NICK WESLOCK FIRES 69 TO WIN MEDALIST HONORS

Firing a two-under-par 69, Windsor's Nick Weslock captured medal honors at the annual Lambton Invitation Golf tournament yesterday by a single blow over Lambton's Jack Amell.

The dapper Weslock, who took medal honors in the tourney with a 68 a year ago, and Amell were the only players of the 115 who teed off to better or equal the 71 par of the West Toronto course. Bill Givens and veteran Phil Farley were tied for third with 73s and from there on it was a scramble.

London, Windsor and Sudbury were well represented in the show that continues today and tomorrow in match play. Besides the championship 16, the remainder will also be grouped in similar flights.

H. Bennett of Kingston, Gil Walker of London, and Jim Boeckh of Lambton, grabbed the last three places in the championship that saw five players tied with 78s. Windsor's Gene Rossiter and Scarboro's Al Flood lost out and dropped into the first flight.

Harness Horses by Hal B.

The bay pacer, Vivace Song, 2.05 3-5, by Gay Song 1.59¾, owned by the well known horseman, Parker Locke, Morrisburg, has gone his last race. He died following an operation at Richelieu park, Montreal.

* * *

The day prior to his death, he started in a race and went to the post a 3 to 5 favorite, but from reports it was quite evident there was something amiss with the gelding as he was distanced and then drawn from the second heat.

* * *

Vivace Song was quite a favorite and this race marked only the second time he went to the post at odds on that he didn't win. Among others in this race were J. L Van, owned by Tom McCool, Pembroke, Dr Holman, from the Wells' stable, Aultsville and L. E. M. a Quebec-owned pacer.

* * *

J. L. Van went to the front at the word and never was headed He paid a whopping $106 90 for $2. Mac Bingen, also owned by McCool, was highly regarded but finished back and Dr. Holman was second paying $20 10 In the second dash, L E M. was first home, followed by Mac Bingen and J. L. Van.

* * *

A couple of other Ontario-owned steeds were home first in their respective races Sally Sue, owned and driven by Dr. Findley, Arnprior, won her race and returned $12 90 and Peter B. Harvester, driven by Jack Bannerman, Stratford, paid $10.10 when he won his engagement.

* * *

Huron Express, the black pacer that Bill Gardner, Goderich, raced for a couple of years and last fall sold to V. Waddell, Weyburn, Sask., and who is now racing at Maywood park, Chicago, lowered his record to 2.06 in his last winning effort. Mighty Cox, stablemate of Huron Express that was secured from Alex Stewart, Port Hope, has been a consistent winner at Chicago.

* * *

A new world's racing record for pacers over a half-mile track was established at Roosevelt Raceway, when Hi-Lo's Forbes paced in 1.58 3-5, lowering the previous record of 1.59 3-5, held by Sampson Hanover. The race was worth $6,000 but the management added another $5,000 because of the new record. Sampson Hanover's record was established in 1951 at Delaware, Ohio.

* * *

The newly-formed turf club at Hanover should be highly pleased with the success of the initial race meeting this week The attendance was all that could be desired and the racing was of high calibre. There were horses galore, in fact so many the Dufferin Park stake was raced in two divisions, Sonny G. Herbert accounting for one division, pacing in 2.19 1-5 and Grattan Chips copping the other in 2.20 4-5.

* * *

Feature event of the afternoon was the .20 class and once again Argyle Grattan from the Dunc Campbell stable, Ailsa Craig, marched off with top honors, without any stress or indication of being brought to a drive, to pace in 2.12 3-5 for a new track record. According to Dunc, the gelding is better than ever this year and when it is taken into consideration he was named "Horse of the Year" in 1952, he certainly must be good Argyle Grattan is one of the pacers named in the Canadian Cup, main pacing event at Thorncliffe Raceway this summer.

* * *

Down at Ridgetown, the fastest mile at the meeting there was turned in by Queen The Great when she scampered around the two-lap oval in 2.09 2-5 to win the first dash of her race and Mac Dale won the second in 2.12. The second fastest mile of the afternoon, however, was in another event when the four-year-old, Bernice Blue, paced in 2.10 1-5, after finishing second to Peter Van D in the opening stanza in 2.10 3-5. Alpha Todd, Lester Baldwin, Hi-Lee Baldwin were the winners of their respective races.

* * *

Pot Pourri . . . Owners of two-year-old futurity candidates don't want to overlook Monday the 15th . . . That is the date of the final payment on this year's race . . . Maudeen Volo, racing in the colors of the Litt-Wellwood stable, Stratford, clicked for a juicy payoff at Hazel park, Detroit, paying $27 . . . Now, the five-year-old stallion from the Dave Pinkney stable, Stratford, paced in 2.06 to win his start at Hazel park, driven by Floyd Milton . . . This horse showed exceptionally well as a two-year-old but was dogged by hard luck, and apparently is just coming into his own now . The horse is sired by Chief Abbedale 2.00 and his dam Carmen Lee raced for Dave, who has the distinction of breeding the fast pacer . . .

DRAPCHO HURLS THIRD WIN IN ROW FOR GUELPH LEAFS

Pitcher Eddie Drapcho of the Guelph Maple Leafs is the big talk of the Intercounty Baseball league at the moment after he posted his third straight win, a 3-1 decision over St. Thomas Elgins at Guelph last night.

Kitchener Panthers survived Brantford Red Sox' late rally to edge the Sox 8-4 in the only other game. Two other games, London at Oshawa and Galt at Waterloo, were postponed by rain.

Drapcho gave up seven hits, walked five, and the Elgins had runners on base in every inning, but he allowed only one unearned run, the first tally to be scored against him in 27 innings. Fred Wasiluk counted the St. Thomas run in the third. He led off with a single, advanced on a sacrifice and an error, and scored on an infield roller.

Leafs evened the count in the third without a hit, as St. Thomas hurler Don Summers, a southpaw from Villanova, walked the bases full, and Eddie Napier's ground-out scored a run. Marv Rich drove in the winning runs with a single in the fourth that went through outfielder Rasmussen for a two-base error.

Southpaw Billy Allan turned in a fine relief job to protect Kitchener's win.

HOLLINGER SCORES

Timmins, June 13—(CP)—Hollinger Bombers last night broke into the win column of the Temiskaming Baseball league in spectacular fashion by defeating McIntyre Macmen 3-2.

TONY KEEPS BOOTING THOSE BABIES HOME

Boston, June 13 — (AP) — Jockey Tony Despirito continued his spectacular victory drive by riding three consecutive winners yesterday at Suffolk Downs.

The Lawrence, Mass., youngster, top rider of the 1952 season, won five in a row Thursday and Friday after two misses, he won the fourth race on Finery, the fifth on Old Sol and the sixth on Special Nurse.

Despirito rode seven times during yesterday's nine-race card and gained a place and show while finishing out of the money only twice.

FIVE FIVE-ROUNDERS ON EAST YORK'S CARD

Eleven matches are scheduled on next Tuesday's fistic card at the East York Arena, with five of the settos over the five-round route.

Two of the top matches are in the lightweight division, with Jerry Durette of the Toronto A.C. meeting Denny Williams of Oshawa and Johnny Lapadula of the Eariscourt Club meeting Joe Hogan of Hamilton.

Another rematch, this one in the welterweight division, has Harold King, younger brother of Arthur, meeting Sonny Forbes. King won the decision in their previous outing, and the Bagnato clan demanded a return match, claiming Forbes was below par.

DANCER ODDS-ON TO ANSWER $64 QUESTION TODAY

New York, June 13—It will be Alf Vanderbilt's Native Dancer against the field in the 85th running of the $100,000 Belmont Stakes at Belmont Park this afternoon.

Five others were named to start against the gray ghost which was unbeaten as a two-year-old, lost the Kentucky Derby by a neck to Dark Star, and won the Preakness.

At the last minute two owners decided chances were too slim to gamble the $1 000 starting fee for a chance at the $20.000 second money, $10.000 third money or $5 000 for fourth place. Bassanio and Bob O'Boy were scratched.

As far as the general public is concerned the Belmont figures to be a two-horse race between the Dancer and Jim (Mr. Boxing) Norris' Jamie K.

You will recall that was Jamie K. which was coming like a runaway express train toward the finish of the Preakness The Preakness was at a mile and 3/16ths. The Belmont is over the classic Derby route of a mile and a half.

The Dancer's backers, and there are enough of them to make him an odds-on favorite as he has been in all his races, believe there is no good reason to say the Dancer can't "get" a mile and a half.

Some like Gene Constantin's Royal Bay Gem. This little horse is always running over tired horses in the stretch and should Jamie K. and Native Dancer run each other into the ground, he might come on to win. But don't bet the family plate on it.

It is hard to understand why two of the horses named to go in the Belmont even rate mentioning. These are Lou Prima's The Preem and B. S. Campbell's Ram O' War.

The Preem couldn't beat a good buggy horse and Ram O' War finished up the track in the Kentucky Derby.

AMM CYCLE WINNER TWO RIDERS KILLED

Douglas, Isle of Man, June 13 — (Reuters) — Ray Amm, 25, farmer from Southern Rhodesia, won the Isle of Man senior tourist trophy motorcycle race in record time yesterday.

Amm's victory made him the fifth rider to complete a tourist trophy double—he won the junior event last Monday.

Riding a Norton, Amm completed the 264-mile death-defying course in two hours 48 minutes 9 1 seconds at an average speed of 93 85 miles an hour.

Amm set up a lap record of 97.41 miles an hour and was the first rider to top 91 miles an hour over the 37 71 miles lap.

He had a lucky escape in the seventh lap of the race, in which two riders were killed. Amm, momentarily dropping his concentration, almost came off his machine at a bend. He damaged a footrest and flashed past the winning line with one foot trailing.

From Our Correspondents

Mr Albert Nethery of Hamilton sends us a report of the annual banquet It was held at the Bright Spot restaurant and quite a number of ladies were in attendance along with the members of the checker club After the supper with President Stewart in charge, the Kingsland Memorial trophy was presented to George McRitchie the 1953 champion. The presentation was made by Mrs Frank Kingsland, widow of the former Hamilton expert. John Skillen then presented the club championship cup to Albert Nethery, who finished first with 11 points Louis Henderson won the "B" class cup and with it the right to play in class "A" in 1954 The oldest member, D Tucker, was presented with a gift by Norma Nethery and the old reliable Bob Ryckman was not forgotten either Later in the evening sides were chosen, by Messrs McRitchie and Nethery, and a match was played enjoyed by all

From Angus Crawford comes the following re Game 3001 15-14 24-19 11-15 It should be noted that at the 15th move (6-9), Chamolee says "A very dangerous move" starring 15-18-9 5-14, 28-24, *16-19 as the only draw. After 6-9 28-24, 4-8, now 25-22 is the powerhouse move leaving only 16-20 to draw the draw being so hard and narrow the line is not practical In place of 16-20 Black plays 8-11 you still hold back 24-19 and play 22-17 for a winning position, that Chamblee got no Tinsley in their match for the junior championship of America. If 24-19 in place of 22-17, you have the Wagman-Stephen game at 20th move Position Black—1, 2, 3, 9, 10, 11, 12, 14, 16; White—18, 19, 21, 22, 23, 26, 30, 31, 32; here Black slipped with 1-6 but 1-5 and Wagman would have drawn without much trouble. In view of Chamblee's remarks, the draw is of little account, but we give it anyway 1-5, 22-17, 9-13 18-9 13-22 26-17, 30-25 (17-13 2-6 30-25 3-7, 13-22 25-18 7-11 18-9 11-15), 20-24, 22-26 24-27 18-9 27-31, 26-22, 31-26 22-18 27-24, 18-15 10-14, 15-10 7-14, 9-6, 19-23 drawn without a single starred move

We note the passing of the famous "St. Ninian" of Glasgow, Scotland; Sam Hershkowitz of New York and very notably Prof Clifford A Woodard of Orlando, Fla The professor who was also a contributor to The Star for many years, his problems were of the finest
