wickens, while his brother was 5 yards behind in third place. Last year's time of 40.15 was easily beaten.

The order of the finish was as follows: Howell, Central Y; Phillips, Central Y; Carter, Central Y; Hill, Broadview Y; Biggs, Broadview Y. The first time prize was won by Joe Maloney of U. of T., and second time prize by Henry Cleman of Central Y. Jack Smart received a medal for being the youngest man to finish outside the prize list. Time certificates were awarded to 10 men who completed the distance under 45 minutes.

There was an increased entry list from Broadview Y, seven men competing under their colors. Two of them were in the prize money. Wing ran Cleman a close race for second time prize.

Reg Howell of Central "Y" Winner of Five-Mile Walk

The Central "Y" walkers' club five-mile road walk, held yesterday, was a great success, eighteen men starting. The entry was depleted by Central "Y" sending five men to compete in the walk at Midland.

"Eddie" Phillips, the first man to start, was nine minutes ahead of "Joe" Mahon, who started on scratch. Phillips, who is only 14 years old, kept his lead all the way up the Avenue Road hill and on the return journey, until Queen's Park was reached, when Reg. Howell of Central "Y" overtook him, winning by 25 yards.

The order of the finish was as follows: Howell, Central Y; Phillips, Central Y; Carter, Central Y; Hill, Broadview Y; Biggs, Broadview Y. BLOOD FLOWS FREELY FROM DEMPSEY'S NOSE

Champion Fights Three Rounds on Shipboard and New Proboscis Suffers

(Associated Press Despatch.)

New York, May 25.—When the Cunarder Berengaria docked over the week-end from Southampton, it became known that Jack Dempsey had boxed three rounds during the vessel's eastward voyage with Kent, the butcher's mate, and had blood tapped from his new nose, in the presence of fully 2,000 of the passengers and crew.

Kent was formerly amateur champion heavyweight boxer of the British Army and Navy. He is now 45 years old.

The sight of blood trickling down Dempsey's chin, in spite of his frequent sniffing, caused such excitement among the big audience that one woman fell off a hatch and broke her leg, and another went clean through one of the canvas boat covers. Dempsey did not try to knock his opponent about, it was said, and let him do all the fighting.

Holiday Dinghy Races At Royal Canadian Y. C.

The dinghy races at the R.C.Y.C. yesterday were held under much more favorable weather than on Saturday. The breeze was more moderate but fluky, starting with north by east and veering to south with "bald spots" from time to time.

The start of Class A. was disappointing, as only one dinghy was on the line, viz., Ted McPherson. Cyril Clarke was back 200 yards, lying idly in a "bald spot." McPherson got clear away and was never headed, the finish of Class A. being as follows: 1, McPherson; 2, Mills; 3, Clarke; 4, Bailey.

Class B. finishes after many changing positions, were: 1, Kelso; 2, Scott; 3, Ryder.

Class C. results were: 1, McLean; 2, Macdonald; 3, McDonell.

BRITISH GOLF STARS OUT IN FIRST ROUND

Sir Ernest Holderness, Champion, and Wethered Beaten; Unknown Scot Sensational

Westward Ho, England, May 25.—The first day's play of the British amateur golf championship brought about the downfall of two of the "Big Three" stars favored above all others to capture the title and the trophy.

The reigning champion, Sir Ernest Holderness, was beaten on the eighteenth green by Robert A. Cruickshank, a native of Scotland, who for five years has lived in Buenos Aires. Roger Wethered, who held the amateur title two years ago, was vanquished, 2 to 1, by Douglas Grant, a former California champion, who for several years has had his home and business in England.

Roger Wethered.

The defeat of Wethered and Holderness leaves only Tolley remaining of the "Big Three" of Britain's amateur golfing world.

Cruickshank, victor over Holderness, and a native of Cruden Bay, in Northeast Scotland, is in England on a six months' leave of absence from the banking house where he is employed.

Cruickshank began with a string of fours and fives, but then got a birdie two, and thereafter hit a streak of par figures and better that put him three up on the British champion at the tenth hole. This was a lead that Holderness could not overtake, although he averaged even fours for the remainder of the way home.

The Holderness-Cruickshank cards were:

Cruickshank—Out	555	534	457—38
Holderness—Out	556	434	455—41
Cruickshank—In	444	544	353—38—76
Holderness—In	544	434	353—37—78

In the Wethered-Grant game, the latter got the lead early, and held onto it all the way. Wethered threatened to cut his two-up lead to one at the fifteenth with a dead stymie, but Grant chipped over it into the hole, squared the next two and won. Grant has won Pacific Coast and California State championships, and was runner-up in the western championship in 1910.
