

TORONTO CLUB OWNERS RUSH TO JERSEY CITY

Something Important May Come Out of the Conference With Manager Fohl

PLAY SKEETERS NOW

Faulkner Fails to Go Route Against Bears and Champions Lose Four Straight

By CHARLIE GOOD

With the Colts running wild the Leafs will have to battle their stump to keep in the first division. Since George Stallings severed his connection with the Rochester club the fifth placers have been winning consistently and are now right on the heels of the falling Leafs, who open a series with the Skeeters this afternoon.

Change of management made a lot of difference to the Colts, and with the chief executive members of the Toronto club in a "huddle" at Jersey City, something momentous may come to the conference between Messrs. Solman, Dunn and Fohl.

The principal backers of the club are anything but satisfied with the record of things, and there is a possibility that they will resort to extremes.

Losing four games to Newark is pretty nearly the last straw. Dan Howley's champions virtually won the flag by their successes against the Bears, who were a much stronger aggregation last season than they are at present. Fohl's Leafs may not be as strong collectively as the titleholders of 1926, but they are not as bad as their record of late would seem to show.

Something Wrong

It is the general opinion that there is something wrong in the inner workings of the club. Pitchers who were invariably successful for Howley cannot win this season, and reading between the lines, it is evident that there is more than one screw loose in the machinery.

Fohl's judgment in the handling of his pitchers has elicited much adverse criticism. For instance, he threw Faulkner into the fray yesterday despite the fact that the lefthander was in no condition to give his best services. There were other occasions when he could have used him to better advantage but he did not.

In any event things have come to a pretty pass indeed when seven runs are not enough to win a ball game. In the majority of the recent defeats the Leafs have scored from six to eight runs and on one occasion only to come out second best.

Need Pitchers

It is imperative that something should be done. Ray Cordonnier, late of Buffalo and Jersey City, is the latest addition to the staff. He reported yesterday morning after being let out by Manager Spencer Abbott of the Skeeters and when Faulkner filtered he was injected in the game in a hurry.

It is significant that the newcomer halted the Bears' advances in a hurry. Faulkner held the Bruins pretty well in this season, and reading between the lines, it is evident that the Bears' scoring runs on seven hits. Gordonnier finished and didn't allow a tally although he was touched up freely in spots.

Bad Company

Umpire Fyfe, whose work in the series was anything but pleasing to the Leafs, made a decision at first base that probably cost the Leafs the game, as it turned out, and when Manager Fohl, along with some of the players, protested too vigorously he ran them out of the park. Satterfield and Maley were given the gate along with the traitor leader of the Leafs, and the latter was also prevented from sitting on the bench in civilian attire.

Jack Dentley, former Baltimore pitcher, and New York is apparently not the pitcher that he was. There was a time when all he had to do was put in an appearance in the box and the staff was off. This was when he was the ace of the Bird's pitching staff, but evidently the bulky southpaw has lost much of his cunning.

T.C.C. Regatta And Cruising Races Carded

Toronto yachtsmen open the annual regatta season to-morrow with cruising races to Whitby and Oakville. The Queen City Yacht Club fleet starts two divisions east to Sheriff's Point, while the R.C.Y.C. fleet races to Oakville in four divisions for the Nanton Cup. The piece de resistance for the small boatman's racing fleet to-morrow is the Toronto Canoe Club's annual open regatta to be held behind the sea wall off the Club house at the foot of Dowling avenue.

SOCCER GOSSIP

By BOB HAYES

Seventy-two hundred fans swarmed into Athletic Park Vancouver last night to watch the Scottish tourist soccer team ride roughshod over the Mainland all-stars to the tune of 9 to 2. After Referee Tommy Moore had tooted his whistle half a dozen times there was no doubt as to the outcome of the game. The Scots displayed uncanny ability to control the sphere and take advantage of openings. Hand work in both senses of the word gave the visitors the up-and-down throughout, and King, the all-star custodian, had no chance of saving any of the shots aimed at his net. The visitors did not play with the ball except make it talk, and on rare occasions only did the home team get a chance to be within striking distance of the goal.

Dagger at leftback probably was the piece de resistance of the team, while Russell at right-half played a magnificent game. Kerr also was outstanding, displaying a world of speed. Mayor Taylor kicked off after the visitors had won the toss. Cunningham was the first to break through but was soon brought up by Dagger. Kerr tore down left field but failed to get the ball across. From then on the visitors' play left the final result little in doubt.

To date, the Scottish team have played ten games and have won nine, the only defeat being registered against them at Toronto. They have scored 54 goals against 11. It is a brilliant record and a great crowd should be on hand to see them at Toronto on their second visit on July 8.

To-morrow afternoon there will be two soccer games at the Broadview Field. In the first game T.C.C. will play Lanarkshire. The T.C.C. have gained quite a few supporters since their victory last Saturday afternoon at Ulster stadium, and are confident that they will duplicate this victory. In the second game the league leading team will play against Mimico Beach, who are in second place in the league standing. Since the first games for the Connaught Cup the T.C.C., Dunlops and C.N.R. have made many friends and a big crowd is anticipated to see them at their home grounds. The kick-off for the first game will take place at 2 P.M.

The following are the senior games scheduled to-morrow:

City Senior League	
Crainshaw v. C. N. R.	
Dunlops v. Mimico Beach	
T. C. v. Lanarkshire	
45th Highlanders v. Dominion Stores	
T. and D. League	
1st Division League "A" Section	
Oshawa City v. Congasco	
Wellesley v. Mimico Beach	
Sunderland v. Swansea	
Christie Brown v. Bell Telephone	
2nd Division League	
Mount Dennis v. Can. Acme	
Palm Olive v. St. Pats	
Avondale v. Northern Electric	
Beaches v. Leaside	
T.T.C. St. Clair v. Anaconda	
Easy Washer--byo.

Ald. Pearce and his committee made no mistake when they selected that Vaughan road route for the Toronto marathon July 1. The race starts at Vassily stadium and ends there. The route is up Avenue road to St. Clair, west to Vaughan road and out that road seven miles beyond Fairbank with the return over the same route. If there is not too much interference by motor traffic the course will be ideal. There are just enough hills and grades and variations in road conditions to make it a real test for a rugged marathoner instead of a straight test of sustained speed under absolutely ideal road conditions.

When the Albedo of the Rochester Yacht Club fleet comes here July 21 to face the Cara Mia of the R. C. Y. C. fleet in the Fisher Cup challenge series Johnny Taylor will be at her helm. Laurie Mabbett handled the Albedo when she was beaten here in the last Fisher Cup series but Howard handled her at the L. Y. R. A. last summer and she trounced the famous R. C. Y. C. "P" class for the class championship. Taylor is a crafty racing skipper. Just who will be skipper of the R. C. Y. C. defender is still undecided. Cara Mia's new canvas will be here next week.

Henry Hill of Kingston, one of the fillis who have sailed so successfully this last couple of years in R. C. Y. C. and open races, will handle Commodore "Hank" Richardson's George Cup challenger, Valerie II, ex-Kathia I, of Chautauq Bay and Long Island sound.

FIGHTS LAST NIGHT

New York. — Joe Leonard, 125½, brother of Benny Leonard, knocked out Billy Alger, 137, fifth round. Joe Lomsky, Aberdeen, Wash., defeated Harold Mays, Bayonne, N.J., ten rounds, decision. Benny Bass, Philadelphia, outpointed Dominich Petrone, New York, ten rounds.

WITH PICK AND SHOVEL

Cautious Comment, Casual Criticism, New Angles on General Sport

By LOU E. MARSH

There are no easy golf courses. Golf courses admit of only two classifications—tough and tougher. If any one ever introduces me to an easy course I will do what a French general does after he pins a medal up a hero's breast.

There is only one thing wrong about the Summit Golf Club course—the name. They should have called it, 'The Matterhorn.'

The scenery is great—from every pinnacle. Yesterday a near-sighted golfer up there mistook big Jack Barnes for an extra mountain on the course and used his niblick.

Have you run foul of "Elsie" yet? She's the new jade who gets you an introduction to Bill Morrison and a pressing invitation to be his guest for a week or two if you mix your benzine with alkyl.

Golf experts are now arguing about the respective merits of dimple or mesh marked balls. As for me I find that I shoot much better with square balls with black marks.

A leading Toronto artist has selected Miss Dot McNeill, the clever little shortstop of Lakeside Ladies, as his model for a picture he is working on depicting "An Outdoor Canadian Girl." The fans at Sunnyside to-night can judge for themselves as to his ability to pick them.

Ald. Claude Pearce, chairman of the city jubilee sports committee, denies that his committee was at all stingy with the Gladstone A. C. and its relay proposition. He said that Gladstone officers told him that it would cost about \$300 to conduct this proposed relay from Toronto to Ottawa and asked him if his committee would head off an appeal for subscriptions with a donation. Pearce asked if \$100 would do and the Gladstone officers were delighted.

However, now that the Gladstones have discovered that \$300 will not get them to first base on the undertaking Pearce's committee has decided to furnish the club with a big T. T. C. bus free of charge for the entire trip and to request Mayor Foster to write official letters to the mayors of the towns along the route of the relay requesting their co-operation for the runners.

In addition Mayor Foster and Ald. Pearce will start the first runners from the city hall and then accompany the relay for the first twenty miles. They will take a couple of bugles along.

Blowing their own bugles for twenty miles should be child's play for Tommy and Claude. They have had plenty of practice in the last few years.

The council fixtures are: Toronto and Yorkshire at Armour Heights, Umpires, Lyons and Hunter. Rosedale and Grace Church at University lawn. Umpires, Currell and Cancellor.

Dovercourt and St. Edmund's at Trinity park. Umpires, Joy and Priestley.

Riverdale and Oakville at Riverdale park. Umpires, Marriner and Beard.

St. Cyprian's and St. George's at High park. Umpires, Godfrey and Thompson.

St. Clair and C. N. Ry. at Earlscourt park. Umpires, Brown and Carpenter.

Woodgreen and Mimico at Riverdale park. Umpires, Collett and Rothera.

Broadview and Bell Telephone II, at Riverdale park. Umpires, Sunstrom and Wheadon.

Oshawa and St. Edmund's II, at Oshawa. Umpires, Butt and Wakfield.

FINE BALL PLAYED IN PUBLIC SCHOOL GAMES

Four Finals Decided at Broadview Field—Ogden, Bolton, Carlton, Hillcrest Victors

Spectacular softball mixed with many heady plays featured the battle for the honors in the public school softball association and possession of the Daily Star trophies at Broadview Field yesterday afternoon. There were four finals played and all of them were well worth seeing.

Four titles were decided. The junior major, won by Ogden, who downed Leslie school 7 to 2, the junior minor won by Bolton from Deer Park, 8 to 2, the bantam minor won by Hillcrest from Rose 7 to 2 and Carlton defeated Queen Alexander 16 to 5 in the bantam major.

The feature game of the four was the junior major affair between Ogden and Leslie. For six frames they battled neck and neck, but Wilson, the Leslie hurler, cracked in the seventh and Ogden scored four runs to give them a 7 to 2 verdict. The game was sensational both in the hitting and the pitching of "Mike" Prothuck for Ogden was the outstanding feat. He fanned eleven and held Leslie to six scattered singles.

A No-hit Game for Moore

Artie Moore of Bolton school was the individual hero of the afternoon: when he twirled a no hit game in defeat Deer Park 8 to 2. Deer Park scored their two runs in the fourth on two errors and a walk. Hall was good for Deer Park, but his support let him down with men on the paths. Dains, May and Moore played great ball for the winning outfit.

The other two finals were minor games and they were both great exhibitions of ball by "Nippers" not big enough to wield a bat. Hillcrest defeated Rose for the minor honors by 7 to 2, and it was another game that was sensational both in the hitting and the pitching of "Mike" Prothuck for Ogden was the outstanding feat. He fanned eleven and held Leslie to six scattered singles.

The game between Queen Alexander and Carlton was won by Carlton, 10 to 5. Carlton were always the best but there was not the difference that the score indicates. Again all the leads did their best and the pitching of "Mike" Prothuck for Ogden was the outstanding feat. He fanned eleven and held Leslie to six scattered singles.

The game between Queen Alexander and Carlton was won by Carlton, 10 to 5. Carlton were always the best but there was not the difference that the score indicates. Sporting Views and Reviews

By W. A. Hewitt, Sporting Editor of The Star

The Leafs have moved over from Newark to Jersey City, where they play to-day. The visit to Newark was a nightmare. Four consecutive defeats for the team and fines for Manager Fohl and the players who mixed it up with Umpire Fyfe.

Five of the nine golfers with the British team which arrives in Toronto to-night and will play against a team of Canadian professionals at the Toronto Golf Club to-morrow have won no less than fourteen national open titles. Ted Ray, the captain of the team, won the British open in 1912 and the American open in 1920. George Duncan won the British open in 1920 and the Belgian open in 1912. Arthur Havers won the British open in 1923. Aubrey Boomer won the French open in 1921, 1922 and 1926, the Belgian open in 1922 and 1926 and the Holland open in 1924, 1925 and 1926. This is truly a great record. Six of the players have no less than 24 holes in one to their credit, Boomer leading the field with eight; Ray next with six; Compton three; Whitcombe three. Havers two and Robson two. Ted Ray is the veteran of the party being 50 years of age. Duncan is 44 while Robson is 42.

Two British born golfers are playing off for the U.S. open championship at Oakmont to-day. Harry Cooper, who came from England when 10 years old and learned his golf while acting as a caddy at the Hamilton Golf and Country Club at Ancaster, where his father was professional, is playing off a tie with Tommy Armour, who was a field major in the British army during the war in charge of a tank corps and before that a graduate of the University of Edinburgh. Lawrence Perry says in the annals of golf there has been nothing more dramatic than Armour's wonderful shot-making which carried him to a tie after everyone had practically conceded the title to Cooper. This British veteran, who in single-handed combat, strangled a German soldier, never gave up the fight when fortune looked darkest. As a matter of fact he had to make a birdie on the last hole to get in the picture at all. He got a fine drive and then with an iron landed on the green 12 feet from the pin. After waiting for his partner to get out of difficulties he sunk the putt, while the crowd roared its approval. Armour played in the Canadian open in 1920 as an amateur when he tied with the late Douglas Edgar and Charlie Murray of Montreal. Edgar won the play-off. Last year at Royal Montreal Armour tied for fifth place in the Canadian open with Andrew Kay of Lambton, C. R. Murray of Montreal and Johnny Farrell, with a score of 291. Macdonald Smith was the winner with 283. Armour is entered in the Canadian open championship to be played this year at the Toronto Golf Club on August 4, 5, 6.

The Athletic Association in charge of public school sport is a real organization, and the men behind it are turning out athletes with great regularity in all lines of sport. Last winter in the hockey finals at the Arena many coming stars were uncovered. Yesterday afternoon at Broadview Field the first four games of the softball finals for The Daily Star trophies were played and once again many promising young players shone for their respective school teams. The feature of most of the games was the work of the batteries. Moore and Andrews of Bolton juniors, and Prothuck and Tettef of Ogden juniors were especially prominent. Moore twirled a no-hit game to defeat Moore Park for the minor junior honors. All the players were well-coached and the teachers in charge must spend a lot of time with them. T. E. Johns, the secretary of the association, is given credit for the successful handling of the sports.

stepped into Queen's Own Rifles, coming away with a 16 to 3 win. In the Toronto Senior Commercial league at Withrow Park last night Hydros defeated Adams by 9 to 3. They hit solidly behind the pitching of Tyler. Hydros garnered 14 hits off the offerings of Pat Kelly eight for extra bases. Tyler helped his own cause with four hits in five attempts. Eell Telephone and C. N. R. meet to-morrow night for the league leadership, starting at 7:15 p.m.

Lakesides play Pats to-night in the National girls game at Sunnyside. Lakesides believe they can whip the leaders, though the G. and W. girls, leaders of the industrial league, gave them a good spilling the other night. Pats also encountered a setback in their ambitions last night in Hamilton when the Zimmerman's trimmed their sails by 15-5, thumping back blows at Misses Devere and Miller.

Canadians and Secords play to-night in the Danforth Women's league at Viaduct Park. It should be quite a battle, as both teams are fighting for the play-off position. Canadians will have Grace Conacher on the mound, while Lois Dowling will pitch for Secords. Secords are a heavy-hitting team.

Beavers showed why they are leading the Danforth Senior league last night at Viaduct Park when they slugged their way to an 11 to 1 victory over York A. C. Smith, for the winners, had the "Churchmen" eating out of his hand all through. Noble with a homer and a double and Hale and Kennedy each with two-baggers contributed the hitting power. In the second game, Monarchs stuck right at the heels of the leaders when they

HAM AND RENNIE AT TOP OF THEIR FORM

Qualify for Semi-Finals in Central Ontario Tennis Tournament

The Central Ontario championships now in course of play at the Rusholme club reached the semi-finals in all of the events yesterday, the brand of tennis displayed leading one to think it might be the Canadian championships that were being held.

Dr. A. M. Hart gave a display that is rarely seen in Canadian tennis, driving, volleying and serving as one inspired. Forty-four points were scored in each of the sets, the doctor taking 29 in the first and 30 in the second and three love games. Peterson was never in the picture and went down to defeat 6-1, 6-1. Partnered with Gilbert Nunn in the men's doubles he continued his inspiration by defeating Chrysler and Elliott, the Broadview boys, 6-0, 6-0. His total loss in games in both singles and doubles to date number of sets.

Le Roy Rennie rose to heights supreme in his match with Proctor, the Pacific Coast star, to win at 6-3, 6-3. Proctor gave of his best in this match, bringing and serving with speed and driving into play a variety of strokes, but to no avail. With the score at two all in the first set Rennie took the lead and from this stage there was never a doubt as to the final outcome of the match. Rennie scored on many marvelous pick-ups, of which he showed in capital form. The finals will be an all-Toronto affair. Ham v. Nunn and Rennie v. Doherty.

Upsets in Men's Doubles

Two upsets occurred in the men's doubles—Gunn and Peterson defeating the sensational pair, McCausland and Thompson, 6-4, 6-4, and Richardson and Pyne of Rusholme accounting for the strong Toronto Tennis Club combination of Doherty and Spunner. Richardson's deep lob and Pyne's lobbying being mainly responsible for their win.

In the ladies' doubles Mrs. Grey and Miss Wachs eliminated the strong St. Catharines pair, Mrs. Mel Brock and Miss Nash, 3-6, 6-2, 6-1. In the mixed doubles Miss Nash of St. Catharines and McLean of Montreal, after defeating Miss McDonald and Kennedy of Toronto, themselves went down to defeat at the hands of Mrs. Smith of Toronto and Leslie of Montreal in a hard fought three-set match, 6-3, 3-6, 4-3. Miss Brock and Proctor defeated Miss Luke and Chrysler of Broadview 6-3, 6-2.

Several splendid matches were played in the junior singles, Drury, Heathcriston, Margesson and Copeland emerging victorious, the latter causing an upset by defeating Holmes 6-2, 3-6, 6-2.

Play starts to-day at 4 p.m. with the Nunn v. Ham match. In the men's singles and doubles the matches will be 3 out of 5.
